Decision

Decision Date: September 8, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000019424

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$298.00 per month in advance payments of the premium tax credit, effective July 1, 2017?

Did NYSOH properly determine that you were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Procedural History

On May 26, 2017, you submitted an application for financial assistance.

On May 27, 2017, NYSOH issued a notice of eligibility determination stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$298.00 per month and, if you enrolled in a silver level qualified health plan, eligible to receive cost-sharing reductions (CSR), effective July 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income was over the allowable income limits for that programs.

On May 31, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were found eligible for tax credit, and not for the Essential Plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

You were found eligible for “Aid to Continue” during the pendency of the appeal, so you were reenrolled in the Essential Plan for a limited time.

On September 5, 2017, you had a telephone hearing with a Hearing Officer from NYSOH’s Appeals Unit. Your social worker, [REDACTED], appeared as witness during the hearing. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on May 26, 2017 listed annual household income of \$26,395.20, consisting of \$12.69 per hour you earn from your employment with [REDACTED] over a typical 40-hour work week. You testified that this amount was correct.
- 4) You testified, and your NYSOH application reflects, that you will not be taking any deductions on your 2017 tax return.
- 5) You live in [REDACTED], New York.
- 6) Your social worker testified that it would be better for you to remain in the Essential Plan since you are currently experience several medical issues, which are quite expensive and covered better under the Essential Plan.
- 7) You testified that you were not seeking a review of your eligibility for Medicaid, but rather solely for the Essential Plan.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution is between 6.43% and 8.21% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$298.00 per month.

The application that was submitted on May 26, 2017 listed an annual household income of \$26,395.20, which consisted of \$12.69 per hour you earn from your employment with [REDACTED] over a typical 40-hour work week. You testified that this amount was correct. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in [REDACTED], where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$26,395.20 is 222.18% of the 2016 FPL for a one-person household. At 222.18% of the FPL, the expected contribution to the cost of the health insurance premium is 7.22% of income, or \$158.80 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$158.80 per month), which equals \$297.66 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$298.00 per month in APTC.

The second issue is whether you were properly found eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$26,395.20 is 222.18% of the applicable FPL, NYSOH correctly found you to be eligible for CSR.

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$26,395.20 is 222.18% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

Since the May 27, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for an APTC of up to \$298.00 per month in APTC, eligible for CSR, and not eligible for the Essential Plan, it is correct and is AFFIRMED.
