Decision

Decision Date: August 24, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000018982

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you and your spouse were eligible to receive up to \$293.00 per month in advance payments of the premium tax credit, effective June 1, 2017?

Did NYSOH properly determine that you and your spouse were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you and your spouse were not eligible for the Essential Plan?

Procedural History

On May 15, 2017, you submitted an application for financial assistance. In response to this application, NYSOH prepared a preliminary eligibility determination notice stating that you and your spouse were found eligible for an advance premium tax credit (APTC) of up to \$293.00 per month, effective June 1, 2017.

Also on May 15, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were seeking additional tax credits to apply to reduce your overall premium.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On May 16, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$293.00 per month, effective June 1, 2017. That notice also stated that you were not eligible for either cost-sharing reductions (CSR) or the Essential Plan because your household income was over the allowable income limits for those programs.

On August 22, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) Your spouse, [REDACTED], acted as your Authorized Representative during the hearing.
- 2) Your spouse testified, and your NYSOH account reflects, that you expect to file your 2017 taxes with a tax filing status of married filing jointly. You will claim you two children as dependents on that tax return.
- 3) Your spouse testified that you are seeking insurance for you and your spouse since your children have been enrolled in a Child Health Plus plan.
- 4) The application that was submitted on May 15, 2017 listed annual household income of \$78,000.00, consisting entirely of earnings you spouse received from his employment with [REDACTED]. Your spouse testified that this amount was correct.
- 5) Your spouse testified, and your NYSOH account reflects, that you will not be taking any deductions on your 2017 tax return.
- 6) You live in [REDACTED].
- 7) Your spouse testified that you are seeking additional tax credits to make a qualified health plan more affordable to purchase through NYSOH. Your spouse further testified that you not seeking a review of your eligibility for Medicaid.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$24,300.00 for a four-person household (81 Federal Register 4036).

For annual household income in the range of at least 300% but less than 400% of the 2016 FPL, the expected contribution is 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for

which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$24,300.00 for a four-person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

Legal Analysis

The first issue is whether NYSOH properly determined that you and your spouse were eligible for an APTC of up to \$293.00 per month.

The application that was submitted on May 15, 2017 listed an annual household income of \$78,000.00 and the eligibility determination relied upon that information.

You are in a four-person household. You expect to file your 2017 income taxes as married filing jointly and will claim your two children as dependents on that tax return.

You reside in [REDACTED], where the second lowest cost silver plan available for a couple through NYSOH costs \$922.98 per month.

An annual income of \$78,000.00 is 320.99% of the 2016 FPL for a four-person household. At 320.99% of the FPL, the expected contribution to the cost of the health insurance premium is 9.69% of income, or \$629.85 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for a couple in your county (\$922.98 per month) minus your expected contribution (\$629.85 per month), which equals \$293.13 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you and your spouse to be eligible for up to \$293.00 per month in APTC.

The second issue is whether you were properly found ineligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$78,000.00 is 320.99% of the applicable FPL, NYSOH correctly found you to be ineligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$24,300.00 for a four-person household. Since an annual household income of \$78,000.00 is 320.99% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

Since the May 16, 2017 eligibility determination notice properly stated that, based on the information you provided, you and your spouse were eligible for up to \$293.00 per month in APTC, ineligible for CSR, and ineligible for the Essential Plan, it is correct and is AFFIRMED.
