## Decision

Decision Date: June 01, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000015983

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$263.00 per month in advance payments of the premium tax credit, effective April 1, 2017?

Did NY State of Health properly determine that you were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were ineligible for the Essential Plan?

## Procedural History

On February 17, 2017, you updated your application for financial assistance. That day, a preliminary eligibility determination was prepared stating that you were eligible to receive up to \$263.00 in advanced premium tax credits (APTC) and eligible to receive cost-sharing reductions if you enrolled in a silver level qualified health plan, effective April 1, 2017.

Also on February 17, 2017, you spoke to NY State of Health's (NYSOH) Account Review Unit and appealed the eligibility determination insofar as your coverage began on April 1, 2017 and not February 1, 2017.

On February 18, 2017, NYSOH issued a notice of eligibility determination, based on the February 17, 2017 application, stating that you were eligible to receive up

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

to \$263.00 in APTC and eligible to receive cost-sharing reductions if you enrolled in a silver level qualified health plan, effective April 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income was over the allowable income limits for that program.

Also on February 18, 2017, NYSOH issued a plan enrollment notice, based on your plan selection on February 17, 2017, confirming your enrollment in a qualified health plan and application of your APTC, effective April 1, 2017.

On May 23, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. During the hearing, you testified that the reason you requested the appeal was because you wanted to be found eligible for the Essential Plan, and not because you were disputing the start date of coverage. The Hearing Officer agreed to amend the appeal. Under oath, you formally withdrew your appeal for the start date of your qualified health plan. The record was developed during the hearing and held open to June 8, 2017, to allow you to submit supporting documents.

On May 26, 2017, you uploaded the requested income documentation to your NYSOH account. The uploaded documents were incorporated into the record and marked as "Appellant's Exhibit #1". The record was closed that same day.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You are seeking insurance for yourself.
- 2) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 3) The application that was submitted on February 17, 2017 listed an annual household income of \$28,991.00, consisting of income you earn from your employment. You testified that this amount was correct.
- 4) You testified that you do [REDACTED] work and your income varies. You further testified that you could lose your employment without notice at any time.
- 5) Your application states that you will be taking a student loan deduction of \$3,600.00 on your tax return.
- 6) Your application states that you live in Kings County.

- 7) You testified that you would like to be found eligible for the Essential Plan because the amount that you are paying now for health insurance is extremely overbearing on your finances.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one -person household (81 Federal Register 4036).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution for 2017 is between 6.43% and

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

8.21% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

### Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one -person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

### Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term "modified adjusted gross income" means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

"Adjusted gross income" is the gross income of the taxpayer minus the deductions permitted (26 USC § 62). Subject to some limitations, interest on a qualified educational loan can be deducted from adjusted gross income in an amount up to \$2,500 in interest paid by taxpayers during the taxable year, whose yearly income does not exceed \$160,000 (26 USC § 221; see also 26 USC § 62 (17)).

### Affordability Exemption

Under some circumstances, a person may receive an exemption from paying a penalty for not purchasing health insurance coverage. Such an exemption may be granted if that person can show that he or she experienced a financial hardship or has domestic circumstances that (1) caused an unexpected increase in essential expenses that prevented that person from obtaining health coverage under a QHP; (2) would have caused the person to experience serious deprivation of food, shelter, clothing, or other necessities, as a result of the expense of purchasing health coverage under a QHP; or (3) prevented that person from obtaining coverage under a QHP (45 CFR § 155.605(a), (g)).

NYSOH has deferred to the U.S. Department of Health and Human Services (HHS) on the matter of hardship exemptions (see 45 CFR § 155.505(c)).

## **Legal Analysis**

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$263.00 per month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

You testified that income amount you provided in your application was correct. You further testified that your income varies because you do [REDACTED] work and that you could lose your employment without notice at any time.

However, the application that was submitted on February 17, 2017 listed an annual household income of \$28,991.00 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Kings County, where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$28,991.00 is 244.03% of the 2016 FPL for a one-person household. At 244.03% of the FPL, the expected contribution to the cost of the health insurance premium in 2017 is 7.99% of income, or \$193.03 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$193.03 per month), which equals \$263.43 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$263.00 per month in APTC.

The second issue is whether you were properly found eligible for cost-sharing reductions.

Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$28,991.00 is 244.03% of the applicable FPL, NYSOH correctly found you to be eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$28,991.00 is 244.03% of the 2016 FPL, NYSOH properly found you to be ineligible for the Essential Plan.

Since the February 18, 2017 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$263.00 per month in

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

APTC, eligible for cost-sharing reductions, and ineligible for the Essential Plan, it is correct and is AFFIRMED.

You testified that you cannot afford to pay for health insurance even with subsidies, which may qualify you for an exemption. If you wish to be considered for a hardship exemption, which would exempt you from paying a penalty for not having health insurance during 2017, you can check the Federal Marketplace website ([www.healthcare.gov](http://www.healthcare.gov)) for direction.
