Appeal Identification Number: AP000000015863

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) provide a timely determination of your Medicaid eligibility as of February 15, 2017?

Did NYSOH properly determine that your Medicaid Managed Care plan began March 1, 2017?

Procedural History

On January 17, 2017, NYSOH ran your application for financial assistance with your health insurance.

On January 18, 2017, NYSOH issued a notice stating more information was needed to make a determination. The notice explained the income documentation you provided NYSOH did not match what was obtained from state and federal data sources. You were asked to submit income documentation for your household by February 1, 2017.

On January 30, 2017, you faxed a copy of your 2016 W2 to NYSOH.

On February 2, 2017, NYSOH received your updated application for health insurance. Also on this date you uploaded NYS Unemployment documentation to your NYSOH account, as well as your spouse's Social Security award letter.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On February 14, 2017, NYSOH verified the documentation you uploaded on February 2, 2017 and a new application was submitted on your behalf.

On February 15, 2017, NYSOH issued an eligibility determination notice finding you eligible for Medicaid effective February 1, 2017.

Also on February 15, 2017, you were enrolled into a Medicaid Managed Care plan, with a start date of March 1, 2017.

Also on February 15, 2017, you contacted the NYSOH Account Review Unit and requested an appeal of the start date of your Medicaid Managed Care plan, requesting that it begin February 1, 2017.

On February 16, 2017, an enrollment confirmation notice was issued confirming your selection of a Medicaid Managed Care plan on February 15, 2017. The notice confirmed your enrollment in a plan starting March 1, 2017.

On June 19, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open up to July 3, 2017 to allow you time to submit supporting documentation.

On July 1, 2017, NYSOH received copies of your notes and they were incorporated into the record as Appellant's Exhibit [REDACTED]. The record remained open to July 3, 2017, but no other documentation was received. The record was closed that day.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified, and the record reflects, that you are appealing your enrollment start date of your Medicaid Managed Care plan.
- 2) According to your NYSOH account, NYSOH received your applications for financial assistance on January 17, 2017 and February 2, 2017.
- 3) You testified, and the record reflects, that you faxed your 2016 W2 from New York State unemployment to NYSOH on January 30, 2017. It was uploaded to your account on February 10, 2017.
- 4) You testified, and the record reflects that on February 2, 2017 you submitted current unemployment benefit documentation and your spouse's Social Security award letter to NYSOH for verification of the income stated in your February 2, 2017 application.

- 5) On February 14, 2017, your documentation was verified as acceptable proof of income.
- 6) The record reflects that you were enrolled into a Medicaid Managed Care plan on February 15, 2017.
- 7) You testified that you want your Medicaid Managed Care plan to begin on February 1, 2017 because you have outstanding bills for services rendered in February 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 42 USC § 1315; § 364-j(1)(c); 18 NYCRR § 360-10.3(h), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Verification Process

For all individuals whose income is needed to calculate the household's eligibility, NYSOH must request data that will allow NYSOH to verify the household's income (45 CFR §155.320(c)(1)(i), 42 CFR § 435.945).

If NYSOH cannot verify the income information required to determine eligibility they must attempt to resolve the inconsistency including giving the applicant the opportunity to submit satisfactory documentary evidence (45 CFR §155.315(f) 42 CFR § 435.952).

Timely Notice of Medicaid Eligibility

When an individual applies for insurance through NYSOH, NYSOH must determine that person's eligibility promptly and without undue delay (45 CFR § 155.310(e)(1); 42 CFR § 435.1200(b)(3)(iii)).

To assess whether an eligibility determination was untimely, NYSOH must base the time period from the date of application to the date NYSOH notifies the applicant of its decision (45 CFR § 155.310(e)(2)). However, if the applicant submits an incomplete application or there is not sufficient information for NYSOH to make an eligibility determination, then NYSOH must notify that applicant that more information is needed to complete the application (45 CFR § 155.310(k)(1)).

NYSOH must provide Medicaid applicants notice of their eligibility determination within 45 days from the date of the application (42 CFR § 435.912).

Legal Analysis

The first issue is whether NYSOH's provided you with timely determination of your Medicaid eligibility as of February 15, 2017.

For all individuals whose income is needed to calculate the household's eligibility, NYSOH must request data that will allow NYSOH to verify the household's income.

If NYSOH cannot verify the income information required to determine eligibility they must attempt to resolve the inconsistency including giving the applicant the opportunity to submit satisfactory documentary evidence.

NYSOH ran your application on January 17, 2017. The income amount that was entered into this application did not match federal and state data sources. As a result, NYSOH asked that you submit additional documentation to confirm your household's income by February 1, 2017. You faxed your 2016 W2 from New York State unemployment to NYSOH on January 30, 2017, and it was uploaded to your account on February 10, 2017.

You updated your NYSOH account on February 2, 2017. The income amount that was entered into this application did not match federal and state data sources. As a result, NYSOH asked that you submit additional documentation to confirm your household's income. Also on February 2, 2017, you uploaded a copy of your 2016 W2, current NYS unemployment benefit documentation, and your spouse's Social Security award letter. On February 14, 2017, NYSOH verified that documentation as acceptable proofs of household income.

Therefore, your application was considered complete as of February 2, 2017, 2017, for purposes of issuing an eligibility determination.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

NYSOH must provide Medicaid applicants notice of their eligibility determination within 45 days from the date of the completed application. To assess whether an eligibility determination was untimely, NYSOH must base the time period from the date of the completed application to the date NYSOH notifies the applicant of its decision.

NYSOH issued an eligibility determination notice on February 15, 2017 that stated you were eligible for Medicaid effective February 1, 2017. Since NYSOH issued an eligibility determination 13 days from the date your application was considered complete, the February 15, 2017 eligibility determination was timely.

The second issue is whether NYSOH properly determined that your enrollment in your Medicaid Managed Care plan was effective March 1, 2017.

The record reflects that you contacted NYSOH on February 15, 2017 and enrolled into a Medicaid Managed Care plan.

The date on which a Medicaid Managed Care plan can take effect depends on the day a person selects the plan for enrollment.

A plan that is selected from the first day to and including the fifteenth day of a month will go into effect on the first day of the following month. A plan that is selected on or after the sixteenth day of the month will go into effect on the first day of the second following month.

Since the February 15, 2017 eligibility determination notice was timely issued, you were able to select a Medicaid Managed Care plan as of February 15, 2017. Your plan would therefore properly take effect on the first day of the next month following after February 2017; that is, on March 1, 2017.

Therefore, the February 16, 2017 enrollment confirmation notice stating that your enrollment in your Medicaid Managed Care plan would be effective March 1, 2017, was correct and must be AFFIRMED.

Decision

The February 15, 2017 eligibility determination was timely and is AFFIRMED.

The February 16, 2017 enrollment confirmation notice is AFFIRMED.

Effective Date of this Decision: July 20, 2017.

How this Decision Affects Your Eligibility
