## Decision

Decision Date: March 29, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000014069

[REDACTED]

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$247.00 per month in advance payments of the premium tax credit (APTC) for a limited time, effective January 1, 2017?

Did NYSOH properly determine that you were eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

## Procedural History

On December 15, 2016, you completed an application for financial assistance with health insurance through NYSOH. That day, a preliminary eligibility determination was prepared stating that you were eligible, for a limited time, to receive up to \$247.00 per month in APTC and eligible to receive cost-sharing reductions if you enrolled in a silver level qualified health plan, effective January 1, 2017.

Also on December 15, 2016, you spoke to NYSOH's Account Review Unit and appealed that preliminary eligibility determination, insofar as you were not found eligible for a higher level of APTC or for the Essential Plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 16, 2016, NYSOH issued a notice of eligibility determination, based on the December 15, 2016 application, stating that you were eligible, for a limited time, to receive up to \$247.00 in APTC, and eligible to receive cost-sharing reductions if you enrolled in a silver level qualified health plan, effective January 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income was over the allowable income limit for that program.

On March 24, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of married filing jointly. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only
- 3) The application that was submitted on December 15, 2016 listed annual household income of \$35,000.00, consisting of your income from your spouse's employment. You testified that this amount was correct.
- 4) Your application states that you will not be taking any deductions on your 2017 tax return.
- 5) Your application states that you live in Nassau County.
- 6) You testified that you are looking for more financial assistance because you do not have a job right now, and cannot afford to pay for health insurance with the amount of financial assistance you were deemed eligible for.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138%

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$16,020.00 for a two-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution is between 6.43% and 8.21% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

## Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

## Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$16,020.00 for a two-person household (81 Fed. Reg. 4036.).

## **Legal Analysis**

The first issue under review is whether NYSOH properly determined that you were eligible for APTC of up to \$247.00 per month.

The application that was submitted on December 15, 2016 listed an annual household income of \$35,000.00 and the eligibility determination relied upon that information. You testified that this amount is correct.

You are in a two-person household. You expect to file your 2017 income taxes as married filing jointly and will claim no dependents on that tax return.

You reside in Nassau County, where the second lowest cost silver plan available for an individual through NYSOH costs \$453.37 per month.

An annual income of \$35,000.00 is 218.48% of the 2016 FPL for a two-person household. At 218.48% of the FPL, the expected contribution to the cost of the health insurance premium is 7.09% of income, or \$206.79 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$453.37 per month) minus your expected contribution (\$206.79 per month), which equals \$246.58 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$247.00 per month in APTC.

The second issue under review is whether you were properly found eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$35,000.00 is 218.48% of the applicable FPL, NYSOH correctly found you to be eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan, as of your December 15, 2016 application.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$16,020.00 for a two-person household. Since an annual household income of \$35,000.00 is 218.48% of the 2016 FPL, NYSOH properly found you to be ineligible for the Essential Plan.

Since the December 16, 2016 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$247.00 per month in APTC, eligible for cost-sharing reductions, and ineligible for the Essential Plan, it is correct and is AFFIRMED.
