Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in your Medicaid Managed Care plan was effective July 1, 2017?

Procedural History

On March 19, 2016, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid effective March 1, 2016.

On February 3, 2017, NYSOH issued a renewal notice, stating that it was time to renew your health insurance for the upcoming coverage year. That notice stated that, based on information from federal and state sources, NYSOH could not make a decision about whether you would qualify for financial help paying for your health coverage, and that you needed to update your account between February 16, 2017 and March 15, 2017, or you might lose the financial assistance you were currently receiving.

No updates were made to your account by March 15, 2017.

On March 17, 2017, NYSOH issued an eligibility determination notice stating that you were not eligible for Medicaid, Child Health Plus, or to receive tax credits or cost-sharing reductions to help pay for the cost of insurance. You also could not enroll in a qualified health plan at full cost. This was because you had not responded to the renewal notice and had not completed your renewal within the required time frame. Your eligibility ended effective April 1, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Also on March 17, 2017, NYSOH issued a disenrollment notice stating that your Medicaid Managed Care plan would end on March 31, 2017.

On May 24, 2017, NYSOH issued a notice, based on your May 23, 2017 updated application, stating that the income information in your application does not match what NYSOH received from federal and state data sources. That notice directed you to provide proof of household income by June 7, 2017.

On June 3, 2017, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid, and that your coverage for Fee-For-Service Medicaid would be effective May 1, 2017.

Also on June 3, 2017, NYSOH issued a second eligibility determination notice stating that you were eligible for Medicaid retroactively from April 1, 2017 through April 30, 2017.

On June 7, 2017, NYSOH issued a plan enrollment notice stating that you had selected a Medicaid Managed Care plan, and that the effective date of that plan was July 1, 2017.

On June 8, 2017, you spoke to NYSOH's Account Review Unit and appealed the plan enrollment notice insofar as it began your Medicaid Managed Care plan on July 1, 2017 and not May 1, 2017.

On September 8, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account and testimony, at all times relevant, you received all your notices from NYSOH via electronic communications (alerts).
- 2) You testified that you did not receive any electronic alerts regarding any notice in your NYSOH account telling you that you needed to update your application in order to renew your eligibility. You also did not receive any renewal notice by regular mail.
- 3) You testified that you did not know that you needed to update your account until the end of May 2017, when you received a medical bill.

- 4) According to your NYSOH account, on May 23, 2017. NYSOH received your updated application for health insurance.
- 5) You testified that you are seeking to have your coverage in your Medicaid Managed Care plan made effective as of May 1, 2017, to cover medical bills that were not covered by Medicaid Fee-For Service.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid Renewal

In general, NYSOH must review Medicaid eligibility once every 12 months or “whenever it receives information about a change in a beneficiary’s circumstances that may affect eligibility” (42 CFR § 435.916(a)(1), (d)). NYSOH must make its “redetermination of eligibility without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency, including but not limited to information accessed through any data bases accessed by the agency” (42 CFR § 435.916(a)(2)).

NYSOH must provide an individual with the annual redetermination notice, including the projected eligibility for coverage and financial assistance, and must require the qualified individual to report any changes within 30 days (45 CFR § 155.335(c), (e)). Once the 30-day period has lapsed, NYSOH must issue a redetermination as provided by the notice, with consideration given to any updates that may have been provided by the individual (45 CFR § 155.335(h)).

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13 ADM-03(III)(F)).

Medicaid Managed Care (MMC) plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H(6)(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; NY Social Services Law § 364-j(1)(c); 18 NYCRR § 360-10.3(h); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13 ADM-03(III)(F)).

Electronic Notices

Applicants may choose to receive notices and information from NYSOH either by electronic alerts or by regular mail. If the applicant elects to receive electronic notices, NYSOH must send an email or other electronic communication alerting the individual that a notice has been posted to the applicant's account (45 CFR § 155.230(d); 42 CFR §435.918(b)(4)).

Additionally, if an electronic alert regarding a notice in an individual's NYSOH account fails, NYSOH must send out the notice by regular mail within three days of the failed alert (42 CFR § 435.918(b)(5)).

Legal Analysis

The issue under review is whether NYSOH properly determined that your enrollment in your Medicaid Managed Care plan was effective July 1, 2017.

You were originally found eligible for Medicaid effective March 1, 2016.

Generally, NYSOH must redetermine a qualified individual's eligibility for Medicaid once every 12 months without requiring information from the individual if able to do so based on reliable information contained in the individual's account or other more current information available to the agency. NYSOH's February 3, 2017 renewal notice stated that there was not enough information to determine whether you were eligible to continue your financial assistance for health insurance, and that you needed to supply additional information between February 16, 2017 and March 15, 2017, or your financial assistance might end.

Because there was no timely response to this notice, you were terminated from your Medicaid Managed Care plan, effective March 31, 2017.

However, you testified and the record reflects that, at all times relevant, you elected to receive alerts regarding notices from NYSOH electronically; that is, by email alert. You credibly testified that you did not receive any electronic alert regarding the notice that directed you to update the information in your NYSOH account. There is no evidence in your account showing that any email alert was sent to you regarding the need to renew your application, that any such electronic notice failed, or that the notice was later sent to you by regular mail.

Therefore, it is concluded that NYSOH did not give you the required notice to you that you needed to update your account.

You first renewed your eligibility for financial assistance through NYSOH for the upcoming coverage year on May 23, 2017 and, therefore, we must assume that

the information you provided at that time is the information that would have been used had you been timely informed of the need to update your account by March 15, 2017, as stated in the renewal notice.

Had the information been submitted at that time, your enrollment in your Medicaid Managed Care plan would have begun on April 1, 2017.

Therefore, the June 7, 2017 plan enrollment notice is MODIFIED to state that your enrollment in your Medicaid Managed Care plan was effective April 1, 2017.

Your case is RETURNED to NYSOH to facilitate correcting your enrollment in your Medicaid Managed Care plan to April 1, 2017, and to notify you accordingly.
