Decision

Decision Date: December 12, 2016

NY State of Health Account ID:

Appeal Identification Number: AP00000010271

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in your Medicaid Managed Care (MMC) plan was effective July 1, 2016?

Procedural History

On June 2, 2016, NYSOH received your application for health insurance.

On June 3, 2016, NYSOH issued a notice of eligibility determination, based on your June 2, 2016 application, stating that you were eligible for Medicaid, effective June 1, 2016.

On June 8, 2016, NYSOH issued a notice of enrollment in the plan you selected on June 7, 2016, stating that you were enrolled in a MMC plan, and that your coverage would start on July 1, 2016.

On June 15, 2016 you spoke to NYSOH's Account Review Unit and appealed the start date of your enrollment in your MMC plan, insofar as it did not begin on June 1, 2016.

On December 7, 2016, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record support the following findings of fact:

- 1) You submitted an application to NYSOH for financial assistance on June 2, 2016.
- 2) You testified that you had previously been covered under your grandmother's health insurance coverage, and that you believe that coverage ended as of June 1, 2016.
- 3) You testified that you applied for health insurance through NYSOH as soon as you realized your other insurance coverage had ended.
- 4) Your NYSOH account reflects that you selected an Emblem Health MMC plan for enrollment on June 7, 2016.
- 5) You testified that it was your understanding that your Emblem Health coverage would be backdated to June 1, 2016.
- 6) You testified that you had prenatal visits that you had to go to during the month of June 2016, and that you had to pay for those visits out of pocket.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

MMC plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 42 USC § 1315; § 364-j(1)(c); 18 NYCRR § 360-10.3(h), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Legal Analysis

The issue is whether NYSOH properly determined that your enrollment in the MMC plan was effective July 1, 2016.

The record reflects that you logged into your NYSOH account on June 7, 2016 and enrolled into a MMC plan, and you confirmed this in your testimony.

The date on which a MMC plan can take effect depends on the day a person selects the plan for enrollment.

A plan that is selected from the first day to and including the fifteenth day of a month will go into effect on the first day of the following month. A plan that is selected on or after the sixteenth day of the month will go into effect on the first day of the second following month.

On June 7, 2016, you selected a MMC plan, so it properly took effect on the first day of the month following after June; that is, on July 1, 2016.

Therefore, the June 8, 2016 enrollment confirmation notice stating that your enrollment in your MMC plan would be effective July 1, 2016, was correct and must be AFFIRMED.
