**NY State of Health Private Pay Home Care Services Pilot Program: Phase Two  
LHCSA Training  
May 6, 2022**

**Instructions.** Please provide a description of the continuing education offered to home care workers providing personal care, and home health aide services by your agency in 2021 and/or 2022. Include samples of training materials used. Also include the number of staff who have completed this continuing education training in 2021/2022 as well as the LHCSA's policy if there are deficiencies with home care workers not completing or passing the required training.
