Decision

Decision Date: August 01, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000017832

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your children's eligibility for and enrollment in their Child Health Plus plan was effective May 1, 2017?

Procedural History

On April 6, 2016, NY State of Health (NYSOH) issued an eligibility determination notice, based on your April 5, 2016 application, stating that your children were eligible for Medicaid, effective April 1, 2017. Your children were subsequently enrolled in a Medicaid Managed Care plan.

On February 2, 2017, NYSOH issued a notice stating that it was time to renew your children's health insurance for 2017. That notice stated that, based on information from federal and state sources, NYSOH could not make a decision about whether your children would qualify for financial help paying for their health coverage, and that you needed to update your account between February 16, 2017 and March 15, 2017 or your children might lose the financial assistance they were currently receiving.

No updates were made to your account by March 15, 2017.

On March 17, 2017, NYSOH issued an eligibility determination notice stating that your children were not eligible for Medicaid, Child Health Plus, or to receive tax credits or cost-sharing reductions to help pay for the cost of insurance. Your children also could not enroll in a qualified health plan at full cost. This was because you did not respond to the renewal notice to complete the renewal

within the required time frame. Your children's eligibility ended effective April 1, 2017.

Also on March 17, 2017, NYSOH issued a disenrollment notice stating that your children's Medicaid Managed Care plan will end on March 31, 2017.

On March 28, 2017 NYSOH issued an eligibility determination notice, based on your March 27, 2017 application, stating that your children were eligible to enroll in Child Health Plus with a \$9.00 monthly premium each, effective May 1, 2017.

Also on March 28, 2017, NYSOH issued a plan enrollment notice, based on your plan selection on March 27, 2017, stating that your children were enrolled in a Child Health Plus plan and that coverage would start on May 1, 2017.

On April 6, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your children's Child Health Plus plan insofar as it did not begin April 1, 2017.

On July 27, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account, you receive all your notices from NYSOH by electronic mail. You testified that you seem to be getting notice by email alert from NYSOH and that you have not changed your account preferences.
- 2) You testified that you did not receive any electronic alerts regarding any notice in your NYSOH account telling you that you needed to update your application in order to renew your children's coverage.
- 3) According to your NYSOH account, a disenrollment notice was issued on March 17 2017.
- 4) You testified that you did not know that you needed to update your account until you received a notice in the regular mail stating that your children were disenrolled from their Medicaid Managed Care plan.
- 5) According to your NYSOH account, on March 27, 2017, NYSOH received your children's updated application for health insurance.

- 6) You testified that you are seeking to have your children enrolled in their Child Health Plus plan as of April 1, 2017, because you have hospital bills from that month.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Annual Eligibility Redetermination

Generally, when NYSOH conducts annual eligibility redeterminations for qualified individuals who are seeking financial assistance through insurance affordability programs for the upcoming year, NYSOH is required to request that the qualified individual provide updated income and family size information for use in an eligibility redetermination for the upcoming year (see 45 Code of Federal Regulations (CFR) § 155.335(a), (b)).

NYSOH must send an annual renewal notice that contains the individual's projected eligibility for the upcoming year (45 CFR § 155.335(c)(3)). If a qualified individual does not respond to the notice after a 30-day period, NYSOH must redetermine that individual's eligibility using the information and projected eligibility provided in the annual renewal notice (45 CFR § 155.335(g), (h)). NYSOH must ensure this redetermination is effective on the first day of the coverage year or in accordance with the rules specified in 45 CFR § 155.330(f) regarding effective dates, whichever is later (45 CFR § 155.335(i)).

Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid, or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Electronic Notices

Applicants may choose to receive notices and information from NYSOH by either electronic or regular mail. If the applicant elects to receive electronic notices, NYSOH must send an email or other electronic communication alerting the individual that a notice has been posted to the applicant's account within 1 day of the notice being generated (45 CFR § 155.230(d); 42 CFR § 435.918(b)(4)). If an electronic notice is undeliverable, NYSOH must send a notice by regular mail within three business days of the date of a failed electronic communication (42 CFR §435.918(b)(5)).

Legal Analysis

The issue under review is whether NYSOH properly determined that your children's enrollment in their Child Health Plus plan was effective May 1, 2017.

Your children were originally found eligible for Medicaid effective April 1, 2016.

Generally, NYSOH must redetermine a qualified child's eligibility for financial assistance once every 12 months without requiring information from the individual, if it is able to do so based on reliable information contained in the individual's account or other more current information available to the agency. NYSOH's February 2, 2017 renewal notice stated that there was not enough information to determine whether your children were eligible to continue to receive financial assistance for health insurance, and that you needed to supply additional information by March 15, 2017, or any such financial assistance might end.

Because there was no timely response to this notice, your children were terminated from their Child Health Plus plan, effective March 31, 2017.

Although you testified that you received NYSOH's March 17, 2017 disenrollment notice in the mail, you also testified that you are getting email alerts regarding notices from NYSOH via email. In addition, your NYSOH account lists that you receive notice alerts electronically. Since your statements are conflicting, the credible evidence of the record was reviewed, which reflects that you elected to receive alerts regarding notices from NYSOH electronically. You credibly testified

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

that you did not receive an electronic alert regarding the renewal notice, which directed you to update the information in your NYSOH account on behalf of your children. There is no evidence in your account documenting that any email alert was sent to you regarding the need to renew your children's application or that such alert failed such that the renewal notice was sent by regular mail.

Therefore, it is reasonable to conclude that NYSOH did not give you proper notice that you needed to update your account on your children's behalf.

You first renewed your child's eligibility for financial assistance through NYSOH for the new coverage year on March 27, 2017 and, therefore, we must assume that this is the information that would have been used had you been timely informed of the need to update your account, as stated in the renewal notice.

Therefore, the March 28, 2017 eligibility determination notice is MODIFIED to state that, effective April 1, 2017, your children were eligible to enroll in Child Health Plus with a \$9.00 premium per month.

Similarly, the March 28, 2017 plan enrollment notice is MODIFIED to state that your children's enrollment in their Child Health Plus plan is effective April 1, 2017.

Decision

The March 28, 2017 eligibility determination notice is MODIFIED to state that, effective April 1, 2017, your children are eligible to enroll in Child Health Plus with a \$9.00 premium per month.

The March 28, 2017 plan enrollment notice is MODIFIED to state that your children's enrollment in their Child Health Plus plan is effective April 1, 2017.

Your case is RETURNED to NYSOH to effectuate these changes and to notify you accordingly.

Effective Date of this Decision: August 01, 2017

How this Decision Affects Your Eligibility

You were not given proper notice of the need to renew your children's eligibility by updating the information on your account, such that your children's eligibility for and enrollment in their Child Health Plus plan should have been effective as of April 1, 2017.

Your case is being sent back to NYSOH to reinstate your children into their Child Health Plus plan as of April 1, 2017. NYSOH will notify you once this has been done.

If applicable, you will be responsible to pay the April 2017 monthly premium directly to the CHP plan for coverage to resume that month.

If You Disagree with this Decision (Appeal Rights)

This Decision is final unless you submit an appeal request to the Federal Marketplace or bring a lawsuit under New York Civil Practice Law and Rules, Article 78.

You may bring a lawsuit on any Appeals Unit decision in New York State court in accordance with Article 78 of the New York Civil Practice Law and Rules. This must be done within four months of the Decision Date, which appears on the first page of this Decision.

Additionally, Appeals Unit decisions on issues involving eligibility for qualified health plans, advance premium tax credits, and cost-sharing reductions may be appealed to the Federal Marketplace. This must be done within 30 days of the Decision Date, which appears on the first page of this Decision (45 CFR § 155.520(c)).

If you have questions about appealing to the Federal Marketplace, you can contact them in any of the following ways:
