Your right to appeal

If I think the Marketplace has made a mistake, I can appeal its decision. To appeal means to tell someone at the Marketplace that I think the decision is wrong and to ask for a fair review of the decision. I know that I can find out how to appeal by calling 1-855-355-5777. I know that I can have someone other than myself represent me in my appeal. Information about whether I qualify, as well as other important information, will be explained to me. I understand that a change in my information could affect whether people in my household qualify for health insurance.
