Immigration Desk Aid for NY State of Health Assistors

Describes the five (5) citizenship/immigration categories on the NY State of Health application and how to choose the correct category.

Determining Citizenship or Immigration Status

This worksheet is designed to help Assistors determine which of the 5 Citizenship/Immigration categories listed in the NY State of Health application to select for an individual consumer.

Assistors may use this tool as a script and read through the entire script asking consumers specific questions so that the individual can be determined correctly in the Marketplace based on their appropriate citizenship or immigration status.

1. Are you a United States (US) citizen by birth, or were you born abroad to parents of whom at least one was a US citizen at the time of your birth, or are you a US National? If Yes, check the box marked "US Citizen."

- Don't forget, this category includes citizens of Puerto Rico, Guam, US Virgin Islands, Northern Mariana Islands, American Samoa, Swains Island or other US Territories.

US Citizen

If no, move to question #2.

2. Are you a US Citizen by Naturalization or were you under the age of 18 when your parent(s) in whose custody you reside naturalized. If yes, check the box marked "Naturalized Citizen."

Naturalized Citizen

If no, move to question #3.

3. Are you living in the United States with permission from the United States Citizenship and Immigration Services (USCIS)?

If yes, ask: Are you here on a short-term visa? If yes, move to question #4. If no, mark "Immigrant Non-Citizen."

Immigrant Non-Citizen

What does this question mean? Below is a list of questions to help Assistors understand what this means. Anyone who can answer yes, would be appropriately marked as an "Immigrant Non-Citizen." Please note, this additional list of example questions is not comprehensive.

- Are you a green card holder/ lawful permanent resident?
- Do you have an employment authorization card which is not expired?
- Are you an asylee?
- Are you a refugee?
- Have you had any contact with immigration services (USCIS, ICE, CBP)?
- Are you in the process of applying for an immigration benefit?
- Do you have evidence of any correspondence with immigration or the Department of State concerning your status?
- Even if you do not have lawful status, do you have permission to reside here does the immigration agency know you're here? Even if you are not here permanently? (PRUCOL)
- Are you a Cross Border Native American?
- Have you been granted withholding of removal?
- Are you a Cuban/Haitian Entrant who was granted parole status after October 1980?
- Are you a certified victim of trafficking?
- Are you an Amerasian?
- Are you an Iraq or Afghan Special Immigrant Visa Holder?
- Are you currently Granted Parole for period of more than 1 year (not medical)?
- Are you a Battered spouse or child(ren) of US Citizen or Lawful Permanent Resident petitioning under Violence Against Women Act (VAWA)?
- Are you a non-citizen who can show continuous residence since on or before 1/1/1972?

Immigrant Non-Citizen

If no, move to question #4.

Is the individual living in the US with permission from the United States Citizenship and Immigration Services (USCIS) without being on a short-term visa?

Below is a list of questions to help Assistors understand what this means. Anyone who can answer yes, would be appropriately marked as an “Immigrant Non-Citizen.”

- Are you a green card holder/lawful permanent resident?
- Do you have an employment authorization card which is not expired?
- Are you an asylee?

- Have you had any contact with immigration services (USCIS, ICE, CBP)?

If the consumer answers “Yes” to any one (1) of the questions, then they must provide adequate documentation.

- Once the documentation has been verified by NY State of Health, the individual is determined to be a New York State Resident and therefore eligible for Essential Plan, Child Health Plus, or a Qualified Health Plan (with or without a subsidy), if otherwise eligible.
- There is a small subset of this population who will remain eligible for Medicaid.

Key Points from the 2017 Citizenship and Immigration Webinar

2017: The biggest error that Assistors were making was uploading the consumer's Permanent Resident Card to an account where the consumer was marked as a US Citizen.

Now: The error rate for this has decreased, however there is still work to do.

Other common errors found:

- Some Assistors seem to only be answering that their consumers are either "US Citizens" or "Other" and are not using the middle 3 options.
 - Use training resources, and get support on an individual case, if needed.
- Some Assistors help consumers submit immigration documents in order to complete identity proofing, but that consumer is marked as "Other" in their application.

Other ⓘ

If you do not fit into any of the Citizenship or Immigration Status categories above but you are lawfully living in the United States, do NOT choose "Other" as your immigration status. Please choose either "Immigrant Non-Citizen" or "Non-Immigrant Visa Holder," depending on which category best describes your immigration status.

Please choose either "Immigrant Non-Citizen" or "Non-Immigrant Visa Holder," depending on which category best describes your immigration status.

The way this question is answered drives the consumer's eligibility determination.

Assistors should be working to make sure consumers are marked correctly.

Key Takeaways from the 2017 Citizenship and Immigration Webinar for Assistors

1. How to help a Naturalized Citizen apply in NY State of Health if they do not have their certificate/document numbers.
2. How to classify a Permanent Resident/Green Card Holder in NY State of Health.
3. How to process immigrants who do not have their documents (document numbers) initially.
4. How to review documents and update the consumer's account if the document and the answer to the question are inconsistent.

A Permanent Resident (Green Card Holder) should be marked as **Immigrant Non-Citizen**.

2017 IMMIGRATION TRAINING

If an individual does not have their document number(s), one option would be to choose the “Document Type” of “Other.”

Data fields will display but they are not mandatory and you can proceed through the application without document numbers.

- Eligibility can be determined this way.
- The consumer will need to upload documentation of their citizenship/immigration status.

Document Type
I-551 Permanent Resident Card

Alien # Receipt # Alien Expiration Date - -

I-551 Permanent Resident Cards (or "Green Cards") are issued to eligible immigrants who entered the United States to permanently live. To verify your eligible immigration status, type in the alien number. The alien number can also be called the alien registration number or the USCIS #. Do not type in any letters or dashes.

The receipt number on the I-551 refers to the tracking number in which the green card was processed and its order. The number can start with EAC, LIN, SRC, WAC, and then followed by 10 digits. If your card does not have a receipt number, type in AAA followed by 0000000000 (10 zeros).

The alien number expiration date is an optional field. You should leave the date blank if your document does not have an expiration date.

You have selected "Other Document"

If you do not have an Alien# or I94#, you should leave all of the boxes blank. You will be asked to submit a copy of your immigration document after your application is completed. If you have an Alien# or I94#, please fill in those boxes now. Completing those boxes will help us process your application.

When Citizenship/Immigration documents are requested:

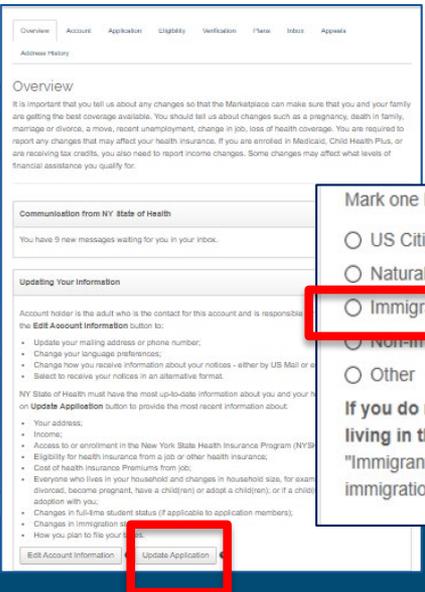

Assistors should review the document and check the consumer's account to verify that the document being uploaded matches the citizenship/immigration status as marked in the current application.

- **If it does not match, the Assistors should update the application and change the answer to Citizenship/Immigration status question. If this is not done, this is an error.**

The above petition has been approved. We have sent the original visa petition to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. NVC will then forward the approved petition to that consulate.

The NVC will contact the person for whom you are petitioning (beneficiary) concerning further immigrant visa processing steps.

You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. The following documents will provide the best opportunity to electronically verify or document an individual's immigration status. They should be provided whenever possible, rather than an I-797.

1. Permanent Resident Card
2. Employment Authorization Card
3. Arrival/Departure Record

What if an Individual has No Documentation?

- If a consumer has no US passport and has lost their immigration documentation, they can apply for replacement.
- Submit proof to the Marketplace that the replacement application has been received by USCIS (I-797 Notice of Action showing receipt).

What if an Individual has old/expired documents?

Assistors can try to use the information, or upload what they have to help the person verify their status.

Assistors should help consumers to understand that they should provide an updated document, if possible.

In some circumstances, Assistors may need to work with consumers to provide any/all immigration documents, including the most recent, if available.

We want Assistors to get more comfortable looking at immigration documents. If you know how to read the document, and which resource to use, you will be better prepared to discuss the document and the underlying immigration status with that consumer, and make changes to the account, if needed.

Then, you can update their application and more confidently answer the question.
