Moving into Final Weeks with Record Enrollment!

Broadcasted in 2019 continued to show how vital it is to let qualified_assistors know that we offer an affordable health insurance enrollment program through the spark of New York State of Health. The spark of enrollment is vital to the success of the program. More than 3 million New Yorkers are covered through the New York State of Health Marketplace. The number of qualified_assistors have increased by over 350 percent since the Marketplace launched and enrollment numbers continue to increase by the day.

Enrollment highlights of January 2019:

- 1.26 million consumers have been approved to enroll in QHP as of January 31, 2019.
- 254,240 consumers have enrolled in a QHP, exceeding enrollment levels at the end of Open Enrollment 2018.
- Over the next few weeks, consumers who were enrolled in a QHP in 2018 will receive an IRS Form 1095-A.
