## Decision

Decision Date: August 29, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000018129

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that you were not eligible to receive Medicaid through NY State of Health as of your April 18, 2017 application?

## Procedural History

On July 2, 2016, NY State of Health (NYSOH) issued an eligibility determination notice stating that you remained eligible for Medicaid, effective September 1, 2016.

On April 18, 2017, your NYSOH account was updated to reflect that you had insurance through Medicare as of May 1, 2017. That day, a preliminary eligibility determination was prepared stating that you do not qualify for Medicaid.

Also on April 18, 2017, you contacted NYSOH's Account Review Unit and requested an appeal of that preliminary eligibility determination as it related to your ineligibility for Medicaid.

On April 19, 2017, NYSOH issued an eligibility determination notice stating that you do not qualify for Medicaid because based on information from federal and state data sources, you were already enrolled in or eligible for a public insurance program such as Medicare.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On August 7, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) Your application states that you do not intend on filing a tax return.
- 2) You are seeking insurance for yourself.
- 3) Your application states that you reside with your domestic partner and your child.
- 4) Your child is [REDACTED] old.
- 5) You testified that you were found eligible for and enrolled in Medicare Parts A and B as of May 1, 2017. You became eligible for Medicare because you have been certified disabled through the Social Security Administration for at least 24 months.
- 6) You testified that you have not applied for Medicaid through your Local Department of Social Services.
- 7) Your application states that your annual expected household income is \$21,768.00. You testified that this amount is correct.
- 8) Your application states that you live in Oswego County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Medicaid

An individual is eligible for enrollment in Medicaid through NYSOH (called MAGI-based Medicaid) when he or she meets certain nonfinancial criteria and has a household income that is at or below the applicable Medicaid income standard (45 CFR § 155.305(c); N.Y. Soc. Serv. Law § 366(1)(b)).

In general, to qualify for MAGI-based Medicaid through NYSOH, you must also be one of the following:

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

- An adult aged 19-64 who is not eligible for Medicare Part A or Part B,
- A pregnant woman or infant,
- A child aged 1-18, or
- A parent or caretaker relative

(45 CFR § 155.305(c); N.Y. Soc. Serv. Law § 366(1)(b)).

A caretaker relative is a relative of a dependent child by blood, adoption, or marriage, who:

- Lives with the dependent child;
- Assumes primary responsibility for the child's care; and
- Is either the child's father, mother, grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle, aunt, first cousin, nephew, or niece.

(42 CFR § 435.4; N.Y. Soc. Serv. Law § 366(1)(a)(2)(i); NY Department of Health Administrative Directive 13ADM-03)

A dependent child is a child who:

- Is under 18 years old, or is 18 years old and a full-time high school student; and
- Is deprived of parental support by at least parent due to either death, absence, physical or mental incapacity, or unemployment.

(42 CFR § 435.4; N.Y. Soc. Serv. Law § 366(b)(1)(v); NY Department of Health Administrative Directive 13ADM-03)

If an individual does not fall into one of these categories, he or she may still be eligible for non-MAGI-based Medicaid coverage through their Local Department of Social Services or the New York City Human Resources Administration (see N.Y. Soc. Serv. Law § 366(1)(c)).

NYSOH is required to refer an individual who is not eligible for MAGI-based Medicaid because they are in receipt of Medicare, certified disabled, or over the age of 65 to the Local Department of Social Services or the Human Resources Administration. During the referral process, an individual's Medicaid eligibility, including their enrollment in a Medicaid Managed Care plan or receipt of Premium Payment Assistance, continues until such a time as their eligibility can be redetermined on a non-MAGI Medicaid basis (*see generally* 42 CFR § 435.1200, 42 CFR § 435.930, 14 OHIP/LCM-2 effective as of December 1, 2014, GIS 16 MA/04 effective as of January 1, 2016).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that you were not eligible to receive Medicaid through NYSOH as of your April 18, 2017 application.

On April 18, 2017, your NYSOH application was updated to state that you were eligible for Medicare as of May 1, 2017. As a result, NYSOH determined you ineligible for Medicaid because you were eligible for a public insurance program such as Medicare

Medicaid through NYSOH (called MAGI-based Medicaid) is available to individuals who are between the ages of 19 and 64, who are not eligible for Medicare Parts A or B; pregnant women or infants; children between the ages of 1 and 18; and parent or caretaker relatives.

Your application states that you reside with your domestic partner and your child. A person who is eligible for Medicare can be eligible for MAGI-based Medicaid if they are determined to be a parent or caretaker relative of a dependent child. However, since your child is over the age of 18, you are not considered a parent or caretaker relative for the purposes of obtaining Medicaid coverage.

Since you are currently receiving Medicare, and not a parent or caretaker relative, NYSOH properly determined that you are not eligible for Medicaid through NYSOH. Accordingly, the April 19, 2017 eligibility determination notice stating that you do not qualify for Medicaid because you are eligible for Medicare is AFFIRMED.

However, individuals who are no longer eligible for MAGI-based Medicaid because they are receiving Medicare, over the age of 65 or have become certified disabled may qualify for Medicaid under non-MAGI standards. NYSOH is required to refer these individuals to their Local Department of Social Services (LDSS) for redetermination of their Medicaid eligibility.

Therefore, your case is RETURNED to NYSOH to refer your case to Oswego County LDSS for a determination of your Medicaid eligibility on a Non-MAGI basis.
