## Decision

Decision Date: September 18, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000019306

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) provide you proper and adequate notice that your children's eligibility for and enrollment in Child Health Plus would be terminated effective May 31, 2017?

## Procedural History

On May 4, 2016, NYSOH issued a notice of eligibility determination, based on your May 3, 2016 application, stating your children were eligible for Child Health Plus effective June 1, 2016. Your children were subsequently enrolled in a Child Health Plus plan.

On April 6, 2017, NYSOH issued a notice stating it was time to renew your children's health insurance for 2017. That notice stated that NYSOH did not have enough information from state and federal data sources to determine whether your children qualified for financial help paying for their coverage. The notice directed you to update the information in your account by May 15, 2017 or the financial assistance your children were receiving might end.

No updates were made to your account by May 15, 2017.

On May 17, 2017, NYSOH issued an eligibility determination notice stating that, effective June 1, 2017, your children were no longer eligible for health insurance through NYSOH because you did not respond to the renewal notice and did not complete the renewal in the required time frame.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On May 17, 2017, NYSOH issued a disenrollment notice stating that your children's coverage through their Child Health Plus plan would end May 31, 2017, because they were no longer eligible for health insurance through NYSOH.

On May 22, 2017, NYSOH received your children's updated application for health insurance.

On May 23, 2017, NYSOH issued a notice of eligibility determination, based on your May 22, 2017 application, stating your children were eligible to enroll in Child Health Plus, effective July 1, 2017.

Also on May 23, 2017, NYSOH issued a notice of enrollment, based on your plan selection on May 22, 2017, stating your children were enrolled in a Child Health Plus plan and that coverage would start on July 1, 2017.

On May 26, 2017, you spoke to NYSOH's Account Review Unit and appealed the effective date of your children's Child Health Plus plan insofar as they did not have coverage for the month of June 2017.

On August 29, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you are only appealing your children's disenrollment from their Child Health Plus plan for the month of June 2017.
- 2) You testified that you previously received all your notices from NYSOH by regular mail. You testified that you changed your communication preference with NYSOH after you filed the appeal in this matter and that you have since been receiving electronic communications from NYSOH.
- 3) You testified that you did not receive any notice in April 2017 indicating you needed to renew your children's health coverage for 2017.
- 4) The April 6, 2017 renewal notice does not indicate that your children's Child Health Plus plan enrollment would be terminated if you failed to respond. The notice does state that your children's financial eligibility may end.

- 5) You testified that you became aware that your children had been disenrolled from their Child Health Plus plan when you received the May 17, 2017 disenrollment notice.
- 6) You testified that when you became aware that your children had been disenrolled, you immediately contacted NYSOH to reenroll them.
- 7) On May 22, 2017, NYSOH received your updated application and Child Health Plus plan selection.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Child Health Plus

A child who meets the eligibility requirements for Child Health Plus may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (NY Public Health Law § 2511(2)(a)(iii)).

To be eligible for Child Health Plus, the child:

- Must be under 19 years of age;
- Must be a New York State Resident;
- Must not have other health insurance coverage; and
- Must not be eligible for, or enrolled in, Medicaid

(NY Public Health Law § 2511(2)(a)-(e)).

The “period of eligibility” for Child Health Plus is “that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date,” unless the CHP premiums are not timely paid, or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

“A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage,” including for periodic renewals (42 CFR § 457.340(f); 42 CFR §457.343).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

In general, a child eligible for Child Health Plus must recertify their eligibility for enrollment through NYSOH once every twelve months (42 CFR § 457.343; 42 CFR § 435.916(a)(1), (d)). NYSOH must make its “redetermination of eligibility without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency, including but not limited to information accessed through any data bases accessed by the agency” (NY Public Health Law § 2511(2)(f)(ii); 42 CFR § 435.916(a)(2)).

NYSOH is required to provide proper written notice to an applicant of any decision effecting an enrollee's Child Health Plus eligibility (42 CFR § 457.340(e)). When Child Health Plus coverage is denied, suspended or terminated NYSOH must provide sufficient notice to enable the child's parent or caretaker relative to take appropriate actions to allow Child Health Plus coverage to continue without interruption (42 CFR § 457.340(e)(1)(D); 42 CFR § 457.1130(a)(3)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

## **Legal Analysis**

The issue under review is whether NYSOH provided you proper and adequate notice that your children's eligibility for and enrollment in Child Health Plus would end May 31, 2017.

Your children were found eligible for Child Health Plus and enrolled effective June 1, 2016.

Generally, NYSOH must redetermine a qualified child's eligibility for Child Health Plus once every 12 months without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency. NYSOH's April 6, 2017 renewal notice stated that NYSOH did not have enough information from state and federal data sources to determine whether your children qualified for financial help paying for their coverage. The notice directed you to update the information in your account by May 15, 2017 or the financial assistance your children were receiving might end.

No updates were made to your NYSOH account prior to May 15, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

On May 17, 2017, NYSOH issued a disenrollment notice stating that your children's coverage in their Child Health Plus plan would end effective May 31, 2017. According to the eligibility determination, also issued on May 17, 2017, this was because you had not responded to the renewal notice and had not completed the renewal in the required time frame.

When NYSOH denies, terminates, or suspends a child's Child Health Plus coverage, they are required to provide sufficient notice so that a child's parent can act to prevent a gap in coverage for the child. Notice is considered received five days after the date on the notice. The April 6, 2017 renewal notice does not indicate that your children's Child Health Plus plan enrollment would be terminated if you failed to respond. You were first informed that your children's coverage through their Child Health Plus plan would end in the May 17, 2017 eligibility determination and disenrollment notices.

The record indicates that on May 22, 2017 you updated your NYSOH account and submitted an updated application for your children. You testified that you updated the account as soon as you received the notice that your children had been disenrolled from coverage.

When changes are made to an individual's application after the 15th of any month, NYSOH must make the redetermination that results from a change effective the first day of the next following month. Since you would have received NYSOH's notice terminating your children's Child Health Plus eligibility after the 15<sup>th</sup> of the month, any changes you would have made to your account to prevent a gap in coverage would not have been effective until July 1, 2017.

Therefore, NYSOH failed to provide you with sufficient notice that would have allowed you to act to prevent a gap in Child Health Plus coverage for your children for the month of June 2017, and the May 17, 2017 disenrollment and eligibility determination notices are RESCINDED.
