Decision

Decision Date: August 23, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000017308

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$326.00 per month in advance payments of the premium tax credit, effective April 1, 2017?

Did NY State of Health properly determine that you were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

Procedural History

On February 3, 2017, you submitted an application for financial assistance with health insurance.

On February 4, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to enroll in the Essential Plan with a \$20.00 premium per month for a limited time, effective March 1, 2017. The notice further directed you to provide documentary proof of your household income by May 4, 2017 to confirm your eligibility.

Also on February 4, 2017, NYSOH issued a plan enrollment notice confirming your February 3, 2017 selection of Essential Plan 1 Plus Vision and Dental with a plan enrollment start date of March 1, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On March 1, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$295.00 in advance premium tax credit (APTC) and eligible to receive cost-sharing reductions if you enrolled in a silver level qualified health plan (QHP), effective April 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income of \$23,760.00 was over the allowable income limit for that program.

Also on March 1, 2017, NYSOH issued a disenrollment notice that stated your Essential Plan 1 Plus Vision and Dental would end on March 31, 2017. This was because you were no longer eligible to enroll in the Essential Plan.

On March 14, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$326.00 in APTC and eligible to receive cost-sharing reductions if you enrolled in a silver level QHP, effective April 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income of \$23,760.00 was over the allowable income limit for that program.

Also on March 14, 2017, NYSOH issued a plan enrollment notice confirming your March 13, 2017 selection of a silver level QHP with a plan enrollment start date of April 1, 2017.

On March 28, 2017, you spoke to NYSOH's Account Review Unit and appealed the termination of your Essential Plan and your eligibility for APTC.

On April 2, 2017, NYSOH issued an eligibility determination notice stating that you were eligible for the Essential Plan for a limited time because you had been granted Aid to Continue until a decision can be made on your appeal. This eligibility was effective April 1, 2017.

Also on April 2, 2017, NYSOH issued a plan enrollment notice confirming your enrollment in the Essential Plan 1 for a limited time with a \$20.00 monthly premium with an enrollment start date of April 1, 2017.

On July 14, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

- 3) The application that was submitted on March 13, 2017 listed annual household income of \$24,000.00 in earnings from your employment. You testified that this amount was correct.
- 4) According to your NYSOH account and your testimony, your only source of income is from your employment. You testified you earn \$16.00 per hour and in the beginning of the year your hours of employment ranged between 31 and 34 hours a week. You testified that your hours are presently down to around 29 to 31 hours a week.
- 5) Your application states that you will not be taking any deductions on your 2017 tax return.
- 6) According to your NYSOH account and your testimony, you live in [REDACTED], New York.
- 7) You testified that you have bills including rent and had to finance a car for transportation along with other living expenses that make it unaffordable for you to purchase health insurance even with APTC.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term “modified adjusted gross income” means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

“Adjusted gross income” means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)). Living expenses, such as rent and utilities are not an allowable deduction in computing adjusted gross income.

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution in 2017 is between 6.43% and 8.21% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you were eligible for an APTC of up to \$326.00 per month.

The application that was submitted on March 13, 2017 listed an annual household income of \$24,000.00 and you testified that this was a good estimate of your annual income. However, you testified that your rent, living expenses and the financing on your car are so high that you are unable to afford health insurance even with the APTC of \$326.00 a month and you requested that these living expenses be considered in calculating your financial aid. Since the Internal Revenue Service rules do not allow living expenses such as rent, utilities, car payments and other living expenses to be deducted from the calculation of your adjusted gross income, such expenses cannot be deducted when the NYSOH computes your modified adjusted gross income for APTC purposes. Therefore, NYSOH correctly determined your household income to be \$24,000.00 when determining your eligibility for financial assistance on March 13, 2017.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in [REDACTED], where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$24,000.00 is 202.02% of the 2016 FPL for a one-person household. At 202.02% of the FPL, the expected contribution to the cost of the health insurance premium is 6.43% of income, or \$130.04 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$130.04 per month), which equals \$326.42 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$326.00 per month in APTC.

The second issue under review is whether you were properly found eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$24,000.00 is 202.02% of the applicable FPL, NYSOH correctly found you to be eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan, effective April 1, 2017.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

that is between 138% and 200% of the FPL for the applicable family size. On the date of your March 13, 2017 application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$24,000.00 is 202.02% of the 2016 FPL, NYSOH properly found you to be ineligible for the Essential Plan based on the financial requirement.

It is noted, however, that on August 3, 2017, based on a revised household income of \$22,776.00, NYSOH redetermined that you were eligible for the Essential Plan with a \$20.00 monthly premium effective September 1, 2017. You were subsequently enrolled in Essential Plan 1 Plus Vision and Dental, with a premium of \$47.60 per month with a plan enrollment start date of September 1, 2017.

Since the March 14, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$326.00 per month in APTC, eligible for cost-sharing reductions, and ineligible for the Essential Plan, it is correct and is AFFIRMED.
