## Decision

Decision Date: May 6, 2016

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000006278

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to enroll in the Essential Plan effective February 1, 2016?

Did NY State of Health properly determine that you were not eligible for Medicaid, as of January 5, 2016?

## Procedural History

On January 5, 2016, NY State of Health (NYSOH) received your updated application for financial assistance.

On January 6, 2016, NYSOH issued an eligibility determination based on the January 5, 2016 application, stating that you were eligible to enroll in the Essential Plan, effective February 1, 2016. It further stated that you were not eligible for Medicaid because your income was over the allowable income limit for that program,

On January 19, 2016, you contacted NYSOH's Account Review Unit and requested an appeal of that eligibility determination insofar as you were not eligible for Medicaid.

On May 2, 2016, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

## Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2016 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) The application that was submitted on January 5, 2016, which requested financial assistance, listed annual household income of \$18,652.00, consisting of income you receive from employment and from interest dividends. You testified that this amount was correct.
- 3) You testified that your monthly income varies because you are employed by your family's business. You testified that you are unable to provide documentation of your monthly income.
- 4) Your application states that you live in Queens County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## Applicable Law and Regulations

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), N.Y. Soc. Serv. Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL for the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2015 FPL, which is \$11,770.00 for a one-person household (80 Fed. Reg. 3236, 3237).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

## Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), N.Y. Soc. Serv. Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2015 FPL, which is \$ 11,770.00 for a one-person household (80 Fed. Reg. 3236, 3237).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

## **Legal Analysis**

The first issue under review is whether NYSOH properly determined that you were eligible for the Essential Plan, effective February 1, 2016.

The application that was submitted on January 5, 2016 listed an annual household income of \$18,652.00 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2016 income taxes as single and will claim no dependents on that tax return.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income (MAGI) that is between 138% and 200% of the FPL for the applicable family size.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

On the date of your application, the relevant FPL was \$11,770.00 for a one-person household. Since an annual household income of \$18,652.00 is 158.47% of the 2015 FPL, NYSOH properly found you to be eligible for the Essential Plan.

The second issue is whether NYSOH properly determined that [REDACTED] was/were not eligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household MAGI that is at or below 138% of the FPL for the applicable family size. Since an annual household income of \$18,652.00 is 158.47% of the 2015 FPL, NYSOH properly found you not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

Financial eligibility for Medicaid for applicants can also be based on current monthly household income and family size.

You testified that your monthly income varies because you are employed by your family's business. However, you are unable to provide documentation of your monthly income. Therefore, your eligibility for Medicaid on a monthly income basis cannot be evaluated.

Since the January 6, 2016 eligibility determination properly stated that, based on the information you provided, you were eligible for the Essential Plan and not eligible for Medicaid, it was correct and is AFFIRMED.
