## Decision

Decision Date: October 27, 2015

NY State of Health Number: [REDACTED]  
Appeal Identification Number: AP000000003627

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did the Marketplace properly determine that you were eligible to receive up to \$74.00 per month in advance premium tax credits, effective August 1, 2015?

Did the Marketplace properly determine that you were not eligible for cost-sharing reductions?

Did the Marketplace properly determine that you were not eligible for Medicaid?

## Procedural History

On June 23, 2015, the Marketplace received your application for health insurance. That day, a preliminary eligibility determination was prepared that you were eligible for up to \$74.00 per month in advance premium tax credits.

Also on June 23, 2015 you contacted the Marketplace's Account Review Unit and requested an appeal of that preliminary eligibility determination insofar as you were not approved for a greater amount of financial assistance.

On June 24, 2015, the Marketplace issued an eligibility determination notice based on the information contained in the June 23, 2015 application, stating that you are eligible for up to \$74.00 per month in advance premium tax credits effective August 1, 2015. You were not eligible for cost-sharing reductions or Medicaid because your income was over the allowable limits for those programs.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On August 19, 2015, you had a telephone hearing with a Hearing Officer from the Marketplace's Appeals Unit. The record was developed during the hearing and left open for 15 days to allow you the opportunity to submit proof of your monthly income.

On September 1, 2015 the Marketplace received via fax copies of your paystubs for the month of May 2015, the paystubs were made part of the record as Appellant's Exhibit #1. The record is now closed.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2015 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) The application that was submitted on June 23, 2015 listed an annual household income of \$37,404.00, consisting of \$11,000.00 you earned from a previous employer and \$26,404.00 you expect to earn from your current employer. You testified that this amount was correct.
- 3) You testified that your monthly income varies depending on the amount of hours you work. You further testified that when you get paid also varies.
- 4) The Hearing Officer directed you to provide income documentation for the month of June. You provided a paystub dated May 3, 2015 for a gross pay amount of \$399.17, a paystub dated May 17, 2015 for a gross pay amount of \$745.53, a paystub dated May 24, 2015 for a gross pay amount of \$1,015.01, and a paystub dated May 31, 2015 for a gross pay amount of \$1080.59.
- 5) Your application states that you will not be taking any deductions on your 2015 tax return.
- 6) Your application states that you live in Queens County, New York.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## Applicable Law and Regulations

### Advance Premium Tax Credit

The advance premium tax credit (APTC) is available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable poverty level (FPL) (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2015 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc. 2014-37).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2014 FPL, which is \$11,670.00 for a one-person household (79 Fed. Reg. 3593).

For annual household income in the range of at least 300% but less than 400% of the 2014 FPL, the expected contribution is 9.56% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2014-37).

### Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through the Marketplace, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Medicaid

Medicaid can be provided through the Marketplace to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), N.Y. Soc. Serv. Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2015 FPL, which is \$11,770.00 for a one-person household (80 Fed. Reg. 3236, 3237).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

### **Legal Analysis**

The first issue is whether the Marketplace properly determined that you were eligible for an advance premium tax credit of up to \$74.00 per month.

The application that was submitted on June 23, 2015 listed an annual household income of \$37,404.00 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file you 2015 income taxes as single and will claim no dependents on that tax return.

You reside in Queens County, where the second lowest cost silver plan available to an individual through the Marketplace costs \$371.75 per month.

An annual income of \$37,404.00 is 320.51% of the 2014 FPL for a one-person household. At 320.51% of the FPL, the expected contribution to the cost of the health insurance premium is 9.56% of income, or \$297.98 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through the Marketplace for an individual

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

in your county (\$371.75 per month) minus your expected contribution (\$297.98 per month), which equals \$73.77 per month. Therefore, rounding to the nearest dollar, the Marketplace correctly determined you to be eligible for up to \$74.00 per month in advance premium tax credits.

The second issue is whether you were properly found not eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$37,404.00 is 320.51% of the applicable FPL, the Marketplace correctly found you to be not eligible for cost sharing reductions.

The third issue is whether the Marketplace properly determined that you were not eligible for Medicaid.

Medicaid can be provided through the Marketplace to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,770.00 for a one-person household. Since \$37,404.00 is 317.79% of the 2015 FPL, the Marketplace properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

The Hearing Officer directed you to produce documentation of your monthly income for June 2015, the month in which the eligibility determination under appeal was issued. However, you provided income documentation for the month of May 2015. Therefore, we do not have an accurate picture of your income for the month of June 2015 and cannot make a decision on whether or not you would have been eligible for Medicaid on a monthly basis for that month.

Based on your income documents from the month of May 2015, your paystub dated May 3, 2015 for a gross pay amount of \$399.17, a paystub dated May 17, 2015 for a gross pay amount of \$745.53, a paystub dated May 24, 2015 for a gross pay amount of \$1,015.01, and a paystub dated May 31, 2015 for a gross pay amount of \$1080.59.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,354.00 per month. Since your income was \$3,240.30 in May 2015, you do not qualify for Medicaid on the basis of monthly income for that month.

Since the June 24, 2015 eligibility determination properly stated that, based on the information you provided, you were eligible for an advance premium tax credit of up to \$74.00 per month, not eligible for cost-sharing reductions, and not eligible for Medicaid, it is correct and is AFFIRMED.
