THE ESSENTIAL PLAN

NY State of Health makes getting health insurance simple and affordable. The Official Health Plan Marketplace.

The Essential Plan

The Essential Plan is a simple and affordable health plan that includes the basics you need. It's designed to meet the needs of people with limited means who want a plan with lower premiums.

The Essential Plan covers:

- Emergency room services
- Hospitalization
- Doctor visits
- Prescription drugs
- Lab tests
- Mental health care
- Preventive services
