Decision

Decision Date: August 18, 2015

NY State of Health Number: [REDACTED]
Appeal Identification Number: AP000000001833

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did the Marketplace properly determine that you and your spouse were eligible to receive up to \$683.00 per month in advance premium tax credits, effective April 1, 2015?

Did the Marketplace properly determine that you and your spouse were eligible for cost-sharing reductions, effective April 1, 2015?

Did the Marketplace properly determine that you and your spouse were not eligible for Medicaid?

Procedural History

On February 19, 2015, the Marketplace received your application for health insurance in which you attested to an annual household income of \$22,200.00.

On February 20, 2015, the Marketplace issued an eligibility determination notice based on the information contained in the February 19, 2015 application, stating that you and your spouse were eligible to enroll in a qualified health plan (QHP); eligible to receive an advance premium tax credit (APTC) of up to \$683.00 per month; and, if you selected a silver-level plan, eligible for cost-sharing reductions (CSR), effective April 1, 2015. The notice also stated that you and your spouse were not eligible for Medicaid. This determination was issued, in part, based on an annual household income of \$22,200.00. You appealed this determination insofar as you and your spouse were found not eligible for Medicaid.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On March 17, 2015, you had a telephone hearing with a Hearing Officer from the Marketplace's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expected to file your 2015 taxes with a tax filing status of married filing jointly. You will not claim any dependents on that tax return.
- 2) You are seeking insurance for you and your spouse.
- 3) The application that was submitted on February 19, 2015 listed annual household income of \$22,200.00, consisting solely of the \$1,850.00 per month you receive in Social Security benefits. You testified that this amount was correct.
- 4) Your application states that you will not be taking any deductions on your 2015 tax return.
- 5) Your application states that you live in Jefferson County, New York.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Premium Tax Credit

The advance premium tax credit (APTC) is generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2015 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc. 2014-37).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2014 FPL, which is \$15,730.00 for a two-person household (79 Fed. Reg. 3593).

For annual household income in the range of at least 133% but less than 150% of the 2014 FPL, the expected contribution is between 3.02% and 4.02% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2014-37).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through the Marketplace, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Medicaid

Medicaid can be provided through the Marketplace to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of

the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), N.Y. Soc. Serv. Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2015 FPL, which is \$15,930.00 for a two-person household (80 Fed. Reg. 3236, 3237).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Modified Adjusted Gross Income

The Marketplace bases its eligibility determinations on MAGI as defined in the federal tax code (45 CFR § 155.300(a)). The term “modified adjusted gross income” means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

Legal Analysis

The first issue is whether the Marketplace properly determined that you and your spouse were eligible for an advance premium tax credit (APTC) of up to \$683.00 per month.

The application that was submitted on February 19, 2015 listed an annual household income of \$22,200.00, which was comprised solely of your Social Security benefits (\$1,850.00 x 12 months) and the eligibility determination relied upon that information.

You are in a two-person household. You expect to file you 2015 income taxes as married filing jointly and will claim your son as a dependent on that tax return.

You reside in Jefferson County, where the second lowest cost silver plan available for a couple through the Marketplace costs \$747.91 per month.

An annual income of \$22,200.00 is 141.13% of the 2014 federal poverty level (FPL) for a two-person household. At 141.13% of the FPL, the expected contribution to the cost of the health insurance premium is 3.50% of income, or \$64.72 per month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through the Marketplace for a primary subscriber and one dependent in your county (\$747.91 per month) minus your expected contribution (\$64.72 per month), which equals \$683.19 per month. Therefore, rounding to the nearest dollar, the Marketplace correctly determined you and your spouse to be eligible for up to \$683.00 per month in APTC.

The second issue is whether you and your spouse were properly found eligible for cost-sharing reductions (CSR).

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$22,200.00 is 141.13% of the applicable FPL, the Marketplace correctly found you to be eligible for CSR.

The third issue is whether the Marketplace properly determined that you and your spouse were ineligible for Medicaid.

Medicaid can be provided through the Marketplace to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$15,930.00 for a two-person household. Since \$22,200.00 is 139.36% of the 2015 FPL, the Marketplace properly found you and your spouse to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

Since the February 20, 2015 eligibility determination properly stated that, based on the information you provided, you and your spouse were eligible for up to \$683.00 per month in APTC, eligible for CSR, and ineligible for Medicaid, it is correct and is AFFIRMED.

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You credibly testified that your sole source of income was the \$1,850.00 per month you receive in Social Security benefits.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,831.95 per month. Since your income was \$1,850.00 for February 2015, you did not qualify for Medicaid on the basis of monthly income when you submitted your application.

Decision
