THE ESSENTIAL PLAN

The Essential Plan is just right for many individuals with lower incomes.

For some, it costs less than a dollar a day. For others, there is no cost.

AND THERE IS NO DEDUCTIBLE, so the plan starts paying for your health care right away.

THE ESSENTIAL PLAN OFFERS THE SAME QUALITY BENEFITS AS OTHER HEALTH PLANS

Doctor visits, including specialists

Tests ordered by your doctor

Prescription drugs

Inpatient and outpatient care
at a hospital

Under the Essential Plan, the portion you pay for each health service – your co-payment – is also very low, sometimes \$0.

And preventive services are free, including routine doctor exams and screenings.

Sign up for the Essential Plan today.
Enrollment is open **ALL YEAR LONG**.
