## Decision

Decision Date: April 10, 2017

NY State of Health Account ID: Appeal Identification Number: AP000000014742

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in an Essential Plan was effective November 1, 2016?

# **Procedural History**

On September 29, 2016, your NYSOH account was created by a certified application counselor. No determination was made.

On January 10, 2017, you contacted NYSOH to file an appeal regarding your eligibility for financial assistance.

On January 13, 2017, your NYSOH account was updated and an application was submitted on your behalf. That day, a preliminary eligibility was prepared stating that you were eligible for the Essential Plan, effective February 1, 2017.

Also on January 13, 2017, NYSOH contacted you to clarify your appeal filed on January 10, 2017. You clarified that you were appealing the start date of your coverage insofar as you were not covered as of October 1, 2017.

On January 14, 2017, NYSOH issued a notice of eligibility determination, based on your January 13, 2017 application, stating that you were eligible to enroll in the Essential Plan for a limited time, effective February 1, 2017.

Also on January 14, 2017, NYSOH issued a notice of enrollment, based on your plan selection on January 13, 2017, stating that you were enrolled in an Essential Plan, and that your plan would start February 1, 2017.

On January 31, 2017, your coverage in the Essential Plan was backdated to November 1, 2016.

On March 21, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. During the hearing, **Sector** Interpreter **Sector** was conferenced in to assist in translating the hearing. The record was developed during the hearing and held open to April 5, 2017, to allow you time to submit supporting documentation of your income for the month of October 2016.

As of the close of the business day on April 5, 2017, the Appeals Unit did not receive any documents from you and none were viewable in your NYSOH account. Therefore, the record was closed that same day and this decision is based on the record as developed at the time of the hearing.

# **Findings of Fact**

A review of the record supports the following findings of fact:

- Your account was created by a certified application counselor on September 29, 2016. No application was submitted that day because of "Identify Proofing Fail."
- 2) You testified that you had multiple problems when attempting to submit an application for health insurance in September.
- 3) On January 13, 2017, a complete application was submitted.
- 4) You testified, and the record reflects, that you enrolled in an Essential Plan on January 13, 2017.
- 5) On January 13, 2017, you filed a complaint with NYSOH in regards to the start date of your Essential Plan (Tracking **Sector**). That complaint states that you were seeking a start date of October 1, 2016 because the certified application counselor that started the application on September 29, 2016 put in in the incorrect immigration information.
- 6) On January 31, 2017, your coverage in the Essential Plan was backdated to November 1, 2016.

7) You testified that you wanted your enrollment in an Essential Plan to begin on October 1, 2016 because you have outstanding medical bills from that month.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

# **Applicable Law and Regulations**

## Essential Plan Effective Date

For individuals seeking enrollment in an Essential Plan, New York State has elected to follow the same rules that NYSOH uses in determining effective dates for individuals seeking enrollment in qualified health plans (NY Social Services Law § 369-gg(4)(c); New York's Basic Health Plan Blueprint, p. 16, as approved January 2016; *see* https://www.medicaid.gov/basic-health-program/basic-health-program.html).

The effective date of coverage by an Essential Plan is determined by the date on which an applicant selects a plan for enrollment. For individuals who are eligible for enrollment, NYSOH must generally ensure that coverage is effective the first day of the following month for selections received by NYSOH from the first to the fifteenth of any month (45 CFR §§ 155.410(f)(2), 155.420(b)(1)(i); see also 42 CFR § 600.320). For selections received by NYSOH from the sixteenth to the last day of any month, NYSOH must ensure coverage is effective the first day of the second following month (45 CFR §§ 155.410(f)(2), 155.420(b)(1)(i)).

# Legal Analysis

The issue is whether NYSOH properly determined that your enrollment in the Essential Plan was effective November 1, 2016.

Your account was created by a certified application counselor on September 29, 2016. No application was submitted that day because of "Identify Proofing Fail." You testified that you had multiple problems when attempting to submit an application for health insurance in September.

On January 13, 2017, a complete application was submitted. As a result, you were found eligible for and enrolled in an Essential Plan effective February 1, 2017. However, Complaint **Constant of the second end** resulted in NYSOH backdating your coverage to November 1, 2016 because of the difficulties that you had with your application in September 2016.

The date on which enrollment in an Essential Plan can take effect depends on the day a person selects the plan for enrollment.

A plan that is selected from the first day to and including the fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month to the end of the month goes into effect on the first day of the second following month.

Since your account was created on September 29, 2016 and had you been able to properly select an Essential Plan on that day, your enrollment would have properly taken effect on the first day of the second month following September; that is, on November 1, 2016.

Therefore, the January 14, 2017 enrollment confirmation notice stating that your enrollment in the Essential Plan was effective February 1, 2017, is MODIFIED to state that your enrollment in the Essential Plan was effective November 1, 2016. Since NYSOH has already made your plan effective as of that day, there is no need to return your case to NYSOH.

## Decision

The January 14, 2017 enrollment confirmation notice stating that your enrollment in the Essential Plan was effective February 1, 2017, is MODIFIED to state that your enrollment in the Essential Plan was effective November 1, 2016. Since NYSOH has already made your plan effective as of that day, there is no need to return your case to NYSOH.
