

SECTION X

Additional Benefits, Equipment and Devices

Please refer to the Schedule of Benefits section of this [Contract; Policy] for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

{Drafting Note: HMOs and gatekeeper EPO products may not impose preauthorization requirements on the member for in-network coverage.}

A. Diabetic Equipment, Supplies and Self-Management Education.

We Cover diabetic equipment, supplies, and self-management education if recommended or prescribed by a Physician or other licensed Health Care Professional legally authorized to prescribe under Title 8 of the New York Education Law as described below:

1. Equipment and Supplies.

We Cover the following equipment and related supplies for the treatment of diabetes when prescribed by Your Physician or other Provider legally authorized to prescribe:

- Acetone reagent strips
- Acetone reagent tablets
- Alcohol or peroxide by the pint
- Alcohol wipes
- All insulin preparations
- Automatic blood lance kit
- Cartridges for the visually impaired
- Diabetes data management systems
- Disposable insulin and pen cartridges
- Drawing-up devices for the visually impaired
- Equipment for use of the pump
- Glucagon for injection to increase blood glucose concentration
- Glucose acetone reagent strips
- Glucose kit
- Glucose monitor with or without special features for visually impaired, control solutions, and strips for home glucose monitor
- Glucose reagent tape
- Glucose test or reagent strips
- Injection aides
- Injector (Busher) Automatic
- Insulin
- Insulin cartridge delivery
- Insulin infusion devices
- Insulin pump
- Lancets

- Oral agents such as glucose tablets and gels
- Oral anti-diabetic agents used to reduce blood sugar levels
- Syringe with needle; sterile 1 cc box
- Urine testing products for glucose and ketones
- Additional supplies, as the New York State Commissioner of Health shall designate by regulation as appropriate for the treatment of diabetes.

[Diabetic equipment and supplies are Covered only when obtained from a designated diabetic equipment or supply manufacturer which has an agreement with Us to provide all diabetic equipment or supplies required by law for Members through participating pharmacies. If You require a certain item not available from Our designated diabetic equipment or supply manufacturer, You or Your Provider must submit a request for a medical exception by calling [XXX; the number on Your ID card]. Our medical director will make all medical exception determinations.] [Diabetic equipment and supplies are limited to a 30-day supply up to a maximum of a 90-day supply when purchased at a pharmacy.]

{Drafting Note: The paragraph above is optional. However, insurers and HMOs initially moving to one manufacturer will need to describe to DOH how they are transitioning members who are using equipment and supplies from other manufacturers. In addition, insurers and HMOs will need to demonstrate to DOH that members will continue to have access to all diabetic equipment and supplies required by law. Insert the last bracketed sentence as applicable.}

2. Self-Management Education.

Diabetes self-management education is designed to educate persons with diabetes as to the proper self-management and treatment of their diabetic condition, including information on proper diets. We Cover education on self-management and nutrition when: diabetes is initially diagnosed; a Physician diagnoses a significant change in Your symptoms or condition which necessitates a change in Your self-management education; or when a refresher course is necessary. It must be provided in accordance with the following:

- By a Physician, other health care Provider authorized to prescribe under Title 8 of the New York Education Law, or their staff during an office visit;
- Upon the Referral of Your Physician or other health care Provider authorized to prescribe under Title 8 of the New York Education Law to the following non-Physician, medical educators: certified diabetes nurse educators; certified nutritionists; certified dietitians; and registered dietitians in a group setting when practicable; and
- Education will also be provided in Your home when Medically Necessary.

3. Limitations.

The items will only be provided in amounts that are in accordance with the treatment plan developed by the Physician for You. We Cover only basic models of blood glucose monitors unless You have special needs relating to poor vision or blindness or otherwise Medically Necessary.

[Step Therapy for Diabetes Equipment and Supplies. Step therapy is a program that requires You to try one type of diabetic Prescription Drug, supply or equipment unless another Prescription Drug, supply or equipment is Medically Necessary. The diabetic Prescription Drugs, supplies and equipment that are subject to step therapy include:

- Diabetic glucose meters and test strips;
- Diabetic supplies (including but not limited to syringes, lancets, needles, pens);
- Insulin;
- Injectable anti-diabetic agents; and
- Oral anti-diabetic agents.

[These items also require Preauthorization and will be reviewed for Medical Necessity.] If a step therapy protocol is applicable to Your request for coverage of a diabetic Prescription Drug, You, Your designee, or Your Health Care Professional can request a step therapy override determination as outlined in the Utilization Review section of this [Contract; Policy]. We will not add step therapy requirements to a diabetic Prescription Drug on Our Formulary during a Plan Year unless the requirements are added pursuant to FDA safety concerns.

{Drafting Note: Insert the paragraphs regarding step therapy for diabetic equipment and supplies as applicable for the standard NYSOH plan, non-standard NYSOH plans and plans offered outside the NYSOH.}

B. Durable Medical Equipment and Braces.

We Cover the rental or purchase of durable medical equipment and braces.

1. Durable Medical Equipment.

Durable Medical Equipment is equipment which is:

- Designed and intended for repeated use;
- Primarily and customarily used to serve a medical purpose;
- Generally not useful to a person in the absence of disease or injury; and
- Appropriate for use in the home.

Coverage is for standard equipment only. We Cover the cost of repair or replacement when made necessary by normal wear and tear. We do not Cover the cost of repair or replacement that is the result of misuse or abuse by You. We will determine whether to rent or purchase such equipment. We do not Cover over-the-counter durable medical equipment.

We do not Cover equipment designed for Your comfort or convenience (e.g., pools, hot tubs, air conditioners, saunas, humidifiers, dehumidifiers, exercise equipment), as it does not meet the definition of durable medical equipment.

2. Braces.

We Cover braces, including orthotic braces, that are worn externally and that

temporarily or permanently assist all or part of an external body part function that has been lost or damaged because of an injury, disease or defect. Coverage is for standard equipment only. We Cover replacements when growth or a change in Your medical condition make replacement necessary. We do not Cover the cost of repair or replacement that is the result of misuse or abuse by You.

C. Hearing Aids.

1. External Hearing Aids.

We Cover hearing aids required for the correction of a hearing impairment (a reduction in the ability to perceive sound which may range from slight to complete deafness). Hearing aids are electronic amplifying devices designed to bring sound more effectively into the ear. A hearing aid consists of a microphone, amplifier and receiver.

Covered Services are available for a hearing aid that is purchased as a result of a written recommendation by a Physician and include the hearing aid and the charges for associated fitting and testing. We Cover a single purchase (including repair and/or replacement) of hearing aids for one (1) or both ears once every three (3) years.

2. Cochlear Implants.

We Cover bone anchored hearing aids (i.e., cochlear implants) when they are Medically Necessary to correct a hearing impairment. Examples of when bone anchored hearing aids are Medically Necessary include the following:

- Craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid; or
- Hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.

Coverage is provided for one (1) hearing aid per ear during the entire period of time that You are enrolled under this [Contract; Policy]]. We Cover repair and/or replacement of a bone anchored hearing aid only for malfunctions.

[3.] [Over-the-Counter Hearing Aids.

We Cover over-the-counter hearing aids [recommended by a Provider]. [We also Cover any cost associated with the fitting and testing of such hearing aids.]

Please refer to the Schedule of Benefits section of this [Contract; Policy] for the Cost-Sharing requirements or limits that apply to over-the-counter hearing aids.]]

{Drafting Note: The bracketed language is optional.}

D. Hospice.

Hospice Care is available if Your primary attending Physician has certified that You have six (6) months or less to live. We Cover inpatient Hospice Care in a Hospital or hospice and home care and outpatient services provided by the hospice, including drugs and medical supplies. Coverage is provided for 210 days of Hospice Care. We also Cover [five (5)] visits for supportive care and guidance for the purpose of helping

You and Your immediate family cope with the emotional and social issues related to Your death, either before or after Your death.

We Cover Hospice Care only when provided as part of a Hospice Care program certified pursuant to Article 40 of the New York Public Health Law. If care is provided outside New York State, the hospice must be certified under a similar certification process required by the state in which the hospice is located. We do not Cover: funeral arrangements; pastoral, financial, or legal counseling; or homemaker, caretaker, or respite care.

E. Medical Supplies.

We Cover medical supplies that are required for the treatment of a disease or injury which is Covered under this [Contract; Policy]. We also Cover maintenance supplies (e.g., ostomy supplies) for conditions Covered under this [Contract; Policy]. All such supplies must be in the appropriate amount for the treatment or maintenance program in progress. We do not Cover over-the-counter medical supplies. See the Diabetic Equipment, Supplies, and Self-Management Education section above for a description of diabetic supply Coverage.

F. Prosthetics.

1. External Prosthetic Devices.

We Cover prosthetic devices (including wigs) that are worn externally and that temporarily or permanently replace all or part of an external body part that has been lost or damaged because of an injury or disease. We Cover wigs only when You have severe hair loss due to injury or disease or as a side effect of the treatment of a disease (e.g., chemotherapy). We do not Cover wigs made from human hair unless You are allergic to all synthetic wig materials.

We do not Cover dentures or other devices used in connection with the teeth unless required due to an accidental injury to sound natural teeth or necessary due to congenital disease or anomaly.

Eyeglasses and contact lenses are not Covered under this [section of the] [Contract; Policy] [and are only Covered under the Vision Care section of this [Contract; Policy].

We do not Cover shoe inserts.

We Cover external breast prostheses following a mastectomy, which are not subject to any lifetime limit.

Coverage is for standard equipment only.

We Cover the cost of [one (1)] prosthetic device, per limb, per lifetime. We also Cover the cost of repair and replacement of the prosthetic device and its parts.

We do not Cover the cost of repair or replacement covered under warranty or if the repair or replacement is the result of misuse or abuse by You.

2. Internal Prosthetic Devices.

We Cover surgically implanted prosthetic devices and special appliances if they improve or restore the function of an internal body part which has been removed or damaged due to disease or injury. This includes implanted breast prostheses following a mastectomy or partial mastectomy in a manner determined by You and Your attending Physician to be appropriate.

Coverage also includes repair and replacement due to normal growth or normal wear and tear.

Coverage is for standard equipment only.
