## Decision

Decision Date: October 31, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000019529

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NYSOH properly determine that you did not qualify to change your enrollment in a qualified health plan (QHP) outside of the 2017 open enrollment period?

## Procedural History

On January 11, 2017, NYSOH received your updated application for health insurance.

On January 12, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to enroll in a QHP, effective February 1, 2017, and to receive up to \$319.00 per month in advance payments of the premium tax credit (APTC). You were also eligible for cost-sharing reductions if you enrolled in a silver-level plan.

On January 16, 2017, NYSOH issued an enrollment confirmation notice stating that you were enrolled in an MVP platinum level QHP, beginning February 1, 2017. After APTC was applied, your monthly premium payments would be \$460.32.

In April and May 2017, you contacted NYSOH because your provider was not accepting your insurance.

On June 5, 2017, you contacted NYSOH and objected to your inability to change your QHP.

On June 6, 2017, NYSOH redetermined your eligibility, based on your January 11, 2017 application.

On June 7, 2017, NYSOH issued a notice of eligibility determination, denying your request to change your enrollment in a QHP outside of the open-enrollment period.

On September 14, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You were enrolled in QHP for the 2017 coverage year, effective February 1, 2017.
- 2) You testified that when you selected your QHP, you checked with your medical providers, who confirmed that they accepted MVP. However, the doctors only said they accepted MVP; they did not specify any particular plan. There were multiple MVP plans available to you, and you selected a platinum plan. You later found out that the plan you selected was a limited plan, and that none of your providers accepted it.
- 3) NYSOH sent you a list of providers, but none were your doctors.
- 4) You testified that NYSOH told you it was a limited plan.
- 5) In April 2017, you contacted NYSOH to change your enrollment, but were told you could not switch your plan.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a QHP and enrollees may change QHPs (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2017, the annual open enrollment period began on November 1, 2016, and extended through January 31, 2017 (45 CFR § 155.410(e)(2)).

### Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a QHP, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
  - (i) Loses minimum essential coverage.
  - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
  - (iii) Loses pregnancy-related coverage.
  - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.
- (2)(i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.
  - (ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.
- (3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a QHP because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

(4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a QHP is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.

(5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the QHP in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or has a change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to a new QHP as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a QHP or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as

potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a qualified health plan; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days. NYSOH has not elected to adopt this subsection at this time.

(45 CFR § 155.420(d)).

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that you did not qualify to change your enrollment in a QHP outside of an open enrollment period.

NYSOH provided an open enrollment period from November 1, 2016 until January 31, 2017. In April and May of 2017, you made multiple requests to change your enrollment through NYSOH.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period to enroll in, or change to another health plan offered in NYSOH. To qualify for a special enrollment period, a person must experience a triggering event.

In the present case, there is no evidence in the record to establish grounds for a special enrollment period. You testified that there were no changes to your household or your household income in 2017 and that you had not moved.

The credible evidence of record indicates that, since the open enrollment period closed on January 31, 2017, you did not experience a triggering event that would qualify you for a special enrollment period as of the date of the hearing.

Therefore, NYSOH's denial of a special enrollment period to select a health plan outside of the open enrollment period for 2017 is AFFIRMED.
