Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly terminate your qualified health plan for non-payment of premium, effective January 1, 2017?

Did NYSOH properly determine that you do not qualify to enroll in a qualified health plan outside of the open enrollment period, effective May 1, 2017?

Procedural History

On October 20, 2016, NYSOH issued a renewal notice, which contained an eligibility determination stating that you were still qualified to buy a health plan at full cost through NYSOH, effective January 1, 2017. The notice further stated that you were re-enrolled in your current platinum-level qualified health plan (QHP) for another year, with a plan start date of January 1, 2017.

On November 17, 2016, NYSOH issued a plan enrollment notice confirming you were enrolled in the same platinum-level QHP, effective January 1, 2017.

On February 21, 2017, NYSOH issued a cancellation notice stating that your enrollment in your platinum-level QHP was terminated, effective January 1, 2017, because a premium payment had not been received by the health plan by the payment deadline.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On March 20, 2017, NYSOH received your updated application for non-financial assistance. That day, a preliminary eligibility determination was prepared stating that you were eligible to enroll in a QHP, effective May 1, 2017. Your authorized representative attempted to enroll you into a QHP but was unable to select a plan for your enrollment.

Also on March 20, 2017, your authorized representative spoke to NYSOH's Account Review Unit and appealed your inability to enroll into a QHP outside of the open enrollment period.

On March 21, 2017, NYSOH issued an eligibility determination notice, based on the March 20, 2017 application for non-financial assistance, stating that you were eligible to purchase a QHP at full cost through NYSOH, effective May 1, 2017. It further stated that you do not qualify to select a health plan outside of the open enrollment period for 2017.

On June 23, 2017, a telephone hearing was scheduled for your appeal, however your authorized representative requested that hearing be rescheduled. The hearing was then rescheduled to July 12, 2017.

On July 12, 2017, your authorized representative had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The authorized representative initially stated she was not advised of the new hearing date; however, she agreed to waive the 15-day notice of hearing requirement and requested that the hearing proceed. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account and your authorized representative's testimony, you were enrolled in a platinum-level QHP at full cost with a monthly premium of \$657.77, effective January 1, 2017.
- 2) Your authorized representative testified that, during coverage year 2016, you had been set up to have your monthly health insurance premiums paid automatically.
- 3) Your authorized representative testified that you reside in [REDACTED], but all the mail related to your health insurance is supposed to be sent to your father's business address, [REDACTED].

- 4) Your authorized representative testified that, in December 2016, your residence address was updated in your NYSOH account, but the mailing address was not supposed to change.
- 5) According to your NYSOH account, on December 1, 2016, your mailing address was changed to [REDACTED]. Your authorized representative testified that you reside at that address but do not receive mail there.
- 6) According to your authorized representative, the monthly health insurance premiums for 2017 increased and the invoices for the new premium amounts were sent by the health insurance plan to your residence, [REDACTED] [REDACTED] address where you do not receive mail. As a result, your authorized representative did not know that the monthly automatic payment amount had to be changed to reflect the increased premium for 2017.
- 7) Your authorized representative testified that because the premium amount for 2017 was higher than the monthly payments for 2016, the plan did not accept the partial payment.
- 8) According to your NYSOH account, you were disenrolled from your platinum-level QHP, effective January 1, 2017, for non-payment of premium.
- 9) On March 20, 2017, your authorized representative contacted NYSOH to re-enroll you into a QHP and was unable to enroll you.
- 10) The March 21, 2017 eligibility determination notice states you do not qualify to enroll in a health plan outside the 2017 open enrollment period.
- 11) Your authorized representative testified that she has had numerous phone conversations with both the health insurance plan and with NYSOH and has been unsuccessful in getting you re-enrolled into a plan for 2017.
- 12) Your authorized representative testified that since filing your non-financial assistance application on March 20, 2017 there have been no other major changes to your household.
- 13) According to your NYSOH account, you reside in [REDACTED], New York.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Appealable Issues

An applicant has the right to appeal to NYSOH's Appeals Unit: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (3) an eligibility determination for an exemption; (4) a failure by NYSOH to provide timely notice of an eligibility determination 45 CFR § 155.505; and (5) a denial of a request for a special enrollment period (45 CFR § 155.505(b)(1)(iii), 45 CFR § 155.305(b), and 45 CFR § 155.420(d)).

Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a qualified health plan and enrollees may change qualified health plans (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2017, the annual open enrollment period began on November 1, 2016, and extended through January 31, 2017 (45 CFR § 155.410(e)(2)).

Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a qualified health plan, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
 - (i) Loses minimum essential coverage.
 - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
 - (iii) Loses pregnancy-related coverage.
 - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.

(2)(i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.

(ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.

(3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a qualified health plan because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.

(4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.

(5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to new qualified health plan as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a qualified health plan or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by

HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a qualified health plan; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days.

(45 CFR § 155.420(d)).

Generally, if a triggering life event occurs, the qualified individual or enrollee has 60 days from the date of a triggering event to select a qualified health plan (45 CFR § 155.420(c)(1)).

However, a loss of health insurance coverage such as that referenced above does not include,

“voluntary termination of coverage or other loss due to—

(1) Failure to pay premiums on a timely basis, including COBRA premiums prior to expiration of COBRA coverage, or

(2) Situations allowing for a rescission as specified in 45 CFR [§] 147.128” such as failure to comply with other requirements (45 CFR § 147.128(b))

(45 CFR § 155.420(e)).

Legal Analysis

The first issue under review is whether NYSOH properly terminated your platinum-level QHP for non-payment of premium, effective January 1, 2017.

On January 1, 2017, you were enrolled in a full cost platinum-level QHP for the 2017 coverage year with a monthly premium of \$657.77, effective January 1, 2017.

Your authorized representative testified that you were set up to have your monthly premiums paid automatically. The monthly premium amount increased in 2017, however, due to the invoices being sent to your residence and not to the mailing address, your authorized representative was not aware of the increase premium and did not change the automatic payment amount to the new level for 2017. As a result, the health insurance plan did not accept the partial premium payments.

On February 21, 2017, NYSOH issued a notice stating that you were disenrolled from your health plan for non-payment of the premium, effective January 1, 2017.

NYSOH Appeals Unit only has the authority to review issues related to the following: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (3) an eligibility determination for an exemption, (4) a failure to provide timely notice of an eligibility determination and (5) a denial of a special enrollment period.

Since the Appeals Unit is not given the authority to review termination of enrollment due to non-payment of premiums, we cannot reach the merits as to whether or not you were properly terminated from your health plan for non-payment of premiums. Therefore, your appeal of the February 21, 2017 cancellation notice is **DISMISSED** as a non-appealable issue.

The second issue under review is whether NYSOH properly determined that you do not qualify to enroll in a qualified health plan outside of the open enrollment period, effective May 1, 2017.

NYSOH provided an open enrollment period from November 1, 2016 until January 31, 2017. On March 20, 2017, after the open enrollment period had ended, your authorized representative submitted a request to re-enroll you in a QHP.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period in order to enroll in, or change to another health plan offered in NYSOH. In order to qualify for a special enrollment period, a person must experience a triggering event.

Though you did lose health coverage as a result of the February 21, 2017 disenrollment, the loss of health insurance coverage in this case cannot be considered a triggering event for a special enrollment period, because it was a result of non-payment of your premiums. NYSOH considers nonpayment of premium to be a voluntary action that resulted in your coverage being terminated.

Further, there is no evidence in the record to establish grounds for a special enrollment period on the basis of changes in household, income, or residency. Your authorized representative testified that there have been no changes to your household in 2017 and you reside in [REDACTED].

The credible evidence of record indicates that, since the open enrollment period closed on January 31, 2017, you have not experienced any triggering event that would qualify you for a special enrollment period as of the date of the hearing.

Therefore, the March 21, 2017 eligibility determination notice, to the extent it denied you a special enrollment period, was correct and is AFFIRMED.
