Can you help me in my own language?

Assistance is available in your language by phone and in person.

NY State of Health complies with applicable Federal civil rights laws and state laws, and does not discriminate on the basis of race, color, national origin, creed/religion, sex, age, marital/family status, arrest record, criminal conviction(s), gender identity, sexual orientation, predisposing genetic characteristics, military status, domestic violence victim status and/or retaliation.

If you are no longer eligible for health insurance through Medicaid, Child Health Plus or the Essential Plan, you may be able to sign up for coverage through your employer or get new health insurance through NY State of Health.

1 Employer-Based Health Insurance

If you are no longer eligible for your current health insurance coverage, you may enroll with your employer's health insurance plan, if otherwise eligible.

2 Coverage Through the Marketplace

If your employer doesn't offer health insurance coverage to employees or if you are not eligible for your employer's coverage, you may be able to enroll into new health insurance coverage through NY State of Health at nystateofhealth.ny.gov.

- Financial assistance is available to those who qualify.

3 Financial Assistance

If you are eligible for coverage through your employer but think it is not affordable, you may be eligible for help paying for health insurance through NY State of Health.
