How Offer COBRA & Enroll Terminated Employee's

Employer/Broker Initiated COBRA Offer for a Terminated Employee

1. From the broker dashboard, select the employer you want to work with. Click on *Manage*.

2. On the Employer's Eligibility Landing Page, click the *Access Legacy Account* link under the SHOP Navigation section. This allows Brokers to go to the Overview screen of the Employer's Legacy Account.

3. From the employer's Roster, select the employee for whom you wish to initiate a COBRA enrollment opportunity. To delete the employee from the roster, click the *Terminate* button under Actions. (There will be a *Delete* button for employees who are <u>not</u> enrolled – they will not be eligible for COBRA coverage.)

Please note: An enrolled employee must first be terminated from the roster before they're eligible to enroll in COBRA. Once the termination date has passed, the COBRA opportunity will appear.

4. Select "Yes", a reason for removing employee, a date of removal, and click on *Continue*.

<u>Please note:</u> only the following reasons will trigger a COBRA enrollment opportunity **for the enrolled employee**:

- Employee(s) are no longer full-time
- Employment Terminated
- Death
- Retirement
- Employee(s) receive Medicare

5. On the roster, you will see the employee is now listed under "Deleted Employees".

<u>AFTER</u> the coverage termination date has passed, the *Offer COBRA* button will appear. It will be present for that specific employee for 60 days.

Example: The screen shot above displays a Termination Date of 12/31/18. The Offer CORBA button will not appear until 1/1/19.

By clicking the *Offer COBRA* button from this screen, the employer or broker is making COBRA available to the employee, who still must enroll in COBRA through their account or by proxy (broker, call canter or employer).

Other buttons that display for deleted/terminated Employees:

- Reinstate This button will appear for 30 days after the termination date. This allows the Employer/Broker to Reinstate the employee back to their original coverage without a gap in coverage.
- Move Back to Roster This button will appear for the employee through the plan year. This allows the Employer/Broker to give the employee a new coverage offer by first selecting a new Hire Date. They should then be put into a class and given an offer of coverage. The employee will enroll with a new plan year, can enroll in a new plan and will have a new deductible and co-pays (if applicable from the plan)
- Remove from Roster This button will permanently delete the employee
 from the Roster. This should only be used in specific instances such as
 mistakenly adding an employee twice or adding them with incorrect
 information that cannot be corrected after an offer is made (i.e. SSN, Name
 misspelling) and must be completed prior to the employee's initial
 enrollment. Once completed, the employee can be re-added to the Roster
 with the correct information if needed.

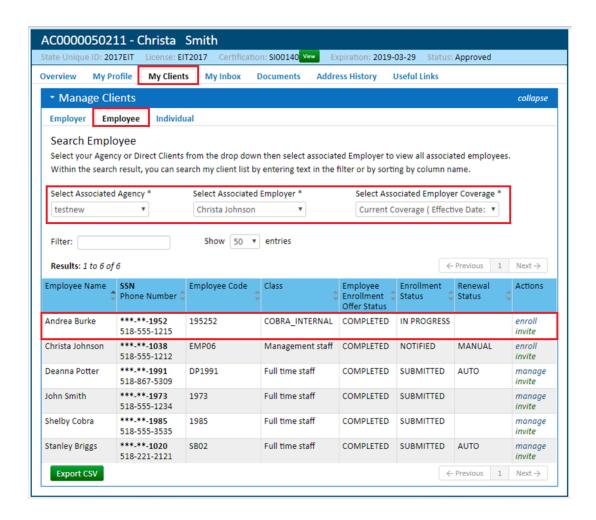

6. Once the Offer COBRA button is clicked, the terminated employee will return to the Roster with a status of COBRA Beneficiary. Once returned to the Roster, the employee is given the same participation code. They will have a delete button, to delete the offer or COBRA coverage as needed. The Enroll button will display for the Employer/Broker to enroll the employee into COBRA. The Invite button will display IF the employee does not have a NYS Gov.ID to access their account. The Invite button should only be utilized after the initial enrollment into a COBRA plan.

7. As the Broker, you have the ability to enroll the employee into a COBRA plan from the Employer's Roster or from the Broker Portal. On the Employer Portal, click the *Enroll* button on the Roster to begin or, click the *Return to Agent Portal* button in the left hand navigation bar to go back to your Broker Portal.

Return to Agent Portal

8. From the Broker Portal, select *My Clients* tab and then the *Employee* tab. Then select the *Associated Agency* and the *Associated Employer*. Once both are selected, the *Select Associated Employer Coverage* pick list will appear. Select the plan year to pull up the terminated employee that needs to be enrolled into COBRA. The terminated employee will appear with an *Enroll* button and an *Invite* button and will now display in the COBRA_Internal Class. Click the *Enroll* button to begin enrolling the terminated employee into COBRA coverage.

9. After clicking the Enroll button from the Broker Portal (or from the Employer's Roster), the terminated employee's Account and Identity Information page appears.

All required fields are marked with an asterisks (*) and must be completed. You must have the employee's personal information on hand to complete this screen. Personal information needed includes:

- First Name
- Last Name
- Gender
- Date of Birth
- Social Security Number
- Home Address
- Mailing Address (if different)
- Telephone Number(s)
- Personal Email Address
- Language Preferences

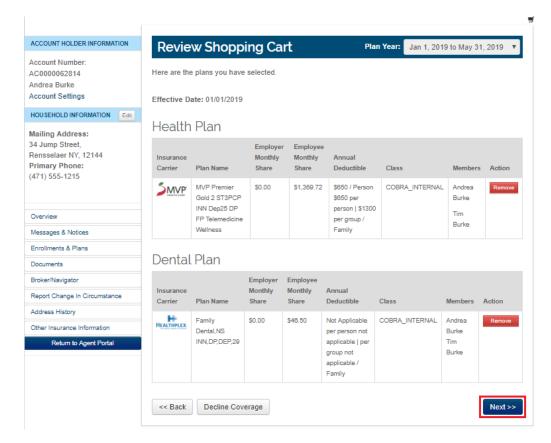

Click Next.

Note: If there are dependents enrolling into COBRA you may need their personal information for an upcoming screen.

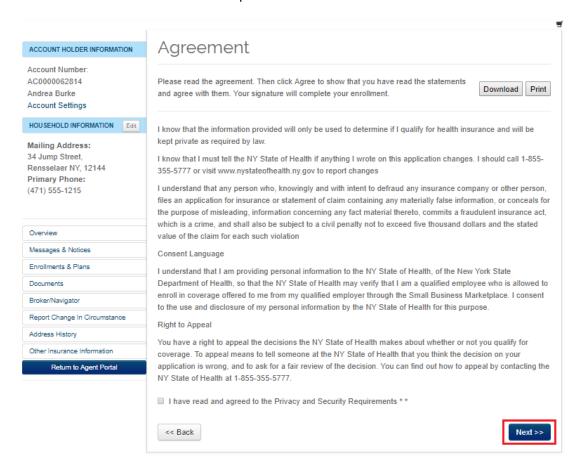

10. Once the terminated employee's information is entered, you'll be brought to the Client Enrollments screen. Any previous enrollments will display in yellow. Click the blue *Enroll* button to continue choosing a plan for the COBRA enrollment.

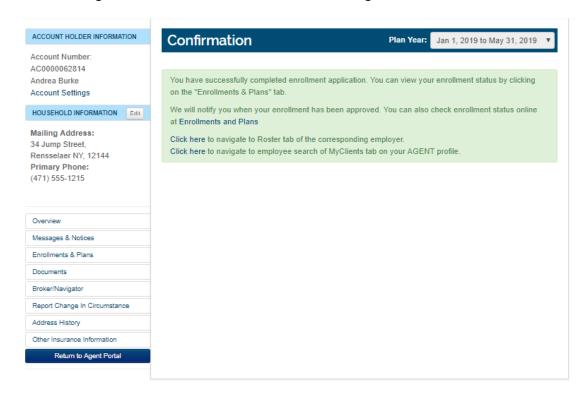

11. The next page to display is the My Employer screen which contains the Employer info, Employee Family Details, the ability to delete a dependent (cannot add a dependent to COBRA Coverage), Ethnicity and Race and Other Insurance Coverage sections. Then the plan selection screens appear. The existing plan should already be selected. This can be changed by removing it from the Cart and then Adding a new Plan to the Cart. Then review the selected plan(s). Any Health, Dental and Pediatric Dental plans chosen will appear on this screen along with the Members enrolled in each plan. Once reviewed, click Next.

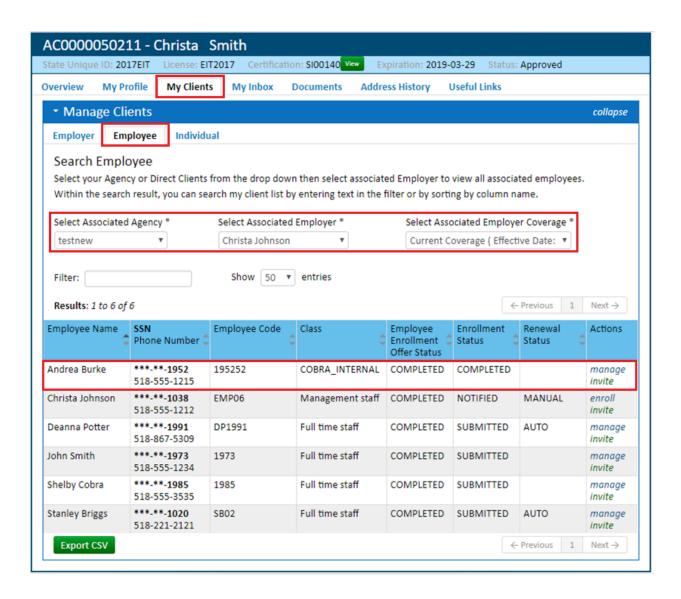

12. Check the box that you have read the Agreement. You may also download or print the agreement by clicking the associated buttons in the upper right-hand corner of the screen. Click *Next* once complete.

13. The system will display a confirmation screen within the Employee's portal. This confirms the enrollment has been completed on the NYSOH website. Click the blue *Return to Agent Portal* button on the left side navigation menu.

14. The COBRA employee will display on the Search Employee screen of the Broker Dashboard. Employees can be viewed by clicking the Employee tab within the My Clients tab, selecting the Associated Agency and Associated Employer. Terminated employees that enroll in a COBRA offer will appear in the COBRA_Internal class. Click the Manage button to access the employee account. Click the Invite button to invite the employee to create credentials to access their account.

Please Note: Premiums for COBRA coverage are paid directly to the employer by the terminated employee. The COBRA enrollee will appear on the Employer's monthly invoice and it is their responsibility to send the entire group's payment to the NYSoH. If payment is not received, the Employer has the right to terminate the enrollee's coverage back to the last month the premium was paid in full.

For direction on how to offer a COBRA enrollment opportunity to a qualified dependent, please see the User Guide <u>How to Offer COBRA to Eligible Dependents</u>.
