Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your newborn child was enrolled in a Medicaid Managed Care (MMC) plan with an enrollment start date of July 1, 2017?

Procedural History

On June 14, 2017, your newborn child was added to your NYSOH account and an application for financial assistance was submitted on their behalf.

On June 15, 2017, NYSOH issued an eligibility determination notice stating that your newborn child was eligible for Medicaid, effective June 1, 2017.

On June 15, 2017, NYSOH issued a plan enrollment notice confirming in relevant part that your newborn child was enrolled in an MMC plan as of June 14, 2017, with an enrollment start date of July 1, 2017.

On June 28, 2017, you spoke with NYSOH's Account Review Unit and requested an appeal relative to the enrollment start date of your newborn child's MMC plan.

On September 18, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account and testimony, your child was born on [REDACTED]
- 2) According to your NYSOH account, your child was added to your account on June 14, 2017 and was determined eligible for Medicaid as of June 1, 2017.
- 3) According to your NYSOH account, your child was enrolled in a MMC plan on June 14, 2017.
- 4) According to your NYSOH account and testimony, you were enrolled in Medicaid Fee-For-Service on the date of your newborn child's birth.
- 5) You testified that you were not enrolled in a MMC plan because you were enrolled in an employer-sponsored health insurance plan.
- 6) You testified that you want your newborn child's MMC plan to begin on June 1, 2017, to cover the medical expenses that were incurred in that month.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid - Children

A child who is under one year of age is eligible for Medicaid if he or she meets the non-financial criteria and has a household modified adjusted gross income that falls at or below 223% of the FPL for the applicable family size. (42 CFR § 435.118(c); New York Department of Health Administrative Directive 13 OHIP/ADM-03).

Medicaid - Effective Date

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b)).

Medicaid coverage must be provided to a child born to a woman who has been determined eligible and is receiving Medicaid on the date of the child's birth (42 CFR § 435.117(a), N.Y. Soc. Serv. Law § 366-g(3)).

Medicaid Managed Care – Effective Date

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 42 USC § 1315; § 364-j(1)(c); 18 NYCRR § 360-10.3(h)).

Newborn children not excluded from enrolling in a MMC plan shall be enrolled in the MMC in which the newborn's mother is an enrollee, effective from the first day of the child's month of birth (Medicaid Managed Care Model Contract § 6.7(a), effective 3/1/2014 – 2/28/2019).

Legal Analysis

The issue under review is whether NYSOH properly determined that your newborn child's MMC was effective July 1, 2017.

Medicaid coverage must be provided to a child born to a woman who has been determined eligible for and is receiving Medicaid on the date of the child's birth. If a newborn child's mother is enrolled in an MMC plan, the child shall be enrolled in the mother's MMC plan, effective the first day of the child's month of birth.

The record reflects that your child was born on [REDACTED]. Your child was added to your NYSOH account and enrolled in an MMC on June 14, 2017. Further, the record reflects you had Medicaid coverage in Medicaid Fee-For-Service on the date of your newborn child's birth. You were not enrolled in a MMC plan because you were enrolled in employer-sponsored insurance.

Since you were not enrolled in a MMC plan on the date of your newborn's birth, your child is not eligible to be enrolled in a MMC plan effective their date of birth.

The date on which an MMC plan can take effect depends on the day a person selects the plan for enrollment. Enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month

On June 14, 2017, you selected and MMC plan for your newborn child such that coverage in that plan should be effective on the first day of the following month; that is, on July 1, 2017.

Therefore, the June 15, 2017 plan enrollment notice is AFFIRMED insofar as it stated your newborn child was enrolled in a MMC effective July 1, 2017.
