## PREMIUM TAX CREDITS: How To Get Them

There are two ways to get Premium Tax Credits:

Advance Premium Tax Credits (APTC)

- When you apply for financial assistance through NY State of Health. The APTC reduces the monthly premium during the year
- Based on the <u>estimated income</u> provided at the time of enrollment and any changes reported during the tax year
- Must be reconciled with the IRS on federal tax return using Form 8962 based on actual income

#### Premium Tax Credits (PTC)

- When you file your federal tax return at the end of the year
- Based on <u>actual income</u> during the tax year
- May be claimed on federal tax return using Form 8962

# PREMIUM TAX CREDITS: ELIGIBILITY CRITERIA

- Be an "Applicable Tax Payer" as defined by the IRS
   □ Income ≥100% and ≤ 400% FPL
  - Cannot be claimed as a dependent on another person's tax return
     If married, file taxes jointly (some exceptions)
- Be enrolled in coverage through NY State of Health for at least one month during the tax year
  - □ Enrolled in a Bronze, Silver, Gold or Platinum (not Catastrophic plan)
  - No access to other Minimum Essential Coverage (MEC)
  - Pay premiums owed for each enrollment month that APTC or PTC is claimed
- If you received APTC in any previous coverage year, you must have reconciled that APTC on your federal tax return in order to be eligible for APTC in the future

#### NOTE:

- The EHB portion of premiums may be slightly different than the actual premium paid to the carrier on a monthly basis.
  This is because financial assistance in the form of APTC or PTC can only be used to offset the cost of essential health benefits (not any other benefits that may be included in the plan)
- Also, for consumers who enrolled in a QHP and a SADP, the EHB portion of both of those premiums are added together and the total is the Monthly Premium Amount listed in column A. Remember APTC only applies to the EHB portion of the premium - additional benefits (eg., adult dental) are separate

## FORM 1095-A (SLCSP)

In Part III, the SLCSP premium is only populated on the form when APTC was used during the year.

- For Forms 1095-A with no APTC, recipients need to look up their monthly SLCSP premiums
- NY State of Health will include a table of SLCSP premiums along with the 1095-A form. This form will also be available at the NY State of Health website
- Within the SLCSP table, note that there are different premiums applicable to households with Dependent Children Under Age 26 and households with Dependent Children Ages 26-29
  - □ This variation applies only to consumers that fall into the coverage tiers of either "Individual and Children" or "Couple and Children"
  - □ Please review the column headings carefully!

# **APTC RECONCILIATION**

- The amount of APTC is based on <u>estimated</u> 2020 income
- PTC is the amount of tax credits an individual is eligible for based on <u>actual</u> 2020 income
- APTC taken by an individual during the tax year is compared to the PTC based on the <u>actual</u> 2020 income using IRS Form 8962
  - If your total PTC from IRS Form 8962 is LESS than your advance PTC, you might have to give back some of the tax credit in the form of higher taxes or a smaller refund
  - If your total PTC from IRS Form 8962 is MORE than your advance PTC, you might get more financial help in the form of a larger refund or lower taxes

## FINANCIAL ASSISTANCE: RECONCILIATION

- Only APTC is reconciled
  - □ APTC is <u>only</u> reconciled with the IRS
  - APTC is <u>not</u> reconciled with NY State of Health or health insurers
- There is no reconciliation for Cost Sharing Reductions

# PREMIUM TAX CREDITS: CONSIDERATIONS

- Taking APTC or claiming PTC is optional for consumers
- A federal tax return must be filed by individuals who received APTC or want to claim PTC
  - Enrollees who received APTC or wish to claim PTC must file Form 1040, Form 1040A, or Form 1040NR and attach Form 8962 (explained later)
  - □ Form 8962 cannot be filed with Form 1040EZ, 1040NR-EZ, Form 1040-SS or Form 1040-PR

# EXAMPLE 1: ADDITIONAL TAX CREDIT DUE TO ENROLLEE

- Juan is an unmarried adult with no dependents. He lives in Queens and was enrolled in a Qualified Health Plan for 12 months in 2020
- When Juan signed up for coverage, he estimated his 2020 income to be \$28,000 (224%FPL)

□ He was eligible for an APTC of \$447.58 per month and used the full amount towards his premium, for an annual total of \$5,370.96

- When Juan completes his federal tax return, his actual 2020 income was \$25,400 (203%FPL)
  - The amount of PTC he is eligible for based on actual income is \$479.17 per month or \$5,750.04 for the year

# EXAMPLE 1: ADDITIONAL TAX CREDIT DUE TO ENROLLEE

\$ 5,750.04 amount of PTC Juan is eligible for\*- \$ 5,370.96 amount of APTC Juan used.

+ **\$379.08** Additional credit of \$379.08 will be claimed on Juan's federal tax return.

\* Calculated with Form 8962 (discussed later).

### APTC RECONCILIATION: REPAYMENT CAP

- When enrollees apply more APTC than they were eligible for based on actual income, they will have to repay some or all of the tax credit
- However, there is a limit on the amount that has to be repaid if household income is less than 400% FPL

	Maximum Repayment Amount			
HH income as FPL%	Single Taxpayer	All other Filing Statuses		
< 200%	\$325	\$650		
≥ 200% - < 300%	\$800	\$1,600		
≥ 300% - < 400%	\$1,350	\$2,700		
≥400%	No cap, must pay back all credits	No cap, must pay back all credits		

# EXAMPLE 2: REPAYMENT OF APTCS

- Christine is an unmarried adult with no dependents, living in Albany. She was enrolled in a QHP for 12 months in 2020
- When Christine signed up for coverage, she estimated her 2020 income to be \$26,000 (208%FPL)
  - □ She was eligible for an APTC of \$421.27 per month and used the full amount towards her premium, for an annual total of \$5,055.24
- When Christine completes her federal tax return, her actual 2020 income is \$33,000 (264%FPL)
  - The amount of PTC she is eligible for, based on actual income, is \$328.64 per month or \$3,943.68 for the year

# EXAMPLE 2: REPAYMENT OF APTCS

- \$ 3,943.68 amount of PTC Christine is eligible for\$ 5,055.24 amount of ATPC Christine used
- \$1,111.56 Difference between PTC eligible for and APTC used
  - \$800.00 Repayment cap for single adults ≥200% FPL – 300% FPL
    - Christine will re-pay this amount to the IRS through her federal tax return
    - The process for calculating the excess credit will be discussed later

#### FORM 1095-A

- 2020 forms are mailed to all enrollees by January 31, 2021 (form is mailed regardless of whether consumer previously opted for electronic only notices)
- Available to account holders in their secure inbox
- Includes cover letter to explain Form 1095-A and how to get assistance
- Cover letter available in English and Spanish
- Taglines for assistance in 27 languages

#### PROCESS TO RECONCILE APTC AND CLAIM PTC

Step 1:

NY State of Health sends 2020 enrollment information to QHP enrollees in January 2021

- Form 1095–A from NY State of Health

Step 2: Consumers reconcile APTC or claim PTC on their federal tax return during tax filing season - Use Form 1095-A from NY State of Health to complete IRS Form 8962

Step 3:

Consumers who took APTC or are claiming PTC must file their federal tax returns with the IRS during tax filings season - IRS Form 1040 and IRS Form 8962

#### FORM 1095-A: RECIPIENTS

- For QHPs with APTC, NY State of Health sends one form per policy, per tax household
  - □ If the account has one tax household enrolled in the policy, the account holder will be sent one form
  - □ If the account has two tax households enrolled in one policy, the primary tax filer from each tax household will receive a form
- For QHPs without APTC, NY State of Health sends one form per policy, even if enrollees are in different tax households
  - □ Form 1095-A is sent to the account holder

# RECIPIENT EXAMPLE

Jane and John are married filing jointly. They enrolled in a QHP for 12 months, with APTC in each month.

• One Form 1095-A will be sent to Jane, who is the account holder. The form will include both Jane's and John's enrollment information

Jane and John also enrolled Mary, their 25 year old daughter, in their family policy. Mary is not a dependent and is in a separate tax household.

- One Form 1095-A will be sent to Jane. It will have both Jane's and John's enrollment information
- One Form 1095-A will be sent to Mary. It will have only her enrollment information

#### FORM 1095-A: MULTIPLE FORMS

Multiple forms will be issued if:

- The household used tax credits for some months and did not use tax credits for other months
- There is a change in primary subscriber for the policy
- There is a change in health plan
- Different members of the household were enrolled in different plans
- The household enrolled in one plan, dis-enrolled and then re-enrolled in the same plan

### MULTIPLE FORMS EXAMPLE

Mark and Mei enrolled in a full cost QHP in January and February. They changed plans starting in March.

- Mei, the account holder, will receive one Form 1095-A, with enrollment information for herself and Mark, for the months of January and February
- Mei will receive a second Form 1095-A for herself and Mark for the months of March through December

## MULTIPLE FORMS EXAMPLE

Crystal and Jamal were enrolled in a QHP with APTC from January through March, and became ineligible for APTC for the rest of their 2020 enrollment period.

 Crystal is the account holder and will receive one Form 1095-A for the enrollment period of January – March and a second Form 1095-A for the rest of their 2020 enrollment period. Both forms will have enrollment information for Crystal and Jamal

# FORM 1095-A: APTC & GRACE PERIODS

- Enrollees are only eligible for APTC in months in which they paid their share of premiums
- If an insurer provided coverage for a month that an enrollee did not pay his or her share of the premium, the enrollee has to pay back the PTC that was paid to the insurer for that month

# FORM 1095-A: APTC & GRACE PERIODS

#### **Example:**

January 2020:	Helen and Maurice enrolled in a health plan with financial assistance.
January – May 2020:	They paid their share of the premium each month.
June 2020:	They did not pay their premium for June. They started the 90 day grace period. APTC was paid to the health plan for June.
September 2020:	They did not pay the premium for June and consistent with federal rules, were retroactively terminated from the plan on May 31st. They were not eligible for APTC for June because they did not pay their premium.

They are required to repay their June APTC to the IRS when they file their annual taxes. APTC was not paid to the health plan after June, so the repayment obligation is only for one month.

# FORM 1095-A: APTC & GRACE PERIODS

3 Annual Totals	\$4,000	\$5,000	\$3,600

NY State of Health must enter '0' in Columns A and B for the month of June during which Helen and Maurice were covered but did not pay the premium.

nystateofhea

When filing their taxes, Helen and Maurice must reconcile the APTC paid on their behalf between January and May. Since they were not eligible for APTC during the month of June, Helen and Maurice are responsible for repaying the entire APTC paid on their behalf for that month.

Whether an individual had health insurance coverage for the year is no longer a question on the tax return.

• <u>NY State of Health does not advise consumers on whether they need</u> <u>to file taxes.</u> If a consumer asks if he or she needs to file a tax return, refer the consumer to the IRS website (www.IRS.gov) or their tax professional
