Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your child's enrollment in a Medicaid Managed Care plan terminated effective October 31, 2016?

Procedural History

On July 19, 2016, NY State of Health (NYSOH) issued an eligibility determination notice stating that your child was eligible for Medicaid effective August 1, 2016.

On July 20, 2016, NYSOH issued a notice of enrollment confirming your child's enrollment in a Medicaid Managed Care plan, with a plan enrollment start date of September 1, 2016.

On November 9, 2016, NYSOH redetermined your household's eligibility for financial assistance with health insurance.

On November 10, 2016, NYSOH issued a notice of eligibility redetermination stating that your child remained eligible for Medicaid, effective November 1, 2016.

Also on November 10, 2016, a disenrollment notice was issued stating your child's coverage in her Medicaid Managed Care plan would be terminated effective October 31, 2016. The notice stated the system was showing that your child had other full benefit health insurance or Medicare.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 5, 2016, NYSOH issued an eligibility determination notice stating that your child was no longer eligible for Medicaid but that her coverage would continue until July 31, 2017 because certain individuals who qualified for Medicaid get coverage for twelve continuous months.

Also on December 5, 2016, your child was enrolled in a Child Health Plus plan at full cost effective January 1, 2017.

On December 6, 2016, NYSOH issued an enrollment notice confirming your child's enrollment in a full cost Child Health Plus plan January 1, 2017.

On January 23, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your child's enrollment in her Child Health Plus Plan insofar as her enrollment did not begin November 1, 2016.

On January 26, 2017, you uploaded a letter from Aetna showing that your child's coverage through them was cancelled as of August 1, 2016 due to an erroneous enrollment.

On May 5, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified, and your account confirms, that your child was determined eligible for Medicaid effective August 1, 2016.
- 2) You testified that on July 19, 2016 you selected a Medicaid Managed Care plan.
- 3) You testified, and your account confirms, that on November 10, 2016 your child was disenrolled from her Medicaid Managed Care plan because the system determined that she had active third party health insurance. The effective date of the disenrollment was October 31, 2016.
- 4) You testified that your child had insurance through Aetna until August 1, 2016.
- 5) On January 26, 2017, you uploaded a letter from Aetna stating that your child had coverage through them until August 1, 2016. The letter stated

she was erroneously enrolled in a plan and was terminated retroactively to this date.

- 6) You testified that your child was without a Medicaid Managed Care plan during November, and December, 2016 and incurred medical bills.
- 7) The record does not contain any information from NYSOH regarding where they obtained the information that you were enrolled in third party health insurance.
- 8) The record indicates that your child was then enrolled in a full cost Child Health Plus plan, effective January 1, 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if that individual was eligible at any time during that month (42 CFR § 435.915(b); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 18 NYCRR § 360-10.3(h),; Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13 ADM-03(III)(F)).

Continuous Coverage

Most applicants determined eligible for Medicaid are guaranteed 12 months of Medicaid coverage offered through Medicaid Managed Care, even if the adult loses Medicaid eligibility because of any changes or updates they make to their Marketplace account. For example, even if income increases above the Medicaid limit allowed for the household size, the insured will remain covered under Medicaid for a 12-month period. This 12-month period is referred to as “continuous coverage,” and is set based on the start date of the original Medicaid eligibility determination or the date of any subsequent Medicaid eligibility determination based on modified adjusted gross income (see 42 CFR § 435.916; NY Social Services Law (NY SSL) § 366(4)(c)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Third Party Health Insurance

A person who has primary medical or health care coverage available from or under a third-party insurance provider is not permitted to enroll into a Medicaid Managed Care plan (NY SSL § 364-j(3)(e)(xx); Medicaid Managed Care Model Contract (Appendix H-6), effective 3/1/2014 – 2/28/2019). However, they will remain eligible for fee-for-service Medicaid with limited exceptions, including entering prison or another facility that provides medical care, lack of state residence, or failing to provide a valid social security number (NY SSL § 366(4)(c)).

Legal Analysis

The issue for review is whether NYSOH properly determined that your child's enrollment in her Medicaid Managed Care plan was terminated effective October 31, 2016.

In the July 19, 2016 notice of eligibility determination, your child was found eligible for Medicaid, effective August 1, 2016. On July 19, 2016, you selected a Medicaid Managed Care plan for your child, effective September 1, 2016, as is documented by the July 20, 2016 notice of enrollment confirmation.

Generally, when an individual is eligible for Medicaid through NYSOH they are required to enroll in a Medicaid Managed Care plan. Applicants determined eligible will be enrolled or remain in their Medicaid plan with limited exceptions, including entering prison or another facility that provides medical care, moving out of state, or failing to provide a valid Social Security number.

On November 9, 2016, NYSOH redetermined your household's eligibility for financial assistance with health insurance. On November 10, 2016, NYSOH issued a disenrollment notice advising that your child's coverage in her Medicaid Managed Care plan would be terminated as of October 31, 2016, because she had full benefit health insurance or Medicare.

When NYSOH determines that a person has active coverage in a health insurance plan outside of NYSOH, that person is not eligible to enroll or remain enrolled in a Medicaid Managed Care plan.

However, you credibly testified that your child's coverage under her third-party health insurance ended on August 1, 2016 and submitted documentation from your health plan Aetna confirming that her coverage ended August 1, 2016 due to an erroneous enrollment and subsequent retroactive disenrollment.

Therefore, when NYSOH cancelled your child's coverage in a Medicaid Managed Care plan due to her having third party health insurance, she did not, in fact, have third party health insurance and the information relied upon by NYSOH in making the determination to terminate her coverage under her Medicaid Managed Care plan was incorrect.

Accordingly, the November 10, 2016 disenrollment notice terminating her coverage under her Medicaid Managed Care plan, effective October 31, 2016 is RESCINDED.

Your case is RETURNED to NYSOH to reinstate your child in her Medicaid Managed Care plan effective November 1, 2016 until January 1, 2017 when she was subsequently enrolled in a full price Child Health Plus plan.

Decision

The November 10, 2016 disenrollment notice is RESCINDED.

Your case is RETURNED to NYSOH to reinstate your child's Medicaid Managed Care plan effective November 1, 2016 through December 31, 2016.

Effective Date of this Decision: May 30, 2017

How this Decision Affects Your Eligibility

NYSOH improperly disenrolled your child from her Medicaid Managed Care plan effective October 31, 2016.

Your case is being sent back to reinstate your child's Medicaid Managed Care plan as of November 1, 2016.

This determination has no effect over your child's subsequent enrollment in a Child Health Plus plan effective January 1, 2017.
