Creating a NY.gov Username and Password for your NY State of Health Assistor account

This is a step-by-step guide to help Assistors set up their NY.gov username and password so they may proceed to the Assistor account creation process. Assistors must successfully complete certification training and then create their account with NY State of Health in order to gain access to their Assistor Dashboard.

You **MUST** create a NY.GOV ID if you do not already have one.

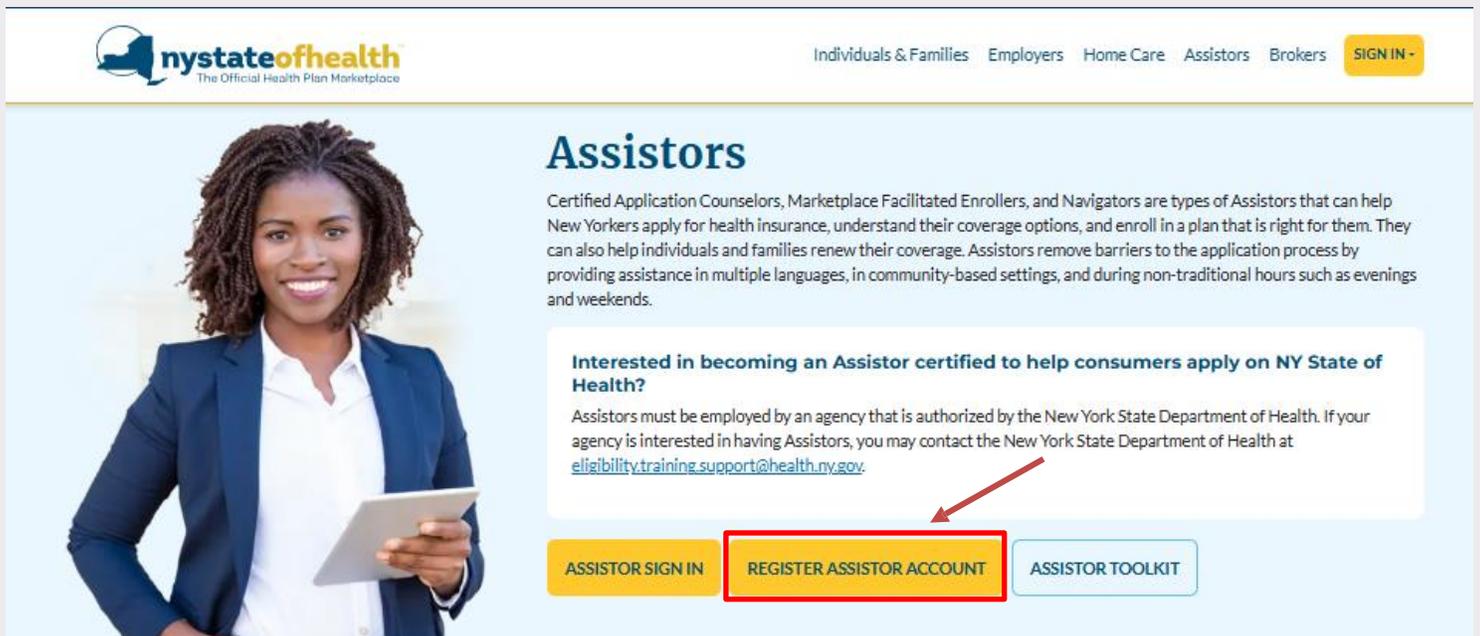

- If you already have an existing NY.gov account, go to the [Assistor Toolkit](#) page and open the section heading that says **Resources for Assistors**. Then, follow the instructions on the document labeled **NYSOH Assistors - Registering Your Account**.

Steps for Creating an NY.GOV:

Click on the link below, or enter it into your web browser:

- Click on **REGISTER ASSISTOR ACCOUNT** to Create a **Personal NYS.GOV ID**.

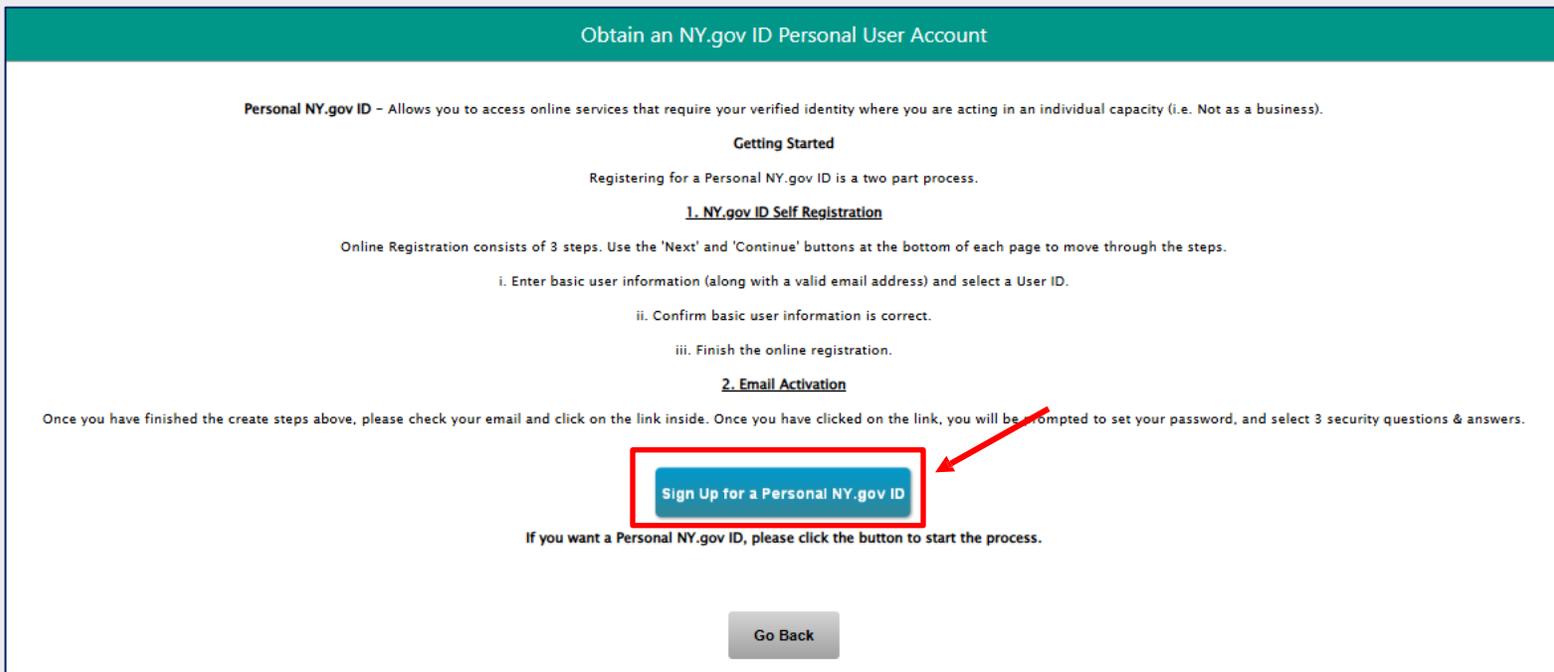

The screenshot shows the NY State of Health website. At the top left is the logo for "nystateofhealth The Official Health Plan Marketplace". To the right are navigation links: "Individuals & Families", "Employers", "Home Care", "Assistors", "Brokers", and a yellow "SIGN IN" button. The main content area features a large image of a smiling woman with dreadlocks, wearing a blue blazer and holding a tablet. To her right is the heading "Assistors" followed by a paragraph: "Certified Application Counselors, Marketplace Facilitated Enrollers, and Navigators are types of Assistors that can help New Yorkers apply for health insurance, understand their coverage options, and enroll in a plan that is right for them. They can also help individuals and families renew their coverage. Assistors remove barriers to the application process by providing assistance in multiple languages, in community-based settings, and during non-traditional hours such as evenings and weekends." Below this is a white box with the heading "Interested in becoming an Assistor certified to help consumers apply on NY State of Health?" and the text: "Assistors must be employed by an agency that is authorized by the New York State Department of Health. If your agency is interested in having Assistors, you may contact the New York State Department of Health at eligibility.training.support@health.ny.gov". At the bottom of the page are three buttons: "ASSISTOR SIGN IN", "REGISTER ASSISTOR ACCOUNT" (highlighted with a red border and a red arrow pointing to it), and "ASSISTOR TOOLKIT".

You will be navigated to the **NY.gov ID Self Registration** screen.
