Decision Date: August 15, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000018463

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you do not qualify to switch your qualified health plan outside of the open enrollment period, effective June 1, 2017?

Procedural History

On December 19, 2016, NYSOH received your application for health insurance.

On December 20, 2016, NYSOH issued an eligibility determination notice stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$322.00 per month, effective February 1, 2017.

On January 18, 2017, NYSOH issued an enrollment notice confirming your selection of a qualified health plan (QHP) as of January 17, 2017. The notice stated that your QHP coverage would begin effective February 1, 2017, with a monthly premium of \$134.46, after applying the \$322.00 APTC.

On February 9, 2017, NYSOH received an updated application for health insurance.

On February 10, 2017, NYSOH issued an eligibility determination notice stating that you remained eligible for an APTC of up to \$322.00 per month. The notice also stated that you may be able to enroll in coverage if you qualify for a special enrollment period. This eligibility determination was effective March 1, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On April 27, 2017, you spoke to NYSOH's Account Review Unit and appealed that eligibility determination insofar as you were not able to switch into a different health plan outside of the open enrollment period.

On May 5, 2017, NYSOH redetermined your eligibility for health insurance.

On May 6, 2017, NYSOH stating that you remained eligible for an APTC of up to \$322.00 per month. It further stated that you do not qualify to select a health plan outside of the open enrollment period for 2017. This eligibility determination was effective June 1, 2017.

On August 10, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed the record at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) On December 19, 2016, you submitted an application for health insurance.
- 2) On January 18, 2017, you selected a silver-level QHP for your enrollment. This coverage began effective February 1, 2017, with a monthly premium of \$134.46, after applying the \$322.00 APTC.
- 3) You testified that on February 9, 2017, you attempted to enroll in a less expensive bronze-level QHP, but were unable to do so.
- 4) Your application on February 9, 2017 states that you were seeking a special enrollment based on that you believed that you lost or will lose your health coverage as of April 30, 2017.
- 5) You testified that as of the date of the hearing, you have missed two monthly premium payments because you are unable to afford silver-level plan QHP coverage.
- 6) You testified that you were seeking to change your silver-level plan to a bronze-level plan since it would reduce your monthly premium to \$50.00 after applying the APTC.
- 7) Your NYSOH account does not yet reflect a termination of coverage under your silver-level QHP because of non-payment of premium or otherwise.

- 8) You testified that since filing your application on December 19, 2016, there have been no other major changes to your household.
- 9) You testified that you did not rely on any statements made by NYSOH that prevented you attempting to switch your QHP sooner.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a qualified health plan and enrollees may change qualified health plans (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2017, the annual open enrollment period began on November 1, 2016, and extended through January 31, 2017 (45 CFR § 155.410(e)(2)).

Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a qualified health plan, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
 - (i) Loses minimum essential coverage.
 - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
 - (iii) Loses pregnancy-related coverage.
 - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.

(2)(i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.

(ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.

(3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a qualified health plan because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.

(4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.

(5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to new qualified health plan as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a qualified health plan or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by

HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a qualified health plan; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days. NYSOH has not elected to adopt this subsection at this time.

(45 CFR § 155.420(d)).

Generally, if a triggering life event occurs, the qualified individual or enrollee has 60 days from the date of a triggering event to select a qualified health plan (45 CFR § 155.420(c)(1)).

However, a loss of health insurance coverage such as that referenced above does not include,

“voluntary termination of coverage or other loss due to—

(1) Failure to pay premiums on a timely basis, including COBRA premiums prior to expiration of COBRA coverage, or

(2) Situations allowing for a rescission as specified in 45 CFR [§] 147.128” such as failure to comply with other requirements (45 CFR § 147.128(b))

(45 CFR § 155.420(e)).

Legal Analysis

The issue under review is whether NYSOH properly determined that you do not qualify to change your QHP outside of the open enrollment period, effective June 1, 2017.

NYSOH provided an open enrollment period from November 1, 2016 until January 31, 2017. On February 9, 2017, you submitted an update to your application for health insurance and requested to change your QHP since you were about to lose coverage for non-payment of premium. On February 10, 2017 NYSOH issued a notice stating that you may be able to change your plan if you qualify for an SEP. On May 5, 2017, NYSOH redetermined your eligibility for health insurance. Based on this redetermination, NYSOH issue an eligibility determination notice stated that you do not qualify to change your QHP outside of the open enrollment period.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period in order to enroll in, or change to another health plan offered in NYSOH. In order to qualify for a special enrollment period, a person must experience a triggering event.

The record reflects that while you may be expecting to have your coverage terminated for non-payment, you have not yet experienced a termination of your silver-level QHP coverage. In any event, the loss of health insurance coverage for non-payment of premiums cannot be considered a triggering event for a special enrollment period, because it would be as a result of non-payment of your premiums which NYSOH considers a voluntary action causing the termination of your coverage.

A special enrollment period can be granted if a qualified individual’s enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or

inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities

You testified that you did not experience any misrepresentations on the part of any NYSOH representative in selecting your silver-level QHP.

The credible evidence of record indicates that, since the open enrollment period closed on January 31, 2017, no other triggering events have occurred that would qualify you for a special enrollment period.

Therefore, NYSOH's May 6, 2017 eligibility determination notice that you do not qualify to change a health plan outside of the open enrollment period for 2017 is **AFFIRMED**.
