Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$122.00 per month in advance payments of the premium tax credit, effective February 1, 2017?

Did NY State of Health properly determine that you were ineligible for cost-sharing reductions?

Did NY State of Health properly determine that you were ineligible for the Essential Plan?

Did NY State of Health properly determine that you were ineligible for Medicaid?

Procedural History

On January 15, 2017, you submitted an application for financial assistance.

On January 16, 2017, NY State of Health (NYSOH) issued a notice of eligibility determination stating that you were eligible to receive up to \$122.00 per month in advance payments of the premium tax credit (APTC) for a limited time, effective February 1, 2017. That notice also stated that you were not eligible for cost-sharing reductions, the Essential Plan, or Medicaid because your income was over the allowable income limits for those programs. The notice further directed you to submit income documentation by April 15, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On February 6, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not found eligible for additional financial assistance.

On May 9, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open for twenty-one days, to allow you time to submit supporting documents. On May 25, 2017, you uploaded to your NYSOH account your 2016 W-2s, a letter from your employer regarding income you received in 2016 and 2017, your 2016 expenses, and a break-down of your 2017 monthly income and expenses. These documents were collectively marked as Appellant's Exhibit #1 and incorporated into the record. The record is now closed.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on January 15, 2017 listed annual household income of \$42,000.00. You testified that you are not sure if this amount is correct.
- 4) You provided documentation that your monthly income for January 2017 was \$20,889.40.
- 5) You testified that your 2016 income was approximately \$38,000.00 after business expenses.
- 6) You provided documentation that your income for 2016 prior to deductions was \$55,383.94 and your 2016 deductions totaled \$17,298.76, for an adjusted gross income of \$38,085.18.
- 7) You testified that you are not sure if your income will be similar to your income in 2016.
- 8) You testified that you are not sure if your business expenses for 2017 will be similar to those in 2016.
- 9) Your application states that you live in Westchester County.

10) You testified that you pay \$1,000.00 per month in child support that you think should be deducted from your household income.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc. 2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 300% but less than 400% of the 2016 FPL, the expected contribution is 9.69 % of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Household Composition

For purposes of advance premium tax credit (APTC) and cost-sharing reductions (CSR), the household size equals the number of individuals for whom the taxpayer is allowed a deduction under 26 USC § 151 for the taxable year, which typically includes: (1) the taxpayer, (2) his or her spouse, and (3) any claimed dependents (26 USC § 36B(d)(1)).

For purposes of Medicaid eligibility, "family size" means the number of persons counted as members of an individual's household. The household of a taxpayer who expects to file a return, and does not expect to be claimed as a tax dependent by anyone else, consists of the taxpayer plus all people the taxpayer expects to claim as tax dependents (42 CFR § 435.603(f)(1)).

Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term “modified adjusted gross income” means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

“Adjusted gross income” means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)).

Generally, payments made for the support of children cannot be deducted by the parent who is making the payments (26 USC § 71(c)(1)).

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for APTC of up to \$122.00 per month.

The application that was submitted on January 15, 2017 listed an annual household income of \$42,000.00 and the eligibility determination relied upon that information.

During the hearing, you requested that your child support payments of \$1,000.00 per month be considered when calculating your annual household income.

Since the Internal Revenue Service rules do not allow child support payments to be deducted by the parent making the payment, these payments cannot be deducted when NYSOH computes your modified adjusted gross income for APTC purposes. Therefore, NYSOH correctly determined your household income to be \$42,000.00.

You expect to file your 2017 tax return as single and will claim no dependents on that tax return. Therefore, you are in a one-person household.

You reside in Westchester County, where the second lowest cost silver plan available for an individual through NYSOH costs \$461.49 per month.

An annual income of \$42,000.00 is 353.54% of the 2016 FPL for a one-person household. At 353.54% of the FPL, the expected contribution to the cost of the health insurance premium is 9.69% of income, or \$339.15 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$461.49 per month) minus your expected contribution (\$339.15 per month), which equals \$122.34 per month. Therefore, rounding to the nearest

dollar, NYSOH correctly determined you to be eligible for up to \$122.00 per month in APTC.

The second issue is whether you were properly found ineligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$42,000.00 is 353.54% of the applicable FPL, NYSOH correctly found you to be ineligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$42,000.00 is 353.54% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

The fourth issue is whether NYSOH properly determined that you were ineligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since \$42,000.00 is 353.54% of the 2016 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You submitted a letter from your employer and a detailed accounting of expenses that show in January 2017 you received \$20,889.40.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,367.00 per month. Since the documentation you provided shows that you earned \$20,889.40 in January 2017 you do not qualify for Medicaid on the basis of monthly income as of the date of your application.

Since the January 16, 2017 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$122.00 per month in

APTC, ineligible for cost-sharing reductions, ineligible for the Essential Plan and ineligible for Medicaid, it is correct and is AFFIRMED.

During the hearing, you testified that your 2016 income after business expenses was approximately \$38,000.00 and you submitted documentation that your 2016 income after business expenses was \$38,085.18.

NYSOH has already redetermined your eligibility based on an annual expected income of \$38,085.00, therefore the NYSOH Appeals Unit declines to return your case to NYSOH for a redetermination.

Decision
