Decision

Decision Date: October 5, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000020360

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you do not qualify to enroll in a qualified health plan outside of the open enrollment period, effective August 1, 2017?

Procedural History

On July 10, 2017, NYSOH received your initial application for health insurance. That day, a preliminary eligibility determination was prepared stating you were eligible to purchase a qualified health plan at full cost. You attempted to enroll in a plan that day but were denied.

On July 10, 2017, you spoke to NYSOH's Account Review Unit and appealed that determination insofar as you were not eligible to enroll in a health plan outside of the open enrollment period.

On July 11, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to purchase a qualified health plan at full cost, effective August 1, 2017. It further stated that you do not qualify to select a health plan outside of the open enrollment period for 2017.

On September 28, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Findings of Fact

A review of the record supports the following findings of fact:

- 1) On July 10, 2017, you submitted an application for health insurance.
- 2) You testified you were not applying for or seeking financial assistance with your application.
- 3) On July 10, 2017, you attempted to enroll in a qualified health plan.
- 4) Your application on July 10, 2017, states that you were seeking a special enrollment based on loss of health coverage through your employer on April 30, 2017.
- 5) You testified that you lost prior health insurance coverage through your employer on April 30, 2017.
- 6) You testified your employer handed you a large packet of information after separating from them. You testified you were not made aware that you had 90 days to enroll in continuing health coverage with the company's insurer and if you missed this 90-day period you would be barred from continuing your coverage.
- 7) You testified that since filing your application on July 10, 2017 there have been no other major changes to your household.
- 8) You testified you have not moved since your initial July 10, 2017 application and have only switched mailing addresses.
- 9) You testified that you did not rely on any statements made by NYSOH that prevented you in enrolling in a qualified health plan sooner.
- 10) You reside in New York County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a qualified health plan and enrollees may change qualified health plans (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2017, the annual open enrollment period began on November 1, 2016, and extended through January 31, 2017 (45 CFR § 155.410(e)(2)).

Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a qualified health plan, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
 - (i) Loses minimum essential coverage.
 - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
 - (iii) Loses pregnancy-related coverage.
 - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.
- (2)(i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.
 - (ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.
- (3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a qualified health plan because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.
- (4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or

erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.

(5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to new qualified health plan as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a qualified health plan or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a qualified health plan; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days. NYSOH has not elected to adopt this subsection at this time.

(45 CFR § 155.420(d)).

Generally, if a triggering life event occurs, the qualified individual or enrollee has 60 days from the date of a triggering event to select a qualified health plan (45 CFR § 155.420(c)(1)).

Legal Analysis

The issue under review is whether NYSOH properly determined that you do not qualify to enroll in a qualified health plan outside of the open enrollment period, effective August 1, 2017.

NYSOH provided an open enrollment period from November 1, 2016 until January 31, 2017. On July 10, 2017, you submitted an application for health insurance and requested to enroll in a qualified health plan. On July 11, 2017, NYSOH issued a notice stating that you do not qualify to enroll in a qualified health plan outside of the open enrollment period.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period in order to enroll in, or change to another health plan offered in NYSOH. In order to qualify for a special enrollment period, a person must experience a triggering event.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

You testified that your previous insurance coverage through your employer ended on April 30, 2017. Loss of insurance coverage outside of NYSOH is considered a triggering life event.

When a triggering life event occurs, the qualified individual has 60 days from the date of that event to select a qualified health plan.

Since 60 days from April 30, 2017 is June 29, 2017; you would have qualified to select a qualified health plan outside of the open enrollment period until June 29, 2017.

Your application and request to enroll into a qualified health plan did not occur until July 10, 2017; which is outside of the 60-day window.

The credible evidence of record indicates that, since the open enrollment period closed on January 31, 2017, no other triggering events have occurred that would qualify you for a special enrollment period.

Therefore, NYSOH's denial of a special enrollment period to select a health plan outside of the open enrollment period for 2017 is AFFIRMED.

The July 11, 2017, eligibility determination notice is AFFIRMED.
