## Decision

Decision Date: June 2, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000013984

[REDACTED]

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$204.00 per month in advance payments of the premium tax credit, effective January 1, 2017?

Did NY State of Health properly determine that you were ineligible for cost-sharing reductions?

Did NY State of Health properly determine that you were ineligible for the Essential Plan?

Did NY State of Health properly determine that you were ineligible for Medicaid?

## Procedural History

On December 9, 2016, you submitted an application for financial assistance.

On December 10, 2016, NY State of Health (NYSOH) issued a notice of eligibility determination stating that you were eligible to receive up to \$204.00 per month in advance payments of the premium tax credit (APTC), effective January 1, 2017. That notice also stated that you were not eligible for cost-sharing reductions, the Essential Plan, or Medicaid because your income was over the allowable income limits for those programs.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 13, 2016, you spoke to NYSOH's Account Review Unit and appealed the determination insofar as you were not found eligible for additional financial assistance. You also requested Aid to Continue pending the outcome of your appeal.

On December 17, 2016, NYSOH issued a notice of eligibility determination stating that you were eligible for Medicaid through NYSOH for a limited time as you had been granted Aid to Continue until a decision was made on your appeal, effective January 1, 2017.

On May 16, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open for fourteen days, to allow you to submit supporting documents. Specifically, the Hearing Officer directed you to submit all your paystubs for pay dates in December 2016.

On May 30, 2017, the Appeals Unit received via fax four of your paystubs from December 2016. These paystubs were collectively marked as Appellant's Exhibit #1 and incorporated into the record. The record is now closed.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on December 9, 2016 listed annual household income of \$33,280.00, consisting of wages you earn from your employment. You testified that this amount was correct.
- 4) You testified that you currently earn \$18.00 per hour and work between 40 and 48 hours per week. You testified that you received a raise in March 2017, and that your hourly rate was previously \$12.00 per hour.
- 5) You testified that you are paid on a weekly basis.
- 6) You testified that your gross income for December 2016 was \$900.00.
- 7) You submitted four paystubs. The first is for pay date December 9, 2016 for a gross pay amount of \$640.00; the second is for pay date December 16, 2017 for a gross pay amount of \$838.00; the third is for pay date

December 23, 2016 for a gross pay amount of \$928.00; and the fourth is for pay date December 30, 2016 for a gross pay amount of \$992.00.

- 8) Your application states, and your testimony confirmed, that you will not be taking any deductions on your 2017 tax return.
- 9) Your application states that you live in Richmond County.
- 10) You testified that you have bills including utilities of \$50.00 to \$100.00 per month, your phone bill of \$115.00 per month, your car payment of \$299.00 per month, and your car insurance of \$200.00 per month that you would like considered when determining your household income.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 250% but less than 300% of the 2016 FPL, the expected contribution is between 8.21% and 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

### Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45

CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

### Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

### Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term "modified adjusted gross income" means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3)

Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

“Adjusted gross income” means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)). Living expenses, such as rent and utilities are not an allowable deduction in computing adjusted gross income.

## **Legal Analysis**

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$204.00 per month.

The application that was submitted on December 9, 2016 listed an annual household income of \$33,280.00 and the eligibility determination relied upon that information.

During the hearing, you testified that the amount you provided in your application was correct. However, you asked that your current expenses, which include utilities of \$50.00 to \$100.00 per month, your phone bill of \$115.00 per month, your car payment of \$299.00 per month, and your car insurance of \$200.00 per month, and other living expenses, be considered when calculating your annual household income.

Since the Internal Revenue Service rules do not allow living expenses such as rent, utilities, cable and phone to be deducted from the calculation of your adjusted gross income, they cannot be deducted when the NYSOH computes your modified adjusted gross income for APTC purposes. Therefore, NYSOH correctly determined your household income to be \$33,280.00.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Richmond County, where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$33,280.00 is 280.13% of the 2016 FPL for a one-person household. At 280.13% of the FPL, the expected contribution to the cost of the health insurance premium is 9.10% of income, or \$252.43 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your

county (\$456.46 per month) minus your expected contribution (\$252.43 per month), which equals \$204.03 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$204.00 per month in APTC.

The second issue is whether you were properly found ineligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$33,280.00 is 280.13% of the applicable FPL, NYSOH correctly found you to be ineligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$11,880.00 is 280.13% of the 2016 FPL, NYSOH properly found you to be ineligible for the Essential Plan.

The fourth issue is whether NYSOH properly determined that you were ineligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since \$33,280.00 is 280.13% of the 2016 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

It appears that you have not submitted all your paystubs for December 2016, as you testified that you were paid on a weekly basis, and the first paystub you submitted is for pay date December 9, 2016. However, you submitted paystubs that show in December 2016 you received at least \$3,398.00.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,367.00 per month. Since the documentation you provided shows that you earned at least \$3,398.00 in December 2016 you do not qualify for Medicaid on the basis of monthly income as of the date of your application.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Since the December 10, 2016 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$204.00 per month in APTC, ineligible for cost-sharing reductions, ineligible for the Essential Plan and ineligible for Medicaid, it is correct and is AFFIRMED.
