Decision

Decision Date: March 28, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000013821

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you, your spouse, and your child were eligible to receive up to \$697.00 per month in advance payments of the premium tax credit, effective January 1, 2017?

Did NYSOH properly determine that you, your spouse, and your child were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you, your spouse, and your child were not eligible for the Essential Plan?

Procedural History

On December 5, 2016, you updated your application for financial assistance. That day, a preliminary eligibility determination was prepared stating that you, your spouse, and your child were eligible to receive an advance premium tax credit (APTC) of up to \$697.00 per month, effective January 1, 2017. The notice also stated that your family was not eligible for cost-sharing reductions (CSR) and the Essential Plan.

Also on December 5, 2016, you spoke to NYSOH's Account Review Unit and appealed the December 5, 2016 preliminary eligibility determination insofar as you were seeking a greater amount of APTC or, in the alternative, eligibility for the Essential Plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 6, 2016, NYSOH issued a notice of eligibility determination, based on the December 5, 2016 application, stating that your family was eligible to receive an APTC of up to \$697.00 per month, and not eligible for CSR or the Essential Plan, effective January 1, 2017. That notice also stated that you were not eligible for either CSR or the Essential Plan because your household income was over the allowable income limits for those programs.

On March 24, 2017, your spouse, acting as your Authorized Representative, had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) Your spouse testified that you expect to file your 2017 taxes with a tax filing status of married filing jointly. You will claim your child as a dependent on that tax return.
- 2) You are seeking insurance for you, your spouse, and your child.
- 3) The application that was submitted on December 5, 2016 listed annual household income of \$73,715.21, consisting of \$38,994.93 you expect to receive from your employment with the [REDACTED], \$3,510.00 you expect to receive from your employment with [REDACTED] \$26,729.96 your spouse expects to receive from her employment with [REDACTED] and \$4,480.32 your spouse expects to receive her employment with [REDACTED]. Your spouse testified that these amounts were correct when provided on December 5, 2016, and remain correct.
- 4) Your spouse testified, and your application reflects, that you will not be taking any deductions on your 2016 tax return.
- 5) You live in Nassau County, New York.
- 6) Your spouse testified that you were seeking for your family to be found eligible for either a greater amount of tax credits to make NYSOH plans more affordable or, in the alternative, to be found eligible for the Essential Plan.
- 7) Your spouse testified that your family was previously found eligible for the Essential Plan and, since you revised your application on December 5, 2016, in which you experienced a slight increase in income, your spouse did not understand why your family did not remain eligible for that plan.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$20,160.00 for a three-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 300% but less than 400% of the 2016 FPL, the expected contribution is 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

Cost-Sharing Reductions

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$20,160.00 for a three-person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

Legal Analysis

The first issue is whether NYSOH properly determined that your family was eligible for an APTC of up to \$697.00 per month.

The application that was submitted on December 5, 2016 listed an annual household income of \$73,715.21, which was comprised of (1) \$38,994.93 you expect to receive from your employment with the [REDACTED], (2) \$3,510.00 you expect to receive from your employment with [REDACTED] (3)

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

\$26,729.96 your spouse expects to receive from her employment with [REDACTED], and (4) \$4,480.32 your spouse expects to receive her employment with [REDACTED]. The eligibility determination relied upon that information.

You are in a three-person household. You expect to file your 2017 income taxes as married filing jointly and will claim your child as a dependent on that tax return.

You reside in Nassau County, where the second lowest cost silver plan available for a couple and one dependent through NYSOH costs \$1,292.15 per month.

An annual income of \$73,715.21 is 365.65% of the 2016 FPL for a three-person household. At 365.65% of the FPL, the expected contribution to the cost of the health insurance premium is 9.69% of income, or \$595.25 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for a couple and one dependent in your county (\$1,292.15 per month) minus your expected contribution (\$595.25 per month), which equals \$696.90 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined your family to be eligible for up to \$697.00 per month in APTC.

The second issue is whether your family was properly found not eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$73,715.21 is 365.65% of the applicable FPL, NYSOH correctly found you to be not eligible for CSR.

The third issue under review is whether NYSOH properly determined that your family was not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$20,160.00 for a three-person household. Since an annual household income of \$73,715.21 is 365.65% of the 2016 FPL, NYSOH properly found your family to be not eligible for the Essential Plan.

Since the December 6, 2016 eligibility determination notice properly stated that, based on the information you provided, your family was eligible for up to \$697.00 per month in APTC, not eligible for CSR, and not eligible for the Essential Plan, it is correct and is AFFIRMED.
