Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in your qualified health plan ended effective February 28, 2017?

Procedural History

On January 10, 2017, you submitted a non-financial assistance application.

On January 11, 2017, NYSOH issued an eligibility determination notice stating that you were conditionally eligible to purchase a qualified health plan at full cost effective February 1, 2017. The notice directed you to provide proof of your citizenship status by April 10, 2017.

On January 14, 2017, NYSOH issued an enrollment notice confirming your enrollment in a qualified health plan effective, February 1, 2017.

On January 30, 2017, the income information in your NYSOH account was updated.

On January 31, 2017, NYSOH issued a disenrollment notice indicating that coverage in your qualified health plan would end effective February 28, 2017.

Also on January 31, 2017, you updated your NYSOH account and uploaded income documentation.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On February 1, 2017, NYSOH issued a notice stating that the income information in your January 31, 2017 application did not match what NYSOH received from state and federal sources. You were directed to provide proof of income by February 14, 2017.

NYSOH records reflect that the income documentation uploaded on January 31, 2017 was verified on February 9, 2017.

On February 10, 2017, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid, effective January 1, 2017.

On February 18, 2017, NYSOH issued a notice of enrollment, confirming your enrollment in a Medicaid Managed Care plan, effective March 1, 2017.

On March 22, 2017, you contacted the NYSOH Account Review Unit and appealed the date you were disenrolled from your qualified health plan (February 28, 2017), requesting that the disenrollment be made effective February 1, 2017.

On June 30, 2017, you had a telephone hearing with a Hearing Officer from the NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the proceeding.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) The record reflects that you were enrolled in a qualified health plan through NYSOH and that your coverage was effective as of February 1, 2017.
- 2) You testified that you paid the premium to your health plan for the month of February 2017.
- 3) The record indicates that you updated your application on January 30, 2017, that you provided income documentation which was verified on February 9, 2017, and that you were found eligible for Medicaid, effective January 1, 2017.
- 4) You testified that you are seeking an earlier disenrollment date because you had Medicaid coverage in February 2017 when you were still enrolled in your qualified health plan.
- 5) You testified you did not use your insurance through your qualified health plan during the month of February 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Termination of a Qualified Health Plan

NYSOH must permit an enrollee to terminate his or her coverage with a qualified health plan coverage, with appropriate notice to the NYSOH or qualified health plan (45 CFR § 155.430(b)(1)(i)).

If an enrollee is newly eligible for Medicaid, the last day of coverage for the qualified health plan is the day before the Medicaid coverage begins (45 CFR § 155.430(d)(2)(iv)).

For enrollee-initiated terminations, the last day of coverage is either:

- 1) The termination date specified by the enrollee, if the enrollee provides reasonable notice (at least 14 days before the requested termination date);
- 2) Fourteen days after the enrollee requests the termination, if they do not provide reasonable notice; or
- 3) On a date on or after the date the enrollee requests the termination, if the enrollee's qualified health plan issuer and the enrollee agree to such a date

(45 CFR § 155.430(d)(2)(i)-(iii)).

NYSOH must permit an enrollee to retroactively terminate or cancel their enrollment in a qualified health plan if:

- 1) The enrollee demonstrates that they attempted to terminate their coverage and experienced a technical error that did not allow the coverage to be terminated, and requests retroactive termination within 60 days after they discovered the technical error.
- 2) The enrollment in the qualified health plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH or HHS, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Such enrollee must request cancellation within 60 days of discovering the unintentional, inadvertent, or erroneous enrollment.

- 3) The enrollee was enrolled in a qualified health plan without their knowledge or consent by any third party, including third parties who have no connection with the Exchange, and requests cancellation within 60 days of discovering of the enrollment.

(45 CFR § 155.430(b)(2)(iv)(A-C)).

NYSOH permits a qualified health plan to terminate an individual's coverage if (1) the enrollee is no longer eligible for coverage or (2) non-payment of the premiums by the enrollee (45 CFR § 155.430(b)(2)(i)-(ii)).

Legal Analysis

The issue under review is whether NYSOH properly determined that your enrollment in your qualified health plan ended effective February 28, 2017.

On January 11, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to purchase a qualified health plan at full cost effective February 1, 2017. You subsequently enrolled into a qualified health plan, and paid the premium.

You testified that you are seeking retroactive disenrollment from your qualified health plan effective February 1, 2017.

NYSOH must permit an enrollee to be retroactively disenroll from their qualified health plan if the enrollee demonstrates that there was a technical error that should have allowed them to terminate coverage earlier, or if their enrollment in the plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, or the enrollee was enrolled into a qualified health plan without their knowledge or consent by a third party.

There is no indication in the record that your enrollment in a qualified health plan as confirmed in the January 14, 2017 enrollment notice was unintentional, inadvertent, or erroneous, nor was your enrollment in a qualified health plan the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Furthermore, there is no indication that your enrollment in a qualified health plan as confirmed in the January 14, 2017 enrollment notice was without your knowledge or consent.

Therefore, there is no basis to find that NYSOH must permit you to retroactively terminate or cancel your enrollment in a qualified health plan, notwithstanding the subsequent finding that you were eligible for Medicaid.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

On January 30, 2017, you contacted NYSOH to update your application for financial assistance and you provided income documentation on January 31, 2017 which was verified on February 9, 2017. As a result, you were found eligible for Medicaid on February 9, 2017, effective January 1, 2017. On January 31, 2017, NYSOH issued a disenrollment notice stating that your enrollment in your qualified health plan would end effective February 28, 2017.

You testified that you are seeking an earlier disenrollment date because you had Medicaid coverage in February 2017 when you were still enrolled in your qualified health plan.

If an enrollee is newly eligible for Medicaid, the last day of coverage through their qualified health plan is the day before the Medicaid coverage begins. Since you were determined eligible for Medicaid on February 9, 2017 under the regulations your qualified health plan should have terminated that day. However, NYSOH does not allow for prorated or partial premiums based on the amount of days in a month you were enrolled in a qualified health plan and as such your plan was terminated at the end of the calendar month in which you became eligible for Medicaid.

Therefore, NYSOH properly determined that your plan terminated as of February 28, 2017, and NYSOH's January 31, 2017, disenrollment notice is AFFIRMED.
