Decision

Decision Date: June 29, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000015847

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$224.00 per month in advance payments of the premium tax credit, effective March 1, 2017?

Did NY State of Health properly determine that you were ineligible for the Essential Plan?

Procedural History

On February 14, 2017, you updated your application for financial assistance. That day, a preliminary eligibility determination was prepared stating that you were eligible to receive an APTC of up to \$224.00, effective March 1, 2017. The notice also stated that you were not eligible for the Essential Plan.

Also on February 14, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not found eligible for the Essential Plan.

On February 15, 2017, NYSOH issued a notice of eligibility determination, based on the February 14, 2017 application, stating that you were eligible to receive an APTC of up to \$224.00 per month, effective March 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income was over the allowable income limits for that programs.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On May 23, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on February 14, 2017 listed annual household income of \$31,853.64, consisting solely of income you received from your employment with [REDACTED]. You testified that this amount was correct.
- 4) Your February 14, 2017 application states that you will not be taking any deductions on your 2017 tax return.
- 5) You live in Bronx County, New York.
- 6) You testified that you were seeking to be found eligible for the Essential Plan since the plans available through NYSOH, even after applying the maximum APTC of \$224.00, were unaffordable to you.
- 7) You testified that you were also seeking for your coverage begin as of January 1, 2017, rather than March 1, 2017, since you had incurred significant medical expenses in connection with [REDACTED] during that month.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 250% but less than 300% of the 2016 FPL, the expected contribution is between 8.21% and 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

Qualified Health Plan Start Date

The effective date of coverage by a qualified health plan is determined by the date on which an applicant selects a plan for enrollment. For individuals who are eligible for enrollment, NYSOH must generally ensure that coverage is effective the first day of the following month for selections received by NYSOH from the first to the fifteenth of any month (45 CFR §§ 155.410(f)(2), 155.420(b)(1)(i)). For selections received by NYSOH from the sixteenth to the last day of any month, NYSOH must ensure coverage is effective the first day of the second following month (45 CFR §§ 155.410(f)(2), 155.420(b)(1)(ii)).

Legal Analysis

The first issue is whether NYSOH properly determined that were eligible for an APTC of up to \$224.00 per month.

The application that was submitted on February 14, 2017 listed an annual household income of \$31,853.64 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Bronx County, where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$31,853.64 is 268.13% of the 2016 FPL for a one-person household. At 268.13% of the FPL, the expected contribution to the cost of the health insurance premium is 8.75% of income, or \$232.18 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$232.18 per month), which equals \$224.28 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$224.00 per month in APTC.

When an individual changes information in their enrollment on or before the 15th of any month, NYSOH must make the redetermination that results from the change effective the first day of the following month. Additionally, the date on which a qualified health plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected from the first day to and including fifteenth day of a month goes into effect on the first day of the following month.

Therefore, since the record reflects that you updated your NYSOH account on February 14, 2017, your eligibility for enrollment in a qualified health plan would have begun no earlier than March 1, 2017.

The second issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$31,853.64 is 268.13% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

Since the February 15, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$224.00 per month in APTC and ineligible for the Essential Plan, effective March 1, 2017, it is correct and is AFFIRMED.

Your case is RETURNED to NYSOH since you are awarded a special enrollment period in which to select a qualified health plan within 60 days of the effective date of this Decision.
