## Decision

Decision Date: July 14, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000016247

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in your qualified health plan ended effective December 31, 2016?

## Procedural History

On December 18, 2015, NYSOH issued an eligibility determination notice stating that you were conditionally eligible to receive advance premium tax credits and if you enrolled in a silver level health plan, cost-sharing reductions, effective January 1, 2016.

Also on December 18, 2015, NYSOH issued an enrollment confirmation notice stating that you were enrolled in a gold level qualified health plan with a monthly premium cost of \$499.83, effective January 1, 2016.

On September 18, 2016, NYSOH issued an eligibility determination notice stating that you were newly eligible to purchase a qualified health plan at full cost effective November 1, 2016.

On October 17, 2016, NYOSH issued a renewal notice stating that based on federal and state sources, a decision about whether or not you qualify for financial assistance could not be made. You were asked to update the information in your account between November 16, 2016 and December 15, 2016.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On November 27, 2016, NYSOH issued a disenrollment notice stating that your coverage in your gold level qualified health plan would end on December 31, 2016 because you were no longer eligible to enroll in the gold level qualified health plan.

On November 30, 2016 and January 3, 2017, income information in your NYSOH account was updated. Based on the income information entered NYSOH was unable to make an eligibility determination and you were asked to submit income documentation to confirm the income listed in those applications.

On January 10, 2017, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid, effective November 1, 2016.

On February 27, 2017, you contacted the NYSOH Account Review Unit and appealed the date you were disenrolled from your qualified health plan, requesting the disenrollment be made effective October 31, 2016 because you became Medicaid eligible as of November 1, 2016.

On June 8, 2017, you had a telephone hearing with a Hearing Officer from the NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the proceeding.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You were enrolled in a qualified health plan through NYSOH and your coverage was effective as of January 1, 2016.
- 2) You testified that you paid premiums to your health plan for the months you had coverage.
- 3) The record indicates that you updated your application on January 9, 2017, and you were found eligible for Medicaid as of November 1, 2016.
- 4) You testified that you are seeking an earlier disenrollment date because you had Medicaid coverage in November 2016 and December 2016 when you were still enrolled in your qualified health plan.
- 5) You testified you did not use your insurance through your qualified health plan during the months of November 2016 and December 2016.
- 6) You testified that you did not attempt to disenroll yourself from your qualified health plan until after December 31, 2016.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Termination of a Qualified Health Plan

NYSOH must permit an enrollee to terminate his or her coverage with a qualified health plan coverage, with appropriate notice to the NYSOH or qualified health plan (45 CFR § 155.430(b)(1)(i)).

If an enrollee is newly eligible for Medicaid, the last day of coverage for the qualified health plan is the day before the Medicaid coverage begins (45 CFR § 155.430(d)(2)(iv)).

For enrollee-initiated terminations, the last day of coverage is either:

- 1) The termination date specified by the enrollee, if the enrollee provides reasonable notice (at least 14 days before the requested termination date);
- 2) Fourteen days after the enrollee requests the termination, if they do not provide reasonable notice; or
- 3) On a date on or after the date the enrollee requests the termination, if the enrollee's qualified health plan issuer and the enrollee agree to such a date

(45 CFR § 155.430(d)(2)(i)-(iii)).

NYSOH must permit an enrollee to retroactively terminate or cancel their enrollment in a qualified health plan if:

- 1) The enrollee demonstrates that they attempted to terminate their coverage and experienced a technical error that did not allow the coverage to be terminated, and requests retroactive termination within 60 days after they discovered the technical error.
- 2) The enrollment in the qualified health plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH or HHS, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Such enrollee must request cancellation within 60 days of discovering the unintentional, inadvertent, or erroneous enrollment.

- 3) The enrollee was enrolled in a qualified health plan without their knowledge or consent by any third party, including third parties who have no connection with the Exchange, and requests cancellation within 60 days of discovering of the enrollment.

(45 CFR § 155.430(b)(2)(iv)(A-C)).

NYSOH permits a qualified health plan to terminate an individual's coverage if (1) the enrollee is no longer eligible for coverage or (2) non-payment of the premiums by the enrollee (45 CFR § 155.430(b)(2)(i)-(ii)).

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that your enrollment in your qualified health plan ended effective December 31, 2016.

On December 18, 2015, NYSOH issued an enrollment confirmation notice stating that you were enrolled in a gold level qualified health plan with a monthly premium cost of \$499.83, effective January 1, 2016.

On November 27, 2016, NYSOH issued a disenrollment notice stating that your coverage in your gold level qualified health plan would end on December 31, 2016. This was in part because of NYSOH's annual renewal process and you would need to update and reenroll into a plan for coverage as of January 1, 2017.

You testified that you are seeking retroactive disenrollment from your qualified health plan effective October 31, 2016

NYSOH must permit an enrollee to be retroactively disenrolled from their qualified health plan if the enrollee demonstrates that there was a technical error that should have allowed them to terminate coverage earlier, or if their enrollment in the plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, or the enrollee was enrolled into a qualified health plan without their knowledge or consent by a third party.

There is no indication in the record that your enrollment in a qualified health plan as confirmed in the December 18, 2015 enrollment notice was unintentional, inadvertent, or erroneous, nor was your enrollment in a qualified health plan the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Furthermore, there is no indication that your

enrollment in a qualified health plan as confirmed in the December 18, 2015 enrollment notice was without your knowledge or consent.

Therefore, there is no basis to find that NYSOH must permit you to retroactively terminate or cancel your enrollment in a qualified health plan.

On January 9, 2017, you contacted NYSOH to update your application for financial assistance. As a result, you were found eligible for Medicaid effective November 1, 2016.

You testified that you are seeking an earlier disenrollment date from your qualified health plan because you had Medicaid coverage in November and December 2016 when you were still enrolled in your qualified health plan.

If an enrollee is newly eligible for Medicaid, the last day of coverage through their qualified health plan is the day before the Medicaid coverage begins. Since you were determined eligible for Medicaid on January 9, 2017 under the regulations your qualified health plan should have terminated that day. However, NYSOH had already terminated your plan at that point as a result of the annual renewal period.

Therefore, since you do not qualify for retroactive disenrollment and because you were not determined Medicaid eligible until January 2017, NYSOH properly determined that your plan terminated as of December 31, 2016 and NYSOH's November 27, 2016, disenrollment notice is AFFIRMED.
