Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you did not qualify to enroll in a qualified health plan (QHP) outside of the 2017 open enrollment period?

Procedural History

On March 15, 2017, NYSOH received your application for health insurance. That day, a preliminary eligibility determination was prepared stating that you were eligible to purchase a full-cost QHP through NYSOH, effective April 1, 2017. You also attempted to enroll into a QHP, but were unable to select a plan for enrollment.

Also on March 15, 2017, you spoke to NYSOH's Account Review Unit and appealed your inability to enroll into a QHP outside of the 2017 open enrollment period.

On March 16, 2017, NYSOH issued an eligibility determination notice, based on the March 15, 2017 application for health insurance, stating that you were eligible to purchase a QHP at full cost, effective April 1, 2017. It further stated that you did not qualify to select a health plan outside of the open enrollment period for 2017.

On June 20, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) On March 13, 2017, and March 15, 2017, you submitted applications for health insurance through NYSOH.
- 2) Your applications on both dates state that you were seeking a special enrollment based on loss of health coverage "as a dependent because you turned [REDACTED] old." The applications both list 12/31/2016 as the date coverage was lost.
- 3) You testified that you were previously enrolled in a catastrophic coverage plan through Empire Blue Cross/Blue Shield.
- 4) You testified that you were in [REDACTED] and [REDACTED] for a period of approximately three months, from November 29, 2016 through March 6, 2017.
- 5) You testified, and your NYSOH account reflects, that you turned [REDACTED] old on [REDACTED].
- 6) You testified that, when you returned home in March, you discovered that your health insurance coverage had lapsed.
- 7) You testified that you contacted your insurance carrier and were informed that your coverage had ended on December 31, 2016 because you had not renewed your coverage for 2017, and because you had "aged out" of your catastrophic plan upon turning [REDACTED].
- 8) You testified that you tried to enroll back into coverage with Empire Blue Cross Blue Shield, as well as a few other insurance carriers that you contacted, but were told by all of them that you could not enroll outside of open enrollment without a qualifying event.
- 9) You testified that since filing your application on March 15, 2017 there have been no other major changes to your household.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a QHP and enrollees may change QHPs (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2017, the annual open enrollment period began on November 1, 2016, and extended through January 31, 2017 (45 CFR § 155.410(e)(2)).

Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a QHP, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
 - (i) Loses minimum essential coverage.
 - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
 - (iii) Loses pregnancy-related coverage.
 - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.
- (2)
 - (i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.
 - (ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.
- (3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a QHP because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

(4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a QHP is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.

(5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the QHP in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to a new QHP as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a QHP or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a QHP; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days.

(45 CFR § 155.420(d)).

Generally, if a triggering life event occurs, the qualified individual or enrollee has 60 days from the date of a triggering event to select a QHP (45 CFR § 155.420(c)(1)).

Legal Analysis

The issue under review is whether NYSOH properly determined that you do not qualify to enroll in a QHP outside of the open enrollment period, effective April 1, 2017.

NYSOH provided an open enrollment period from November 1, 2016 until January 31, 2017. On March 13, 2017 and March 15, 2017, you submitted an application for health insurance and requested to enroll in a QHP. On March 16, 2017, NYSOH issued a notice stating that you did not qualify to enroll in a QHP outside of the open enrollment period.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period to enroll in or change to another health plan offered in NYSOH. To qualify for a special enrollment period, a person must experience a triggering event.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

You testified that your previous insurance coverage through your Empire Blue Cross/Blue Shield catastrophic plan, which you enrolled in outside of NYSOH, ended on December 31, 2016, Loss of insurance coverage outside of NYSOH is considered a triggering life event.

When a triggering life event occurs, the qualified individual has 60 days from the date of that event to select a QHP.

Because 60 days from December 31, 2016 was March 1, 2017, you would have qualified to select a QHP outside of the open enrollment period until March 1, 2017.

Your first application and request to enroll into a QHP did not occur until March 13, 2017, which is outside of the 60-day window. Although your credible testimony indicates that you were not aware you had lost coverage until the 60-day period had expired, your lack of enrollment during the 60-day period was not due to any error or mistake by NYSOH, and so there is no basis for extending the 60-day window.

Therefore, the credible evidence of record indicates that, since the open enrollment period closed on January 31, 2017, no other triggering events have occurred that would qualify you for a special enrollment period.

As such, NYSOH's March 16, 2017 eligibility determination that you do not qualify to select a health plan outside of the open enrollment period for 2017 is **AFFIRMED**.
