

SECTION VI

Preventive Care

Please refer to the Schedule of Benefits section of this [Contract; Policy] for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

{Drafting Note: HMOs and gatekeeper EPO products may not impose preauthorization requirements on the member for in-network coverage.}

Preventive Care.

We Cover the following services for the purpose of promoting good health and early detection of disease. Preventive services are not subject to Cost-Sharing (Copayments, or Coinsurance) when performed by a Participating Provider and provided in accordance with the comprehensive guidelines supported by the Health Resources and Services Administration ("HRSA"), or if the items or services have an "A" or "B" rating from the United States Preventive Services Task Force ("USPSTF"), or if the immunizations are recommended by the Advisory Committee on Immunization Practices ("ACIP"). However, Cost-Sharing may apply to services provided during the same visit as the preventive services. Also, if a preventive service is provided during an office visit wherein the preventive service is not the primary purpose of the visit, the Cost-Sharing amount that would otherwise apply to the office visit will still apply. You may contact Us at [XXX; the number on Your ID card] or visit Our website [at XXX] for a copy of the comprehensive guidelines supported by HRSA, items or services with an "A" or "B" rating from USPSTF, and immunizations recommended by ACIP.

- A. Adult Annual Physical Examinations.** We Cover adult annual physical examinations and preventive care and screenings as provided for in the comprehensive guidelines supported by HRSA and items or services with an "A" or "B" rating from USPSTF.

Examples of items or services with an "A" or "B" rating from USPSTF include, but are not limited to, blood pressure screening for adults, lung cancer screening, colorectal cancer screening, alcohol misuse screening, depression screening, and diabetes screening. A complete list of the Covered preventive Services is available on Our website [at XXX], or will be mailed to You upon request.

You are eligible for a physical examination once every calendar year, regardless of whether or not 365 days have passed since the previous physical examination visit. Vision screenings do not include refractions.

This benefit is not subject to Copayments, or Coinsurance when provided in accordance with the comprehensive guidelines supported by HRSA and items or

services with an “A” or “B” rating from USPSTF.

B. Adult Immunizations. We Cover adult immunizations as recommended by ACIP. This benefit is not subject to Copayments or Coinsurance when provided in accordance with the recommendations of ACIP.

C. Well-Woman Examinations. We Cover well-woman examinations which consist of a routine gynecological examination, breast examination and annual screening for cervical cancer, including laboratory and diagnostic services in connection with evaluating cervical cancer screening tests. We also Cover preventive care and screenings as provided for in the comprehensive guidelines supported by HRSA and items or services with an “A” or “B” rating from USPSTF. A complete list of the Covered preventive Services is available on Our website [at XXX], or will be mailed to You upon request. This benefit is not subject to Copayments or Coinsurance when provided in accordance with the comprehensive guidelines supported by HRSA and items or services with an “A” or “B” rating from USPSTF, which may be less frequent than described above.

D. Mammograms, Screening and Diagnostic Imaging for the Detection of Breast Cancer. We Cover mammograms, which may be provided by breast tomosynthesis (i.e., 3D mammograms), for the screening of breast cancer as follows:

- One (1) baseline screening mammogram for Members age 35 through 39; and
- One (1) screening mammogram annually for Members age 40 and over.

If a Member of any age has a history of breast cancer or a first degree relative has a history of breast cancer, We Cover mammograms as recommended by the Member’s Provider. However, in no event will more than one (1) preventive screening per Plan Year be Covered.

Mammograms for the screening of breast cancer are not subject to Copayments or Coinsurance [when provided by a Participating Provider].

We also Cover additional screening and diagnostic imaging for the detection of breast cancer, including diagnostic mammograms, breast ultrasounds and MRIs. Screening and diagnostic imaging for the detection of breast cancer, including diagnostic mammograms, breast ultrasounds and MRIs are not subject to Copayments, Deductibles or Coinsurance [when provided by a Participating Provider].

E. Family Planning and Reproductive Health Services. We Cover family planning services which consist of FDA-approved contraceptive methods prescribed by a Provider, not otherwise Covered under the Prescription Drug Coverage section of this [Contract; Policy], patient education and counseling on

use of contraceptives and related topics; follow-up services related to contraceptive methods, including management of side effects, counseling for continued adherence, and device insertion and removal; and sterilization procedures for women. Such services are not subject to Copayments or Coinsurance [when provided by a Participating Provider].

We also Cover vasectomies [subject to Copayments or Coinsurance].

We do not Cover services related to the reversal of elective sterilizations.

F. Bone Mineral Density Measurements or Testing. We Cover bone mineral density measurements or tests, and Prescription Drugs and devices approved by the FDA or generic equivalents as approved substitutes. Coverage of Prescription Drugs is subject to the Prescription Drug Coverage section of this [Contract; Policy]. Bone mineral density measurements or tests, drugs or devices shall include those covered under the federal Medicare program or those in accordance with the criteria of the National Institutes of Health. You will qualify for Coverage if You meet the criteria under the federal Medicare program or the criteria of the National Institutes of Health or if You meet any of the following:

- Previously diagnosed as having osteoporosis or having a family history of osteoporosis;
- With symptoms or conditions indicative of the presence or significant risk of osteoporosis;
- On a prescribed drug regimen posing a significant risk of osteoporosis;
- With lifestyle factors to a degree as posing a significant risk of osteoporosis; or
- With such age, gender, and/or other physiological characteristics which pose a significant risk for osteoporosis.

We also Cover osteoporosis screening as provided for in the comprehensive guidelines supported by HRSA and items or services with an “A” or “B” rating from USPSTF.

This benefit is not subject to Copayments or Coinsurance when provided [by a Participating Provider and] in accordance with the comprehensive guidelines supported by HRSA and items or services with an “A” or “B” rating from USPSTF, which may not include all of the above services[such as drugs and devices].

G. Screening for Prostate Cancer. We Cover an annual standard diagnostic examination including, but not limited to, a digital rectal examination and a prostate specific antigen test for men age 50 and over who are asymptomatic and for men age 40 and over with a family history of prostate cancer or other prostate cancer risk factors. We also Cover standard diagnostic testing including, but not limited to, a digital rectal examination and a prostate-specific antigen test, at any age for men having a prior history of prostate cancer.

This benefit is not subject to Copayments, Deductibles or Coinsurance [when provided by a Participating Provider].

- H. National Diabetes Prevention Program (NDPP).** We cover diabetes prevention services provided by CDC-recognized programs for individuals at risk of developing Type 2 diabetes. The benefit covers 22 group training sessions over the course of 12 months. You may be eligible for NDPP services if you have a recommendation by a physician or other licensed practitioner and You are at least 18 years old, not currently pregnant, are overweight and have not been previously diagnosed with Type 1 or Type 2 Diabetes, AND You meet one of the following:
- You have had a blood test result in the prediabetes range within the past year, OR
 - You have previously been diagnosed with gestational diabetes, OR
 - You score 5 or higher on the CDC/American Diabetes Association (ADA) Prediabetes Risk Test.
- I. Colon Cancer Screening.** We Cover colon cancer screening for Members age 45 through 65, including all colon cancer examinations and laboratory tests in accordance with the USPSTF for average risk individuals. This benefit includes an initial colonoscopy or other medical test for colon cancer screening and a follow-up colonoscopy performed because of a positive result from a non-colonoscopy preventive screening test.
