Individual Market
2017 Qualified Health Plans

- A total of 14 health insurers will offer Qualified Health Plans in the individual market in 2017
- All of the same insurers as in 2016
- One change for 2017:
  - Wellcare withdrew from New York’s individual insurance market for 2017 and will not offer QHP coverage in 2017
  - This affects fewer than 1,000 QHP enrollees
2017 QHPs
Individual and Small Business
2017 QHPs

Small Business Market
### Small Business Marketplace Value for Small Employers

| **Choice** | 74% of our 3,217 NYSOH employer groups offer two or more health plans to their employees. A key advantage to using the NYSOH Marketplace is the plan choice it provides to both employers and employees. |
| **Contribution Options** | The average NYSOH employer contributes 72% towards the cost of coverage. |
| **Administrative Simplicity** | The Marketplace provides monthly billing to employers along with other administrative simplifications. |
| **Tax Credits** | The Marketplace is the exclusive place to access small business tax credits |

# At a Glance - QHP

**HOW MUCH DOES A QUALIFIED HEALTH PLAN (QHP) COST?**

**MONTHLY PREMIUMS:** The price you pay each month will depend on the plan you pick. Many people are eligible for tax credits which lower your monthly cost. Individuals earning up $47,080 a year and a family of 4 earning up to $97,000 may be eligible for tax credits.

**COST SHARING:** Cost sharing is the amount you pay when you get a healthcare service. Some people are also eligible to get help paying for these costs, based on their income. Below are examples of the QHP cost sharing level for standard plans offered at four levels. Other plans are available with different cost sharing and additional covered services.
