

Introducing
NY State
of Health
CARE
at **HOME**
Program

Finding home care made easy!

NY State of Health **Care at Home** is your online **connection** to safe and reliable **home care** professionals for yourself, your family and loved ones in New York City (five boroughs), Nassau, Suffolk and Westchester counties.

Licensed agencies

NY State of Health approved businesses that connect you to their employed providers.

Background checked and trained

All agency providers are background checked, trained and certified.

Preferred rates available*

Reduced hourly rates for home care services are available to consumers through the NY State of Health Care at Home program.

*Discounts vary by agency.

To get started, visit nystateofhealth.ny.gov or call the NY State of Health Care at Home helpline at 1-855-648-1912.

With just a click, you can filter by location and other preferences to connect to trusted home care professionals that best fit your needs such as supporting your independence or recovering at home after surgery. Get help with tasks like housekeeping, meal prep, and more.

HOW IT WORKS:

BROWSE

Enter your ZIP code to find home care agencies near you.

FILTER

Use the available filters to find home care agencies that meet your specific requirements.

CONNECT

Your selected agencies will contact you to help you find a home care professional.

MATCH

Schedule a meeting to ask questions and find a home care professional that fits your needs.

We're here to help!

Contact us if you have questions.
