

# Citizenship and Immigration Documentation Type Dropdown Options and Fields

\*Please note, this resource is designed to give examples of the different "Document Types" which are available for selection for individuals marked "Naturalized Citizen," "Immigrant Non-Citizen," or "Non-Immigrant Visa Holder." Assistors can review the document that the consumer is presenting and can compare it to the corresponding example on this resource, to locate the numbers needed and enter them into the selected document's data fields in the consumer's application.

This resource is not to be used to determine what citizenship or immigration status to select for the consumer, or what documents are needed to confirm a consumer's valid citizenship or immigration status.

- Assistors may utilize the [Citizenship and Immigration Status Desk Aid for NYSOH Assistors](#) to help determine which citizenship or immigration status to select for a consumer in the first place.
- If documents are requested after an application is submitted please refer to the [Documentation List and Resources](#) to determine what documents should be submitted to confirm the individual's citizenship or immigration status selected in the application.
