Decision

Decision Date: November 3, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000019975

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly terminate your qualified health plan for non-payment of premium, effective June 1, 2017?

Did NYSOH properly determine that you did not qualify to enroll in a qualified health plan outside of the open enrollment period, effective August 1, 2017?

Procedural History

On May 16, 2017, NYSOH issued a plan enrollment notice confirming your enrollment in a bronze-level qualified health plan, with a premium of \$268.91 per month after application of \$119.00 APTC and a plan enrollment start date of June 1, 2017.

On June 13, 2017, NYSOH issued a disenrollment notice stating that your enrollment in your bronze-level qualified health plan was terminated, effective June 1, 2017, because a premium payment had not been received by the health plan by the payment deadline.

On June 23, 2017, NYSOH received your updated application for financial assistance. That day, a preliminary eligibility determination was prepared finding you eligible to receive up to \$119.00 in APTC, effective August 1, 2017. You also attempted to enroll into a qualified health plan but were unable to select a plan for enrollment.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Also on June 23, 2017, you spoke to NYSOH's Account Review Unit and appealed your inability to enroll into a qualified health plan outside of the open enrollment period.

On June 24, 2017, NYSOH issued an eligibility determination notice stating in relevant part that you did not qualify to select a health plan outside of the open enrollment period for 2017.

On September 22, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You were enrolled in a bronze-level qualified health plan with a monthly premium of \$268.91, after application of \$119.00 of APTC with a plan enrollment start date and application of APTC, effective June 1, 2017.
- 2) You testified that you moved and you did not receive an invoice for the first monthly premium payment from the health plan.
- 3) You testified that, when you realized that you had not received an invoice for the June 2017 premium, you called the health plan and were informed that your coverage had already been terminated for non-payment of premium. You testified that the plan advised you to call NYSOH.
- 4) You were disenrolled from your bronze-level qualified health plan, effective June 1, 2017.
- 5) You testified that you have been without health insurance since June 1, 2017.
- 6) You testified that, since filing your application on May 15, 2017, there have been no major changes to your household.
- 7) You testified that you are seeking to enroll into a qualified health plan for the remainder of 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Appealable Issues

An applicant has the right to appeal to NYSOH's Appeals Unit: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (3) a failure by NYSOH to provide timely notice of an eligibility determination 45 CFR § 155.505; and (4) a denial of a request for a special enrollment period (45 CFR § 155.505(b)(1)(iii), 45 CFR § 155.305(b), and 45 CFR § 155.420(d)).

Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a qualified health plan and enrollees may change qualified health plans (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2017, the annual open enrollment period began on November 1, 2016, and extended through January 31, 2017 (45 CFR § 155.410(e)(2)).

Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a qualified health plan, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
 - (i) Loses minimum essential coverage.
 - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
 - (iii) Loses pregnancy-related coverage.
 - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.

(2)(i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.

(ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.

(3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a qualified health plan because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.

(4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.

(5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to new qualified health plan as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a qualified health plan or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by

HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a qualified health plan; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days. NYSOH has not elected to adopt this subsection at this time.

(45 CFR § 155.420(d)).

Generally, if a triggering life event occurs, the qualified individual or enrollee has 60 days from the date of a triggering event to select a qualified health plan (45 CFR § 155.420(c)(1)).

However, a loss of health insurance coverage such as that referenced above does not include,

“voluntary termination of coverage or other loss due to—

(1) Failure to pay premiums on a timely basis, including COBRA premiums prior to expiration of COBRA coverage, or

(2) Situations allowing for a rescission as specified in 45 CFR [§] 147.128” such as failure to comply with other requirements (45 CFR § 147.128(b))

(45 CFR § 155.420(e)).

Legal Analysis

The first issue under review is whether NYSOH properly terminated your bronze level qualified health plan for non-payment of premium effective, June 1, 2017.

On May 15, 2017, you were enrolled in a bronze level qualified health plan with a premium of \$268.91 per month after application of \$119.00 APTC. Your plan enrollment start date and APTC application were to be effective June 1, 2017.

You testified that you moved and did not receive an invoice from the health plan for the first monthly premium. You further testified that when you realized that you had not received an invoice for the June 2017 premium, you called the health plan and were informed by the plan that your coverage had already been terminated for non-payment of premium. You testified that the plan advised you to call NYSOH.

On June 13, 2017, NYSOH issued a notice stating that you were disenrolled from your health plan for non-payment of the premium, effective June 1, 2017.

NYSOH Appeals Unit only has the authority to review issues related to the following: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (3) a failure to provide timely notice of an eligibility determination, and (4) a denial of a special enrollment period.

Since the Appeals Unit is not given the authority to review termination of enrollment due to non-payment of premiums, we cannot reach the merits as to whether you were properly terminated from your health plan for non-payment of premiums. Therefore, your appeal of the June 13, 2017 disenrollment notice is **DISMISSED** as a non-appealable issue.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The second issue under review is whether NYSOH properly determined that you did not qualify to enroll in a qualified health plan outside of the open enrollment period, effective August 1, 2017.

NYSOH provided an open enrollment period from November 1, 2016 until January 31, 2017. On May 15, 2017, you submitted an updated application for health insurance and were determined eligible for \$119.00 in APTC effective June 1, 2017. On May 15, 2017, you enrolled in a bronze-level qualified health plan, with an enrollment start date of June 1, 2017. On June 13, 2017, you were disenrolled from your health plan for non-payment of premium, effective June 1, 2017. On June 23, 2017, you submitted an updated application for health insurance and requested to re-enroll in your bronze-level qualified health plan.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period in order to enroll in, or change to another health plan offered in NYSOH. In order to qualify for a special enrollment period, a person must experience a triggering event.

Though you did lose health coverage as a result of the June 13, 2017 disenrollment, NYSOH considers non-payment of premium to be a voluntary act, which caused your coverage to be terminated. Therefore, the loss of health insurance coverage in this case cannot be considered a triggering event for a special enrollment period, because it was a result of non-payment of your June 2017 premium.

The credible evidence of record indicates that, since the open enrollment period closed on January 31, 2017, you have not experienced a triggering event that would qualify you for a special enrollment period on any other basis as of the date of the hearing.

Therefore, the June 24, 2017 eligibility determination notice, to the extent it denied you a special enrollment period, effective August 1, 2017, was correct and is AFFIRMED.
