## Decision

Decision Date: June 20, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000016261

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that your child's enrollment in their Medicaid Managed Care (MMC) plan ended effective December 31, 2016?

Did NYSOH properly determine that your child was enrolled in a Child Health Plus plan with an enrollment start date of February 1, 2017?

## Procedural History

On January 12, 2016, NYSOH issued an eligibility determination notice stating that your child was eligible for Medicaid effective as of January 1, 2016.

Also on January 12, 2016, NYSOH issued a plan enrollment notice confirming your child was enrolled in a MMC plan with an enrollment start date of February 1, 2016.

On October 17, 2016, NYSOH issued a notice that it was time to renew your child's health insurance for 2017. That notice stated that, based on information from federal and state sources, NYSOH could decide whether your child would qualify for financial help paying for health coverage, and that you needed to update your account by December 15, 2016 or they might lose the financial assistance they were currently receiving.

No updates were made to your account by December 15, 2016.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 19, 2016, NYSOH issued an eligibility determination notice stating that your child was not eligible for Medicaid, Child Health Plus, or to receive tax credits or cost-sharing reductions, and could not enroll in a qualified health plan at full cost. This was because you had not responded to the renewal notice and had not completed the renewal within the required time frame. Therefore, your child's eligibility ended January 1, 2017.

Also on December 19, 2016, NYSOH issued a disenrollment notice stating that your child's MMC coverage ended on December 31, 2016, because they were no longer eligible to enroll in health insurance.

On December 28, 2016, your NYSOH account was updated.

On December 29, 2016, NYSOH issued an eligibility determination notice stating that your child was eligible for Child Health Plus with a monthly premium of \$9.00, effective as of February 1, 2017.

Also on December 29, 2016, NYSOH issued a plan enrollment notice confirming that, as of your December 28, 2016 plan selection, your child was enrolled in a Child Health Plus plan with an enrollment start date of February 1, 2017.

On February 27, 2017, you spoke to NYSOH's Account Review Unit and requested an appeal relative to the enrollment start date of your child's Child Health Plus plan.

On June 5, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record support the following findings of fact:

- 1) According to your NYSOH account, you receive all of your notices from NYSOH by regular mail.
- 2) According to your NYSOH account, none of the notices sent to the address listed on your NYSOH account have been returned to NYSOH as undeliverable.
- 3) You testified that you did not receive any notice informing you that you needed to update your application in order to ensure continuation of your child's health insurance coverage.

- 4) You testified that you were told when your child was enrolled in coverage in 2016 that their insurance would be automatically renewed.
- 5) According to your NYSOH account, on December 28, 2016, your NYSOH account was updated by username "[REDACTED]."
- 6) According to your NYSOH account, your child was enrolled in a Child Health Plus plan on December 28, 2016.
- 7) You testified that you were not aware that there was a lapse in your child's health insurance until you received a bill for medical services that your child received in January 2017.
- 8) You testified that you want your child's Child Health Plus plan to begin January 1, 2017 to cover any medical expenses that were incurred that month.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Medicaid Renewal

In general, NYSOH must review Medicaid eligibility once every twelve months or "whenever it receives information about a change in a beneficiary's circumstances that may affect eligibility" (42 CFR § 435.916(a)(1), (d)). NYSOH must make its "redetermination of eligibility without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency, including but not limited to information accessed through any data bases accessed by the agency" (42 CFR § 435.916(a)(2)).

NYSOH must provide an individual with the annual redetermination notice, including the projected eligibility for coverage and financial assistance, and must require the qualified individual to report any changes within 30 days (45 CFR § 155.335(c), (e)). Once the 30-day period has lapsed, NYSOH must issue a redetermination as provided by the notice, with consideration given to any updates provided by the individual (45 CFR §155.335(h)).

### Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

and documentation and ending on the last day of the twelfth month following such date,” unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

“A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage” (42 CFR § 457.340(f)).

The State of New York has provided that a child’s period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

## **Legal Analysis**

The first issue under review is whether NYSOH properly determined that your child’s MMC plan enrollment ended effective December 31, 2016.

Your child was initially found eligible for Medicaid effective January 1, 2016, and enrolled in a MMC plan with an enrollment start date of February 1, 2016.

Generally, NYSOH must redetermine a qualified individual's eligibility for Medicaid once every 12 months without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency. NYSOH's October 17, 2016 renewal notice stated that there was not enough information to determine whether your child was eligible to continue their financial assistance for health insurance, and that you needed to supply additional information by December 15, 2016, or their financial assistance might end.

Because there was no timely response to this notice, your child's MMC plan coverage was terminated effective December 31, 2016.

You testified that you did not receive any notice from NYSOH informing you that you needed to update the information in your NYSOH account to ensure continuation of your child’s health insurance coverage. Your NYSOH account confirms that you elected to receive notifications by regular mail and there is no

evidence in the record that any of the notices that were sent to your mailing address were returned as undeliverable.

As such, the record reflects that NYSOH properly notified you that the information in your NYSOH account needed to be updated to ensure your child's enrollment and financial assistance would continue. Therefore, the December 19, 2016 disenrollment notice is AFFIRMED.

The second issue under review is whether NYSOH properly determined that your child was enrolled in a Child Health Plus plan with an enrollment start date of February 1, 2017.

The record reflects that on December 28, 2016, your NYSOH account was updated and you selected and enrolled your child in a Child Health Plus plan.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

Since your child's Child Health Plus plan was selected on December 28, 2016, it must take effect on the first day of the second following after December 28, 2016; that is, on February 1, 2017.

Therefore, the December 29, 2016 enrollment notice is AFFIRMED.
