## Decision

Decision Date: October 25, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000020109

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$366.00 per month in advance payments of the premium tax credit, effective August 1, 2017?

Did NY State of Health properly determine that you were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

## Procedural History

On June 23, 2017, you submitted an application for financial assistance.

On June 24, 2017, NYSOH issued a notice of eligibility determination stating that you were eligible to receive up to \$366.00 in APTC and eligible to receive cost-sharing reductions if you enrolled in a silver level qualified health plan, effective August 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your income was over the allowable income limit for that program.

On June 29, 2017, you spoke to NYSOH's Account Review Unit and appealed the eligibility determination, insofar as you were not determined eligible for the Essential Plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On July 6, 2017, NYSOH issued a notice stating that you were eligible for Medicaid for a limited time because you had been granted Aid to Continue until a decision is made on your appeal. This eligibility was effective as of August 1, 2017.

Also on July 6, 2017, NYSOH issued a notice confirming your enrollment in a Medicaid Managed Care plan as of August 1, 2017.

On September 22, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit, with the assistance of your authorized representative [REDACTED]. The record was developed during the hearing and held open up to October 6, 2017, to allow you to submit supporting documents.

On October 4, 2017, you submitted supporting documentation. It was entered into the record as appellant's "Exhibit #1" and the record was closed that day.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on June 23, 2017 listed annual household income of \$24,052.00, consisting of \$12,844.00 you earn from your employment and \$11,208.00 you receive in Social Security benefits.
- 4) You testified that you receive \$934.00 each month in Social Security benefits.

received your first paycheck on January 25, 2017 for a gross amount of \$48.75.

- 8) Your application states that you will not be taking any deductions on your 2017 tax return.
- 9) Your application states that you live in [REDACTED].

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your

application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution is between 6.43% and 8.21% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

### Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

## Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$366.00 per month.

The application that was submitted on June 23, 2017 listed an annual household income of \$24,052.00 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in [REDACTED], where the second lowest cost silver plan available for an individual through NYSOH costs \$496.57 per month.

An annual income of \$24,052.00 is 202.46% of the 2016 FPL for a one-person household. At 202.46% of the FPL, the expected contribution to the cost of the health insurance premium is 6.52% of income, or \$130.68 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$496.57 per month) minus your expected contribution (\$130.68 per month), which equals \$365.89 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$366.00 per month in APTC.

The second issue is whether you were properly found eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$24,052.00 is 202.46% of the applicable FPL, NYSOH correctly found you to be eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$24,052.00 is 202.46% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

Since the June 24, 2017 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$366.00 per month in APTC, eligible for cost-sharing reductions, and not eligible for the Essential Plan, it is correct and is AFFIRMED.

However, you testified that you began working at your part time employment at the end of January 2017, and submitted a letter from your employer confirming that you started working on January 17, 2017. You further provided documentation to show that you received your first paycheck on January 25, 2017. Therefore, a reasonable calculation of your annual income for your part time employment is \$11,904.75, and not \$12,844.00. Furthermore, you credibly testified that you receive \$961.00 per month in Social Security benefits, or \$11,208.00 per year. Therefore, a more accurate calculation of your annual expected gross income is \$23,112.75.

Now that the record contains a more accurate calculation of your earnings, your case is RETURNED to NYSOH to redetermine your eligibility with an annual expected household income of \$23,112.75 for a household of one in Otsego County.

## **Decision**

The June 24, 2017 eligibility determination notice is AFFIRMED.

Your case is RETURNED to NYSOH to redetermine your eligibility with an annual expected household income of \$23,112.75 for a household of one in Otsego County.
