## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in your Medicaid Managed Care plan began January 1, 2016?

## Procedural History

On December 10, 2014, NYSOH issued a notice of eligibility determination stating that you were eligible for Medicaid effective December 1, 2014, and you were enrolled in Medicaid Managed Care plan effective January 1, 2015.

On September 15, 2015, NYSOH issued a renewal notice stating that it was time to renew your health insurance. That notice also stated that based on information from federal and state sources, NYSOH could not make a decision about whether you would qualify for financial help paying for your health coverage, and that you needed to update your account by November 15, 2015 or you might lose the financial assistance you were currently receiving.

No updates were made to your account by November 15, 2015.

On November 17, 2015, NYSOH issued an eligibility redetermination notice stating that you were not eligible for Medicaid, Child Health Plus, or to receive tax credits or cost-sharing reductions to help pay for the cost of insurance. You also could not enroll in a qualified health plan at full cost through NYSOH. This was because you had not responded to the renewal notice and had not completed

your renewal within the required time frame. Your eligibility ended November 30, 2015.

On December 1, 2015, NYSOH received your updated application for health insurance.

On December 6, 2015, NYSOH issued an eligibility redetermination notice stating that you were eligible for Medicaid effective December 1, 2015.

Also on December 6, 2015, an enrollment confirmation notice was issued that stated that you had selected a Medicaid Managed Care plan and the effective date of that coverage was January 1, 2016.

On February 9, 2016, you spoke to NYSOH's Account Review Unit and appealed the eligibility determination insofar as it began your Medicaid Managed Care plan on January 1, 2016 and not December 1, 2015.

On June 28, 2016, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record support the following findings of fact:

- 1) You testified that for the timeframe under consideration, your NYSOH account was set up so you received notices from NYSOH by regular mail.
- 2) You testified that you do not recall receiving or reading the September 15, 2015 renewal notice from NYSOH stating that you needed to update the information to ensure that your coverage would not be interrupted.
- 3) No notices sent to you at the address listed on your NYSOH account have been returned as undeliverable.
- 4) The record reflects that on December 1, 2015, NYSOH received your updated application for health insurance. That day, you also selected a Medicaid Managed Care plan for enrollment.
- 5) You testified that you are seeking reinstatement in your Medicaid Managed Care plan as of December 1, 2015.
- 6) You testified that your Medicaid Managed Care plan online account stated that you had coverage effective December 2015 and that you relied on that statement. In a letter you uploaded to your NYSOH account you state

that “the picture file records my coverage status as “ACTIVE” for the month of December, 2015.” ( [REDACTED] )

- 7) The record indicates that you uploaded a screenshot of your Medicaid Managed Care plan account which states your coverage status through that plan is Active and the effective date of that coverage is January 1, 2016. ( [REDACTED] )

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Medicaid Renewal

In general, NYSOH must review Medicaid eligibility once every 12 months or “whenever it receives information about a change in a beneficiary’s circumstances that may affect eligibility” (42 CFR § 435.916(a)(1), (d)). NYSOH must make its “redetermination of eligibility without requiring information from the individual if able to do so based on reliable information contained in the individual’s account or other more current information available to the agency, including but not limited to information accessed through any data bases accessed by the agency” (42 CFR § 435.916(a)(2)).

NYSOH must provide an individual with the annual redetermination notice, including the projected eligibility for coverage and financial assistance, and must require the qualified individual to report any changes within 30 days (45 CFR § 155.335(c), (e)). Once the 30-day period has lapsed, NYSOH must issue a redetermination as provided by the notice, with consideration given to any updates that may have been provided by the individual (45 CFR § 155.335(h)).

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13 ADM-03(III)(F)).

Medicaid Managed Care (MMC) plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H(6)(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019, NY Social Services Law § 364-j(1)(c); 18 NYCRR § 360-10.3(h); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13 ADM-03(III)(F)).

## Legal Analysis

The issue under review is whether NYSOH properly determined that your enrollment in your Medicaid Managed Care plan was effective January 1, 2016.

You were originally found eligible for Medicaid effective December 1, 2014.

Generally, NYSOH must redetermine a qualified individual's eligibility for Medicaid once every 12 months without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency. NYSOH's September 15, 2015 renewal notice stated that there was not enough information to determine whether you were eligible to continue your financial assistance for health insurance, and that you needed to supply additional information by November 15, 2015, or your financial assistance might end.

Because there was no timely response to this notice, you were terminated from your Medicaid Managed Care plan effective November 30, 2015.

You testified that you do not recall receiving the September 15, 2015 notice from NYSOH telling you that you needed to update the information in your NYSOH account. You testified that during that timeframe you had elected to receive notifications from NYSOH by regular mail. However, there is no evidence in the record that any of the notices that were sent to your mailing address were returned as undeliverable.

Therefore, the record reflects that NYSOH properly notified you of your annual renewal and that information in your NYSOH account needed to be updated in order to ensure your enrollment in your health plan and eligibility for financial assistance would continue.

The record shows that on December 1, 2015, you updated the information in your NYSOH account and submitted a request to enroll in a Medicaid Managed Care plan.

The date on which a Medicaid Managed Care plan can take effect depends on the day a person selects the plan for enrollment.

A plan that is selected from the first day to and including the fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected after the fifteenth day of a month goes into effect on the first day of the second following month.

Since you selected your Medicaid Managed Care plan on December 1, 2015, it must take effect on the first day of the following month; that is, on January 1, 2016.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

During the hearing you testified that your Medicaid Managed Care plan online account stated that you had coverage effective December 2015 and that you relied on that statement. In a letter you uploaded to your NYSOH account you state that “the picture file records my coverage status as “ACTIVE” for the month of December, 2015.” However, the picture that you uploaded of your Medicaid Managed Care plan account states your coverage status through that plan is Active and the effective date of that coverage is January 1, 2016.

Therefore, NYSOH’s December 6, 2015 enrollment confirmation notice is AFFIRMED because it properly began your enrollment in your Medicaid Managed Care plan on January 1, 2016.
