## Decision

Decision Date: August 21, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000018380

[REDACTED]

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$312.00 per month in advance payments of the premium tax credit, effective June 1, 2017?

Did NY State of Health properly determine that you were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

## Procedural History

On April 25, 2017, NY State of Health (NYSOH) received your updated application for health insurance. That day, a preliminary eligibility determination was prepared finding you eligible to receive up to \$312.00 per month advance premium tax credits (APTC), effective June 1, 2017.

Also on April 25, 2017, you contacted NYSOH's Account Review Unit and requested an appeal of that preliminary eligibility determination as it related to your eligibility for additional financial assistance.

On April 26, 2017, NYSOH issued an eligibility determination notice, based on the information contained in the April 25, 2017 application, that was consistent with its preliminary determination in that it stated you were eligible to receive an

amount up to \$312.00 per month APTC to use towards the purchase of health insurance and cost-sharing reductions, effective June 1, 2017.

On July 24, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was held open to August 8, 2017 for you to submit proof of your current income for the 2017 tax year.

As of August 8, 2017, the Appeals Unit did not receive any documents from you nor were they visible in your NYSOH account. Therefore, the record was closed that day and this decision is based on the record as developed at the time of hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on April 25, 2017, listed annual household income of \$25,209.60 in earnings from your employment. You testified that you were not sure if the amount you provided in your application was correct because your income varies and that you were working less hours this year
- 4) You failed to submit proof of your current income for the 2017 tax year.
- 5) According to your NYSOH account, and your testimony, you will not be taking any deductions on your 2017 tax return.
- 6) According to your NYSOH account, and your testimony, you live in [REDACTED], New York.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution in 2017 is between 6.43% and 8.21% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

## Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

## Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

The Essential Plan is considered minimum essential coverage. Therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

## **Legal Analysis**

The first issue under review is whether NYSOH properly determined that you were eligible to receive up to \$312.00 per month in APTC.

In the application that was submitted on April 25, 2017, you attested to an expected yearly income of \$25,209.60, and the eligibility determination relied upon that information.

During the hearing, you testified that you were not sure if the the amount you provided in your application was correct because it varies and that you were working less hours this year. The record was kept open to August 8, 2017, to

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

allow you to submit proof of your current income. You did not submit this proof and, therefore, this decision must be based on the evidence in the record, which reflects an annual expected income of \$25,209.60 for 2017.

You are in a one-person household. This is because you expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Kings County, where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$25,209.60 is 212.20% of the 2016 FPL for a one-person household. At 212.20% of the FPL, the expected contribution to the cost of the health insurance premium in 2017 is 6.86% of income, or \$144.11 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$144.11 per month), which equals \$312.35 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible to receive up to \$312.00 per month in APTC.

The second issue under review is whether you were properly found eligible for cost-sharing reductions.

Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$25,209.60 is 212.20% of the applicable FPL, NYSOH correctly found you to be eligible for cost-sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$25,209.60 is 212.20% of the 2016 FPL, NYSOH properly found you to be ineligible for the Essential Plan.

Since the April 26, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$312.00 per month in APTC, eligible for cost-sharing reductions, and ineligible for the Essential Plan, it is correct and is AFFIRMED.
