Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 42 USC § 1315; § 364-j(1)(c); 18 NYCRR § 360-10.3(h), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Verification Process

For all individuals whose income is needed to calculate the household's eligibility, NYSOH must request data that will allow NYSOH to verify the household's income (45 CFR §155.320(c)(1)(i), 42 CFR § 435.945).

If NYSOH cannot verify the income information required to determine eligibility they must attempt to resolve the inconsistency including giving the applicant the opportunity to submit satisfactory documentary evidence (45 CFR §155.315(f) 42 CFR § 435.952).

Timely Notice of Medicaid Eligibility

When an individual applies for insurance through NYSOH, NYSOH must determine that person's eligibility promptly and without undue delay (45 CFR § 155.310(e)(1); 42 CFR § 435.1200(b)(3)(iii)).

To assess whether an eligibility determination was untimely, NYSOH must base the time period from the date of application to the date NYSOH notifies the applicant of its decision (45 CFR § 155.310(e)(2)). However, if the applicant submits an incomplete application or there is not sufficient information for NYSOH to make an eligibility determination, then NYSOH must notify that applicant that more information is needed to complete the application (45 CFR § 155.310(k)(1)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

NYSOH must provide Medicaid applicants notice of their eligibility determination within 45 days from the date of the application (42 CFR § 435.912).

Legal Analysis

The first issue is whether NYSOH provided you with timely determination of your Medicaid eligibility as of December 10, 2016.

For all individuals whose income is needed to calculate the household's eligibility, NYSOH must request data that will allow NYSOH to verify the household's income. If NYSOH cannot verify the income information required to determine eligibility they must attempt to resolve the inconsistency including giving the applicant the opportunity to submit satisfactory documentary evidence.

You updated your NYSOH account on October 24, 2016, attesting to an annual household expected income of \$49,067.71. The income amount that was entered into this application did not match federal and state data sources. As a result, NYSOH asked that you submit additional documentation to confirm your income.

On October 26, 2016, you submitted a letter from your employer, stating that you were just hired and that your hourly rate would be \$9.75. This letter was invalidated by NYSOH on October 31, 2016 as insufficient. However, since you had just been hired, this letter contained all the information available to you at the time and should have been validated at sufficient proof of income.

Therefore, your application was considered complete as of October 26, 2016 for purposes of issuing an eligibility determination.

NYSOH must provide Medicaid applicants notice of their eligibility determination within 45 days from the date of the completed application. To assess whether an eligibility determination was untimely, NYSOH must base the time period from the date of the completed application to the date NYSOH notifies the applicant of its decision.

Since your application was complete on October 26, 2016, a full eligibility determination should have been issued within 45 days, or by December 10, 2016.

NYSOH issued an eligibility determination notice on December 10, 2016 that stated you were eligible for Medicaid effective December 1, 2016. Since NYSOH issued an eligibility determination 45 days from the date your application was considered complete, the December 10, 2016 eligibility determination was timely and is **AFFIRMED**.

The second issue is whether NYSOH properly determined that your enrollment in your Medicaid Managed Care plan was effective January 1, 2017.

The record reflects that you contacted NYSOH on December 10, 2016 and enrolled into a Medicaid Managed Care plan.

The date on which a Medicaid Managed Care plan can take effect depends on the day a person selects the plan for enrollment.

A plan that is selected from the first day to and including the fifteenth day of a month will go into effect on the first day of the following month. A plan that is selected on or after the sixteenth day of the month will go into effect on the first day of the second following month.

Since the December 10, 2016 eligibility determination notice was timely issued, you were able to select a Medicaid Managed Care plan as of December 10, 2016. Your plan would therefore properly take effect on the first day of the next month following after December 10, 2016; that is, on January 1, 2017.

Therefore, the December 11, 2016 enrollment confirmation notice stating that your enrollment in your Medicaid Managed Care plan would be effective January 1, 2017, was correct and must be AFFIRMED.
