

The American Rescue Plan Act of 2021 and Changes to New York State's Essential Plan

FACT SHEET

**FAST FACTS ON
The Essential Plan**

How do I enroll?

- 1. nystateofhealth.ny.gov
- 2. 1-855-355-5777 or TTY: 1-800-662-1220
- 3. Through free in-person help from a certified assister near your home or work.

Can you help me in my own language?

Assistance is available in your language by phone and in person.

When can I enroll?

Enrollment for the Essential Plan is open all year long.

Key Dates of Health coverage with applicable Federal and rights laws and state laws, and dates of enrollment on the basis of race, color, national origin, sex, disability, age, marital status, genetic information, religion, sex, or sexual orientation, gender identity, gender expression, pregnancy, childbirth, or related medical conditions, national origin, ancestry, marital status, domestic violence victim status and for retaliation.

What is the Essential Plan?

A health plan for New Yorkers. It costs much less than other health plans. And it offers the same essential benefits.

Who can buy it?

Lower-income people who don't qualify for Medicaid or Child Health Plus.

Household size	Most you can make
1	\$25,520
2	\$34,460
3	\$43,400
4	\$52,340

How much does it cost?

Either \$20 a month per person – less than a dollar a day or NOTHING.

How else does it save me money?

It has NO DEDUCTIBLE, so the plan starts paying for your health care right away.

You get FREE PREVENTIVE CARE like routine doctor exams and screenings to keep you healthy.

What does the Essential Plan cover?

The same services covered by other plans, including:

- doctor visits, including specialists
- tests ordered by your doctor
- prescription drugs
- inpatient and outpatient care at a hospital
- and more.

Today's Agenda

1. Overview of the American Rescue Plan (ARP)

- Eligibility Factors and a Review of APTC
- APTC Change Implementation Timeline
- Coverage for Unemployed New Yorkers

2. Changes to NY State's Essential Plan

3. Assistor's Role in these Changes

Overview

The American Rescue Plan Act was signed into law on March 11th, 2021. It has three main goals:

1. Mount a national vaccination program, contain COVID-19 and safely reopen schools.
2. Deliver immediate relief to working families bearing the brunt of this crisis.
 - Sending \$1,400 per person checks to households across America.
 - Providing direct housing and nutrition assistance.
 - Expanding access to safe and reliable childcare.
 - **Increasing financial assistance for health insurance premiums.**
 - **Coverage for Unemployed New Yorkers.**
 - Giving families with kids and childless workers an emergency boost in 2021.
3. Support communities that are struggling in the wake of COVID-19 .

The American Rescue Plan **increases financial assistance for health insurance premiums.**

- It will lower health care costs by providing new and expanded financial assistance (APTC) to New Yorkers enrolling in Qualified Health Plans (QHPs) through NY State of Health.
- This enhanced assistance is available to current enrollees and new enrollees, including higher-income individuals (over 400%FPL), for the first time.

The American Rescue Plan increases APTC for people who received Unemployment Insurance in 2021.

- There is more good news about health care for New Yorkers who are eligible for Unemployment Insurance in 2021.
- If a consumer received Unemployment Insurance for at least one week in 2021, the American Rescue Plan states that they will be able to sign up for a nearly free health plan through NY State of Health for coverage that lasts for all of 2021.
- To be eligible for this plan, they cannot be eligible for other health insurance such as Medicaid, Medicare, Child Health Plus, Essential Plan or employer-sponsored coverage.

Communication is Key!

The Official Health Plan Marketplace

Dear Assistor:

We are writing to provide you with important information about how individuals currently eligible for Advance Premium Tax Credit (APTC) through NY State of Health can benefit immediately from the expanded financial assistance now available to them under the American Rescue Plan.

All individuals currently eligible for APTC in NY State of Health will be re-determined and will be eligible for more tax credits. These consumers will receive a notice in early April letting them know that their eligibility has been re-determined.

Assistors will be able to help these consumers update the amount of APTC that is applied toward their premium, or if consumers have not yet enrolled, Assistors can help consumers select a plan and apply enhanced APTC towards reducing their monthly premium. Changing the amount of APTC applied toward the premium, will lower the premium on the first day of the following month. Consumers can begin benefiting from lower premiums as early as May 1, 2021 if they take action to apply the additional APTC during April.

DOH will be sending reports to Assistor Agencies with information on these accounts which are now eligible for additional APTC, so that the Assistor can help the consumer update their account and apply the additional tax credits in order to take advantage of lower premiums.

- Click [here](#) for a demonstration of how an Assistor can help the consumer adjust the amount of APTC being applied toward their premium. Without taking this action, consumers may not benefit from these savings until June.
- Click [here](#) for more information about how NY State of Health enrollees can benefit from the American Rescue Plan.

Since Open Enrollment has been extended through the end of the year, consumers are permitted to change their QHP. NY State of Health is encouraging all health insurers to let consumers who change plans within the same insurer to carryover amounts they have spent towards the deductible and maximum out-of-pocket limit from their old health plan. However, health plans may handle these requests differently, so it is important to check with the insurer prior to changing plans.

NY State of Health will be making additional changes in June of 2021 in order to:

- Automatically apply the higher tax credit (for those who have not yet done this) without the enrollee needing to take any action.
- Enhance functionality to implement new APTC eligibility rules for consumers with income at or over 400% FPL.
- Enhance functionality to implement new rules to allow consumers who have been eligible for unemployment insurance for at least one week in 2021, a nearly free health plan through NY State of Health for coverage that lasts for all of 2021.

- To be eligible for this plan, the consumer cannot be eligible for other health insurance such as Medicaid, Medicare, or employer-sponsored coverage.

Our first recertification training for this year will be delivered on Wednesday, April 28, 2021, from 10:00am - 11:30am. This webinar will provide consolidated information on the [American Rescue Plan](#) and its effect on NY State of Health, including all of the items listed above.

An invitation to register will be sent out two (2) weeks before the live date.

Please let us know if you have any further questions. Thank you in advance for your assistance.

The Official Health Plan Marketplace

NY State of Health Announces Significant New Tax Credits are Now Available to Lower the Cost of Health Coverage

NY State of Health Begins Notifying Over 140,000 Consumers Their Tax Credits are Available and How to Claim Them!

ALBANY, N.Y. (March 31, 2021) – NY State of Health, the state’s official health plan Marketplace, today announced, increased financial assistance is now available to current and new consumers enrolling in a health plan through NY State of Health. NY State of Health began notifying consumers today of their higher tax credit amounts and how to apply them to further lower the cost of coverage. This financial assistance is being implemented as part of the [American Rescue Plan](#) signed into law on March 11, 2021.

“We are happy to share this good news with consumers. These new tax credits significantly lower the cost of health plan coverage for New Yorkers who buy through the marketplace,” said NY State of Health Executive Director, Donna Frescatore. “Current Marketplace consumers should [visit us](#) and update their tax credit information to claim these new credits. We encourage all New Yorkers who need coverage to contact the Marketplace and see what is available.”

NY State of Health system changes will be made starting today, March 31, 2021. Consumers will receive a notice and email from NY State of Health no later than April 5, 2021 letting them know the increase in amount of tax credits they will receive, and the action needed to claim them. For example, an individual earning \$35,000 will now be eligible for an additional \$120 more in monthly tax credits, lowering their monthly costs from \$278 to \$158 for the benchmark silver plan. This translates to an annual savings of \$1,200. Tax credits are also available now for New Yorkers with lower or moderate incomes who are new to the marketplace. For an individual, this is an income of up to \$51,040 per year and for a family of four, this is an income of up to \$104,800 per year.

Starting in June, the new tax credits will be available to higher-income New Yorkers for the first time, lowering health care costs for most New Yorkers who access health insurance through the Marketplace. NY State of Health will provide information about the tax credits available to higher-income tax individuals in the coming weeks.

To allow as many consumers as possible to access these enhanced tax credits, and in light of the ongoing public health emergency, the 2021 Open Enrollment Period has been extended through December 31, 2021. Consumers can apply for coverage through www.nystateofhealth.ny.gov by phone at 1-855-355-5777 and by connecting with a [free enrollment assistor](#).

To read more about how NY State of Health enrollees benefit from the American Rescue Plan, please go to <https://info.nystateofhealth.ny.gov/americanrescueplan>

The Official Health Plan Marketplace

Assistor Newsletter April 2021

SPECIAL EDITION

New, Increased Financial Assistance Now Available Through American Rescue Plan Reduces the Cost of Health Coverage for New Yorkers

NY State of Health remains committed to helping New Yorkers get affordable health coverage, and now through the new American Rescue Plan and extended Open Enrollment Period through December 2021, our assistors are more important than ever in helping current and new consumers access this financial help and enroll in a health plan.

More than 140,000 consumers who are already enrolled in coverage will receive increased tax credits, further lowering their health care costs. In addition, in June 2021, NY State of Health will for the first time expand tax credits to tens of thousands of additional New Yorkers with higher incomes who, before the American Rescue Plan, did not qualify for tax credits to lower the cost of premiums. NY State of Health will provide information about the tax credits available to higher-income tax individuals in the coming weeks.

Further details regarding the American Rescue Plan expanded tax credits and how it benefits enrollees can be found [here](#).

Spread the Word That Health Care Just Got More Affordable

Consumers are encouraged to contact NY State of Health to see what additional financial help they qualify for. We are working to reach consumers statewide through the following efforts:

- Direct-to-Consumer Email Campaign: are being sent email notifications to current enrollees and consumers who started an application inviting them to come back to the Marketplace to [update](#) their tax credit information to claim the higher tax credits. [NYSOH has developed a new webpage](#) highlighting the details for the American Rescue Plan.
- A [Consumer Fact Sheet](#) has been developed to educate consumers about the American Rescue Plan and how it lowers the cost of coverage for most New Yorkers, this fact sheet will be available in multiple languages.
- [Online tools](#): Focused on the American Rescue Plan, this toolkit has been developed to provide you with additional valuable resources to help your community. This new toolkit includes:
 - Social media posts: Easily incorporate into your existing social media platforms. Images are included.
 - A new [Fact Sheet](#): A fact sheet that answers frequently asked questions about the American Rescue Plan and what it means for New Yorkers.
 - An [Instructional Video](#): A (2-minute) video that explains how to update Advance Premium Tax Credit.

Assistor Agency Reports

DOH will be sending reports to Assistor Agencies with information on their clients’ accounts which are now eligible for additional tax credits so that the Assistor can help the consumer update their account and apply the additional tax credits in order to take advantage of lower premiums.

NY State of Health Launches NEW Ad Campaign Educating New Yorkers About New, Increased Financial Assistance Now

Today's Agenda

1. Overview of the American Rescue Plan (ARP)

- **Eligibility Factors and a Review of APTC**
- APTC Change Implementation Timeline
- Coverage for Unemployed New Yorkers

2. Changes to NY State's Essential Plan

3. Assistor's Role in these Changes

Review of APTC Eligibility

- Consumers who are eligible for Medicaid, Child Health Plus, or Essential Plan are not eligible for APTC.
- Consumers who are offered employer-sponsored Health Insurance that is considered affordable are not eligible for tax credits.
- In order to receive APTC, consumers must attest that they will file their taxes. If married, they must file jointly, with some exceptions. This is so the IRS can reconcile the APTC received based on actual income.

<ul style="list-style-type: none">• Consumers must attest that they will file taxes• If married, must file jointly unless they have a special exception	
Situation 1	Situation 2
<ul style="list-style-type: none">• Applicant meets requirements for married persons who live apart/can file as Head of Household• Applicant meets requirements for married persons who live apart/can file a 1040NR federal tax return form	<ul style="list-style-type: none">• Applicant is victim of domestic abuse• Applicant is victim of spousal abandonment

Review of APTC Calculation

This chart below demonstrates that consumers with lower income are expected to contribute less to their monthly premiums.

The Marketplace will subtract this expected premium contribution from the cost of the second-lowest silver level plan in the county and the difference will be the amount of APTC someone is eligible for.

QHP Premium Contribution with APTC		
Annual Household Income	Expected Premium Contribution	
% of FPL	% of Income	Monthly Dollar Amount
>200% - ≤ 250%	2.0% - 4.0%	\$43 - \$106
>250% - ≤ 300%	4.0% - 6.0%	\$106 - \$191
>300% - ≤ 400%	6.0% - 8.5%	\$191 - \$362
> 400%	8.5%	> \$362

*for a household of one (1) based on 2020 FPLs (Used for 2021 QHP Eligibility)

These rates are now lower than ever under the American Rescue Plan! Lower premium contribution rates mean more APTC for consumers!

- If the consumer chooses the Second Lowest Cost Silver Plan or a cheaper plan, they will not pay more than the percentage of income specified in the chart (monthly dollar amount).
- If the consumer chooses a more expensive plan, they will need to pay the amount in the chart plus the remainder of the premium cost for the plan they selected.

Review of APTC Use

Applicants can choose how their credit is applied:

- Individuals may apply all their APTC toward a QHP's monthly premium to lower the monthly cost of having insurance.
- Individuals can wait until they file taxes and receive the credit all at once.
- Individuals may also choose to split their tax credits by receiving some each month and some at tax time.
- Individuals may change their user selected APTC amount at any time. This change takes effect the first of the following month.

Today's Agenda

1. Overview of the American Rescue Plan (ARP)

- Eligibility Factors and a Review of APTC
- **APTC Change Implementation Timeline**
- Coverage for Unemployed New Yorkers

2. Changes to NY State's Essential Plan

3. Assistor's Role in these Changes

APTC Change Implementation Timeline

- Phase 1: April 2021

- Phase 2: June 2021

Dear Assistor:

We are writing to provide you with important information about how individuals currently eligible for Advance Premium Tax Credit (APTC) through NY State of Health can benefit immediately from the expanded financial assistance now available to them under the American Rescue Plan.

All individuals currently eligible for APTC in NY State of Health will be re-determined and will be eligible for more tax credits. These consumers will receive a notice in early April letting them know that their eligibility has been re-determined.

Assistors will be able to help these consumers update the amount of APTC that is applied toward their premium, or if consumers have not yet enrolled, Assistors can help consumers select a plan and apply enhanced APTC towards reducing their monthly premium. Changing the amount of APTC applied toward the premium, will lower the premium on the first day of the following month. Consumers can begin benefiting from lower premiums as early as May 1, 2021 if they take action to apply the additional APTC during April.

DOH will be sending reports to Assistor Agencies with information on these accounts which are now eligible for additional APTC, so that the Assistor can help the consumer update their account and apply the additional tax credits in order to take advantage of lower premiums.

- Click [here](#) for a demonstration of how an Assistor can help the consumer adjust the amount of APTC being applied toward their premium. Without taking this action, consumers may not benefit from these savings until June.
- Click [here](#) for more information about how NY State of Health enrollees can benefit from the American Rescue Plan.

Since Open Enrollment has been extended through the end of the year, consumers are permitted to change their QHP. NY State of Health is encouraging all health insurers to let consumers who change plans within the same insurer to carryover amounts they have spent towards the deductible and maximum out-of-pocket limit from their old health plan. However, health plans may handle these requests differently, so it is important to check with the insurer prior to changing plans.

NY State of Health will be making additional changes in June of 2021 in order to:

- Automatically apply the higher tax credit (for those who have not yet done this) without the enrollee needing to take any action.
- Enhance functionality to implement new APTC eligibility rules for consumers with income at or over 400% FPL.
- Enhance functionality to implement new rules to allow consumers who have been eligible for unemployment insurance for at least one week in 2021, a nearly free health plan through NY State of Health for coverage that lasts for all of 2021.

- To be eligible for this plan, the consumer cannot be eligible for other health insurance such as Medicaid, Medicare, or employer-sponsored coverage.

Our first recertification training for this year will be delivered on Wednesday, April 28, 2021, from 10:00am - 11:30am. This webinar will provide consolidated information on the [American Rescue Plan](#) and its effect on NY State of Health, including all of the items listed above.

An invitation to register will be sent out two (2) weeks before the live date.

Please let us know if you have any further questions. Thank you in advance for your assistance.

Implementation Timeline

April 2021 200% - 400% FPL

Starting in early April, individuals with low and moderate incomes became eligible for higher tax credits.

- All consumers currently eligible for APTC were re-determined and became eligible for *more* tax credits.
- These consumers received a notice and an email informing them of their higher APTC amount.
- Action must be taken on these accounts to apply the APTC toward the QHP premium.

To Change the Amount of APTC Applied:

Select the “Plans” tab from the Account Dashboard. Click the “Change APTC Amount” button under “Submitted Enrolment”

On the Plan Selection Introduction page, click “Next”

On the “Plan Selection Dashboard” click the “Review Plan Selections” button

Change the amount of APTC applied, check the box at the bottom of the page, and click the “Confirm Plan Selections” button

Receive confirmation of the change

Current NY State of Health Enrollees Who Receive Financial Assistance

Existing enrollees can get larger tax credits. Low and moderate-income individuals (income up to \$51,040 for an individual and \$104,800 for a family of four) who were previously eligible for tax credits are now eligible for higher tax credits. These individuals can update their tax credit amount online or through Customer Service. Starting in June, NY State of Health will automatically apply the higher tax credit without the enrollee needing to take any action. Enrollees can also update their tax credit amount by logging into their NY State of Health Account, contacting an Enrollment Assistant, or calling 1-855-355-5777.

- The amount of the tax credit is based on the enrollee's income. (For example, an individual with income of \$30,000 is eligible for a tax credit of \$359 per month, or \$4,308 per year, but now is eligible for a tax credit of \$400 per month, or \$4,800 per year.)

<https://info.nystateofhealth.ny.gov/americanrescueplan>

NY State of Health is working to make these increased tax credits available to you as soon as possible. We will send you a letter with your new, larger tax credit amount in early April.

Follow the instructions in the letter to tell us how much you want to apply to your monthly premium cost. After you do this, your changes will start on the first day of the following month.

- [Click here to watch a video that explains how to change the amount of premium tax credit applied to your account each month.](#)

If you have questions, you can get help:

- By calling the NY State of Health Customer Service Center at 1-855-355-5777, or
- From a local Enrollment Assistant. Find one at <https://info.nystateofhealth.ny.gov/findassistant>.

June 2021 200% - 400% FPL

Consumers who were re-determined in April and have not acted will have additional APTC applied automatically by the system in May and the premium change will take effect for June 1st coverage.

- Consumers will be able to “opt out” of the automatic application of additional APTC.
- APTC enrollees who had not previously applied 100% of their APTC toward their premium will be adjusted based on the percentage of APTC that they previously applied.
 - Example:** A married couple at 315% FPL was eligible for \$1,200 per month in APTC but only applied \$600 per month toward their QHP.
 - When NY State of Health re-determined their eligibility in April, they became eligible for \$1,600 per month in APTC but took no action.
 - In June, NY State of Health will automatically apply \$800 in APTC toward the QHP premium, maintaining 50% of the APTC originally applied.
- Retroactive APTC (back to January 1, 2021) will not be available in NY State of Health. Consumers will be able to claim unused PTCs when they file their taxes for the 2021 tax year.

Implementation Timeline

June 2021 Above 400% FPL

In June 2021, NY State of Health will, for the first time, **expand tax credits** to tens of thousands of additional **New Yorkers with higher incomes** who, before the American Rescue Plan, did not qualify for financial assistance.

- Starting in June, APTC will be available for individuals and families over 400% FPL.

Examples:

An individual in Kings County earning \$55,000 per year (430% of FPL) would receive over \$230 per month (\$2,800 per year) in APTC.

An individual with an income of \$64,000 per year (501% of FPL) in Nassau county, will now qualify for \$144 per month in APTC.

QHP Premium Contribution with APTC

Annual Household Income		Expected Premium Contribution		
% of FPL	Income Amount*	% of Income	Annual Dollar Amount	Monthly Dollar Amount
> 400%	> \$51,040	8.5%	> \$4,338	> \$362

*for a household of one (1) based on 2020 FPLs (Used for 2021 QHP Eligibility)

APTC Expansion Overview

The expected premium contribution has been reduced under the American Rescue Plan.

- Prior to the law, individuals may be required to contribute up to 9.83% of household income. Now, anyone over 400% FPL will have a maximum income contribution of 8.5%.
- Tax credits are available to higher income families for the first time ever.
- 8.5% of income is the cap for 2021 and 2022.
- All APTC eligible consumers may claim retroactive PTCs (back to January 2021) when they file their taxes for the 2021 tax year.
 - In order to be eligible for retroactive PTC, the consumer must have been enrolled in a QHP through NY State of Health.

In summary, APTC eligibility has expanded to higher income earners and subsidies have been expanded for lower and middle-income earners.

APTC Expansion Overview

The American Rescue Plan also helps NY State of Health enrollees who received tax credits in 2020 to lower the cost they paid each month.

- Under the American Rescue Plan, for tax year 2020, individuals will not owe a repayment if their actual income was higher than what they estimated it would be when they enrolled in coverage.
- The IRS will reimburse enrollees who have already repaid any excess APTC on their 2020 tax return.
 - Taxpayers who received a letter about a missing Form 8962 should disregard the letter if they have excess APTC for 2020.
- If a consumer has not yet filed and would have owed for excess APTC, the IRS will process tax returns without Form 8962 for tax year 2020 and reduce the excess APTC repayment amount to zero.
- The process remains unchanged for taxpayers claiming a net PTC (i.e., the consumer is owed money) for 2020. They must file Form 8962 when they file their 2020 tax return.

Source: <https://www.irs.gov/newsroom/irs-suspends-requirement-to-repay-excess-advance-payments-of-the-2020-premium-tax-credit-those-claiming-net-premium-tax-credit-must-file-form-8962>

Important: NY State of Health does not offer tax advice. Please visit www.irs.gov for more information.

Poll Question #1

1. Which group of consumers are now eligible for more APTC in NY State of Health due to the American Rescue Plan?
 - A. Consumers eligible for APTC with household incomes between 200% – 250% FPL.
 - B. Consumers eligible for APTC with household incomes between 250% – 300% FPL.
 - C. Consumers eligible for APTC with household incomes between 300% – 400% FPL.
 - D. Consumers eligible for APTC with household incomes above 400% FPL.
 - E. All of the Above.

QHP Premium Contribution with APTC			
Annual Household Income		Expected Premium Contribution	
% of FPL	Income Amount*	Beginning of 2021 % of income	After ARP % of Income
>200% - ≤ 250%	\$25,520 - \$31,900	6.52% - 8.33%	2.0% - 4.0%
>250% - ≤ 300%	\$31,900 - \$38,280	8.33% - 9.83	4.0% - 6.0%
>300% - ≤ 400%	\$38,280 – \$51,040	9.83% - 9.83%	6.0% - 8.5%
> 400%	>\$51,040	Not eligible	8.5%

*for a household of one (1) based on 2020 FPLs (Used for 2021 QHP Eligibility)

Coverage for Unemployed New Yorkers

There are different types of Pandemic Unemployment Benefits and not all consumers count this as income under MAGI.

Unemployment Assistance	
Unemployment Insurance Benefits (UIBs)	This benefit must be added as household income for any consumer who is receiving it.
Extension of Pandemic Unemployment Assistance	This benefit must be added as household income for any consumer who is receiving it.
Extension of Federal Pandemic Unemployment Compensation	In 2021, if the consumer does not have children and their household income is more than \$25,760 for a single individual or \$34,840 for a couple, then this compensation must be added as household income.
Extension of Pandemic Emergency Unemployment Compensation	This benefit must be added as household income for any consumer who is receiving it.
Suspension of Tax on Portion of Unemployment Compensation	Suspension of tax on part of 2020 UIB has no impact on MAGI determinations in 2021 and beyond.

Coverage for Unemployed New Yorkers

If the consumer adds their Pandemic Unemployment Benefit to their NY State of Health application as income (see rules on previous slide), this income should be added as “Additional Income.” Choose “Other Income” from the drop-down menu and then type in the type of Pandemic UIB the consumer is receiving, along with the amount and applicable dates.

Additional Income

NY State of Health also needs to know about other income you and your family will have received during the coverage year.

This may include income from a pension, investments, tax-exempt interest, some lump sum payments, alimony received, or other types of income. Money from alimony or spousal maintenance received as part of a divorce or separation, if it was finalized or modified before January 1, 2019, must be included. If your divorce or separation was finalized or modified on or after January 1, 2019, then that income does not need to be included.

You do not have to tell us about some income sources such as child support, Veterans Payments, worker's compensation, Supplemental Security Income (SSI), or gifts/inheritances.

What other types of income should not be included?

Has anyone in your household received? or does anyone expect to receive? any additional income in 2020?

Yes No

Please tell us who in the household received ? or expects to receive ? additional income from other sources. This amount should include additional income already received, along with additional income your household expects to receive, between January 1 and December 31, 2020.

You may see information listed about additional income you and your family received in 2020.

Click on Edit to tell us how much you receive from this source.
Click on Remove to delete this income source.
Click on Add Additional Income to include income from other sources.

June 2021

Unemployment and a Nearly Free Health Plan

In June of 2021, NY State of Health will also enhance functionality to implement new rules to allow consumers who have been eligible for unemployment insurance for at least one week in 2021, a nearly free health plan through NY State of Health for coverage that lasts through the end of 2021.

- NY State of Health will identify individuals who qualify for this benefit and will send them an email or notice informing them of the benefit.
- **Consumers will need to take action** – enroll (if not already) and elect the tax credits - to receive this benefit.
- To be eligible for this plan, the consumer cannot be eligible for other health insurance such as Medicaid, Medicare, Child Health Plus, Essential Plan or (affordable) employer-sponsored coverage.

Poll Question #2

2. You have been working with Dale, a single father, for three years. He always wanted coverage for his children, because dependent coverage through his job was unaffordable. When you meet with Dale, he tells you that he lost his job in late 2020, due to the pandemic. As of this month (April 2021), he is still unemployed and asks you if he might be eligible for health insurance. What could you do to assist him?
- A. Tell him that he is not eligible for any program in NY State of Health if he is unemployed.
 - B. Use the NY State of Health plan cost estimator tool online to help him see his options.
 - C. Tell him that he might be eligible for a nearly free health plan due to receiving Unemployment Insurance in 2021. Ask if he is interested in applying.
 - D. Tell Dale that he does not have to count Unemployment Benefits toward his income in NY State of Health so he can automatically enroll in Medicaid.

Today's Agenda

1. Overview of the American Rescue Plan (ARP)

- Eligibility Factors and a Review of APTC
- APTC Change Implementation Timeline
- Coverage for Unemployed New Yorkers

2. **Changes to NY State's Essential Plan**

3. Assistor's Role in these Changes

Implementation Timeline

June 2021

1. Essential Plan 1 premium of \$20 per person per month will be eliminated.
2. All Plans will include Vision and Dental coverage at no cost to the consumer.

No action
needed for the
consumer!

**Essential Plan

Removal of EP Premium Responsibility

Essential Plan 1 will no longer have a premium cost of \$20 per person per month.

NY State of Health is removing the \$20 consumer premium responsibility for Essential Plan 1.

- Consumers will receive notifications from NY State of Health about the change in premium.
- For current enrollees, bills received in May which are for June 1st coverage will be reduced to \$0.

FAST FACTS ON The Essential Plan

NEW IN 2021: \$0 PREMIUM AND ALL PLANS INCLUDE VISION AND DENTAL.

How do I enroll?

- 1 nystateofhealth.ny.gov OR
- 2 1-855-355-5777 or TTY: 1-800-662-1220 OR
- 3 Through free in-person help from a certified assister near your home or work.

Can you help me in my own language?

Assistance is available in your language by phone and in person.

When can I enroll?

Enrollment for the Essential Plan is open all year long.

NY State of Health complies with applicable Federal civil rights laws and state laws, and does not discriminate on the basis of race, color, national origin, creed, religion, sex, age, marital/family status, arrest record, criminal conviction(s), gender identity, sexual orientation, predisposing genetic characteristics, military status, domestic violence victim status and/or retaliation.

What is the Essential Plan?

A health plan for New Yorkers with no premium for those who qualify. And it offers the same essential benefits.

Who can buy it?

Lower-income people who don't qualify for Medicaid or Child Health Plus.

Household size	Most you can make
1	\$25,760
2	\$34,840
3	\$43,920
4	\$53,000

How much does it cost?

The monthly premium is \$0 for those who qualify.

How else does it save me money?

It has NO DEDUCTIBLE, so the plan starts paying for your health care right away.

Dental and vision benefits are included without cost-sharing.

You get FREE PREVENTIVE CARE like routine doctor exams and screenings to keep you healthy.

What does the Essential Plan cover?

The same services covered by other plans, including:

- doctor visits, including specialists
- tests ordered by your doctor
- prescription drugs
- inpatient and outpatient care at a hospital
- and more.

The NYS Essential Plan (EP) will *now* include Vision and Dental benefits embedded in all plans.

- NY State of Health is adding vision and dental to Essential Plan 1 and 2.
 - Already included in Essential Plan 3 and 4.
- Current EP 1 and 2 enrollees who did not previously purchase vision and dental will begin to have coverage for these services starting June 1, 2021.
- Current EP 1 and 2 enrollees paying for vision and dental services will have these benefits continued unchanged but will no longer pay a premium beginning June 1, 2021.
- There will be no cost sharing for vision and dental benefits.

Essential Plan Vision and Dental Benefits, Continued...

- Consumers will receive notices on these changes from their health plans.
- Some consumers will be able to use their current health plan card to access the vision and dental benefits. Others may be issued a new health plan card.
 - Consumers should check with their current plan to find out if they need a new health plan card for medical, dental, and vision.

Essential Plan Vision and Dental Benefits, Continued...

- Consumers will have the option to keep their separate dental coverage through a Stand Alone Dental Plan (SADP) in addition to their EP coverage.
- EP members who elect to keep their SADP should be advised that:
 - their EP coverage through their health plan will begin covering dental services at no cost starting on June 1, 2021.
 - they will need to continue to pay the monthly premium for this SADP coverage and may still have cost sharing for these services.

Poll Question #3

3. Carla and Juan recently moved upstate and must choose a new CHPlus plan for their children. The children are in the CHPlus \$9 premium category and the family is at 165% FPL. On the application, only the children are marked as needing health insurance. You know that EP 1 covers individuals from 150% - 200% FPL and that Carla and Juan might be eligible. Also, EP 1 now has no premium. They are new to you and you are not even sure if they need health insurance for themselves. What is the best way to proceed?
- A. Help them to select the new CHPlus plan for their children and do not provide unwarranted information.
 - B. Explain the Essential Plan program and tell them they must apply.
 - C. Let them know that many changes have been made in NY State of Health and that if they wanted, they could apply to see if they might be eligible for a free, or reduced cost health plan. Find out if they would like to consider updating their application and applying for health insurance for themselves?
 - D. Explain that adults are automatically eligible for Essential Plan at their income, and that they should apply and enroll in this free plan right away.

Need Health Insurance? * 

Yes No

Today's Agenda

1. Overview of the American Rescue Plan (ARP)

- Eligibility Factors and a Review of APTC
- APTC Change Implementation Timeline
- Coverage for Unemployed New Yorkers

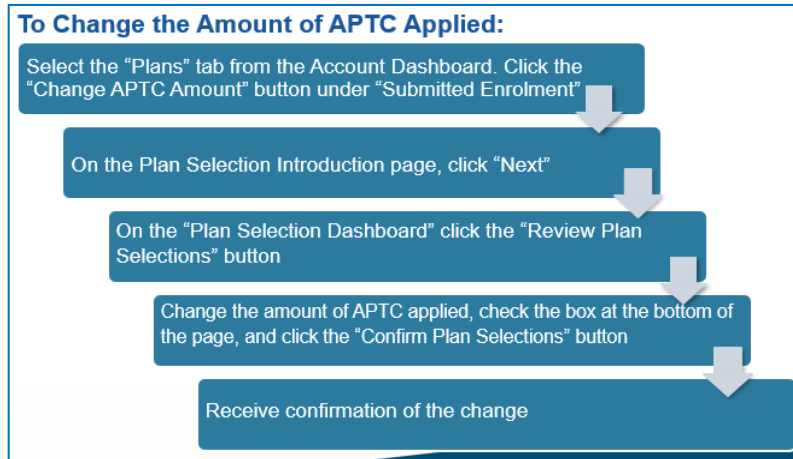

2. Changes to NY State's Essential Plan 1

3. **Assistor's Role in these Changes.**

Role of Assistors

It is crucial to note that ***NY State of Health cannot automatically apply*** additional APTC to any consumer's premium until June.

- Many consumers are eligible now for more APTC and likely want to utilize this additional APTC to lower their premiums right away. Assistors can help them do this.
- Taking these steps to increase the amount of APTC applied, will lower the consumer's QHP premium on the first day of the following month.
- Assistors will be instrumental in helping consumers apply APTC immediately.
- Here's how to help:

Role of Assistors

- Consumers whose eligibility was re-determined in April and have not acted by May 15th will have additional APTC applied automatically by the system.
- The premium change will take effect for June 1st coverage.
 - If the consumer “touched” their account after they were redetermined in April but did not change their APTC applied, NY State of Health will identify this and will not automatically apply additional APTC to the account.
- Consumers can change the amount of tax credit applied toward their premium at any time.

Role of Assistors

Some consumers may have been eligible for APTC in the past but have not enrolled in NY State of Health. Many of these individuals will be eligible for additional subsidies under the American Rescue Plan.

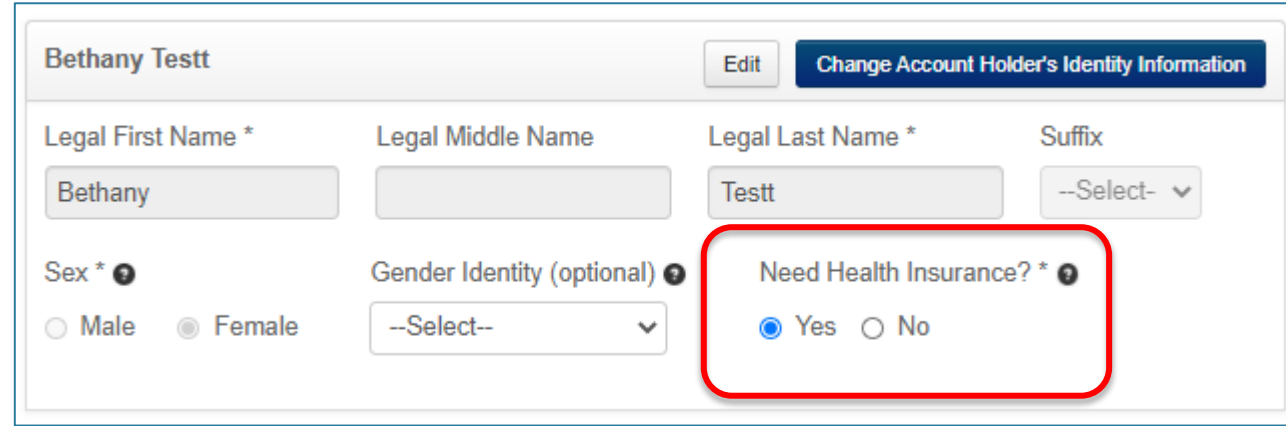

- Assistors are knowledgeable on the changes and able to help consumers understand what this additional APTC could mean for them (lower premiums) when reviewing QHP plan options.
- On April 9, 2021 – Two (2) reports were sent to Assistor Agencies containing a list of accounts with members who are currently eligible for APTC.
 - **Report #1** – Shows accounts where a consumer is already enrolled but now eligible for more APTC. Assistors should use this list to proactively outreach to these consumers to update the amount of APTC that is applied toward their premium.
 - **Report #2** - Shows accounts where a consumer is not enrolled. Assistors should use this list to proactively outreach to inform these consumers that they are eligible for additional APTC that was not available to them when they were originally determined eligible. The added financial assistance may encourage the consumer to enroll now.

Updating the Application

Do you want help paying for health coverage?* 

Yes No

Bethany Testt Edit Change Account Holder's Identity Information

Legal First Name * Legal Middle Name Legal Last Name * Suffix

Sex * Male Female Gender Identity (optional)

Need Health Insurance? * Yes No

- Selecting “No” for “Do you want help paying for health coverage” means that the household can only become eligible for a Full-Pay QHP and will not be evaluated for APTC or other programs.
- Selecting “No” for “Need Health Insurance” means that this individual household member is not seeking coverage and will not be evaluated for subsidies.
- We are urging these consumers to update their applications and mark “Yes” to these questions, as appropriate, to see if additional APTC or elimination of the Essential Plan premium may entice them to enroll.
- Once they change their answer to “Yes,” they may need to answer additional questions that were not previously presented to them about their income, other health insurance availability, etc....

Extended Open Enrollment

The 2021 Open Enrollment Period has been extended through the end of this year. This gives people the opportunity to apply for the first time, update their application or change plans.

- Applying or updating their application will likely result in more tax credits for those currently and newly eligible.
- This ongoing Open Enrollment Period extension will allow as many consumers as possible to access these enhanced tax credits, while taking into consideration the ongoing public health emergency.

Due to the extended Open Enrollment and the availability of American Rescue Plan enhanced tax credits, consumers who change plans will be “held harmless.”

- NY State of Health is requiring all health insurers to let consumers who change plans within the same insurer to carryover amounts they have spent towards the 2021 deductible and maximum out-of-pocket limit from their old health plan.

Essential Plan Premiums

Eliminating the \$20 premium for EP 1 enrollees was not a part of the American Rescue Plan but the timing of this change is one more step that makes coverage more affordable for New Yorkers.

- NY State of Health Assistors should work with consumers to see if the premium reduction to \$0 might entice them to enroll.
- Assistors are knowledgeable on the Essential Plan. It has no deductible and free preventive care. It costs much less than other health plans and offers the same essential benefits such as:
 - doctor visits, including specialists;
 - tests ordered by your doctor;
 - prescription drugs;
 - inpatient and outpatient care at a hospital;
 - **As of June 1, 2021: vision and dental benefits with no cost-sharing;**
 - and more.

Questions?

Email Contacts

All Assistors

- If you have general Assistor training questions, or questions about this specific training, please send them to: Eligibility.Training.Support@health.ny.gov.
- If you have a case specific question that you have already discussed with your supervisor or program manager, the issue should be submitted on an encrypted Account Review Spreadsheet to: Assistor.Cases@health.ny.gov.
- If you need help with your Assistor account or Oversight Manager account, or if your agency needs to report staff changes, please send an email to: Assistor.Admin@health.ny.gov.
